PROGRAM DESCRIPTION

The Taxicab Authority is responsible for regulating the taxicab industry in counties whose population is 400,000 or more. The authority is governed by a board of five members appointed by the Governor. The board conducts hearings and makes final decisions regarding the administration and enforcement of NRS 706.881 to NRS 706.885, inclusive. The mission of the Taxicab Authority is to provide for the safety, comfort, and convenience of the taxicab users through the regulation of the taxicab industry in Clark County, including issuing and transferring Certificates of Public Convenience and Necessity to and between taxicab companies; determining the number of taxicabs authorized per certificated company; issuing, suspending and revoking drivers' permits; determining the safety, mechanical operation, and comfort standards of taxicabs; determining the fares to be charged, and conducting criminal investigations in conjunction with other law enforcement agencies. The goals and objectives of the authority are to ensure an adequate and more efficient supply of taxicabs to meet the demand.

ECONOMIC DEVELOPMENT - COMMISSION ON ECONOMIC DEV

101-1526

PROGRAM DESCRIPTION

The Nevada Commission on Economic Development works to diversify and strengthen the state's economy by adding high-wage primary jobs to Nevada by attracting new companies and subsidiaries, corporate start-ups, and investment to all regions of the state. The Commission assists in the retention and expansion of current Nevada primary employers and assists rural communities and their development authorities in the achievement and development of wealth and prosperity opportunities. The Commission also works with the Nevada Development Authority (NDA), the Economic Development Authority of Western Nevada (EDAWN) and the rural development authorities to provide workforce development initiatives and other support sought by new and expanding companies. To strengthen and enhance the state's economy, the Commission focuses on diversification in such sectors as renewable energy, bioscience, manufacturing, logistics, business services, and technology commercialization. Through a holistic and collaborative approach with the Department of Employment Training and Rehabilitation (DETR), the Nevada System of Higher Education (NSHE), the Governor's Office of Energy and Business and Industry. The commission marshals the resources available through and within these agencies to encourage and foster a healthy environment for business and entrepreneurship in Nevada. Statutory Authority: Chapter 231 of NRS.

ECONOMIC DEVELOPMENT - RURAL COMMUNITY DEVELOPMENT

101-1528

PROGRAM DESCRIPTION

The mission of Rural Community Development is to build rural Nevada communities where current and future generations can choose to live healthy, productive and prosperous lives. Through collaboration with various government agencies, businesses and non-profit groups, Rural Community Development assists rural communities to remain economically viable by improving living conditions and providing economic opportunities through the administration of the State Community Development Block Grant Program, training activities, and technical assistance. Rural Community Development helps provide communities with adequate infrastructure, suitable housing and living environments, and encourages sustainable community and economic development. Activities are focused primarily for the benefit of low-to-moderate income persons. Statutory Authority: NRS Chapter 231 , 24 CFR Part 570, 24 CFR Part 91.

ECONOMIC DEVELOPMENT - NEVADA CATALYST FUND

101-1529

PROGRAM DESCRIPTION

The Nevada Catalyst Fund is a newly formed grant program to be administered through a non-profit corporation. It is primarily designed to bolster efforts to attract new businesses to the state or assist with the substantial expansion of an existing business. The fund is designed to provide a discretionary grant to close a competitive gap for projects creating jobs and investment in Nevada. To be eligible for Nevada Catalyst funds, a project must demonstrate a significant return on the states investment and strong local support. The review process will consider a variety of factors, including job creation, wages and benefits, capital investment, financial strength of the applicant, applicants business history, analysis of the relevant business sector, and public and private sector financial support.

ENHANCEMENT

E175 ECONOMIC DEVELOPMENT

This request will establish and fund a program to assist and provide incentives for businesses to relocate to Nevada through services such as financial assistance, relocation planning and procurement assistance and training.

ECONOMIC DEVELOPMENT- PROCUREMENT OUTREACH PROGRAM

101-4867

PROGRAM DESCRIPTION

The Procurement Outreach Program (POP) promotes economic diversification of the state's economy by providing Nevada firms with electronic access to procurement opportunities, necessary technical assistance, and the tools to compete for and win contracts previously awarded in other states. Many businesses consider the idea of selling their products or services to government and corporate purchasing activities both, complicated and daunting. A major focus is placed on the retention, expansion and diversification of our Nevada companies. The POP program helps simplify the process and cut through red tape, connecting individual Nevada businesses and Nevada Teaming Arrangements with lucrative opportunities. Statutory Authority: NRS Chapter 231 and Title 10 USC Chapter 142.

TOURISM - TOURISM DEVELOPMENT FUND

225-1522

PROGRAM DESCRIPTION

The primary mission of the Nevada Commission on Tourism (NCOT) is to generate tourism revenue for the State of Nevada. It accomplishes this by developing and implementing an aggressive and competitive marketing campaign designed to promote the State of Nevada and increase the number of domestic and international tourists to the state. The Commission utilizes a broad strategy that consists of advertising campaigns including television and internet as well as print advertising in travel publications and magazines; a domestic and international presence at consumer and industry trade shows; international trade missions involving high level government officials; a well defined presence on the internet; a call center and collateral distribution operation; cooperative efforts and partnerships; a rural grant program designed to allocate marketing and advertising dollars into rural Nevada; close collaboration with a network of tourism volunteers throughout Nevada, representing the state's six "territories"; and educational opportunities for the tourism industry through the Governor's Conference on Tourism and the Rural Roundup annual conferences. Statutory Authority: NRS 231.160 to NRS 231.360.

TOURISM - TOURISM DEVELOPMENT

225-1523

PROGRAM DESCRIPTION

This budget account provides grant funds for the Tourism Development Grant Program. In 2001, through Senate Bill 583, the Nevada Commission on Tourism (NCOT) along with the Nevada Commission on Economic Development became the administrators of a new grant program created to stimulate rural tourism development such as rodeo and/or fair grounds or event centers. Senate Bill 583 set into statute funding in the amount of \$200,000 per biennium in support of this program. When available, this funding will be utilized as grant funding to local private and public organizations to help enhance or develop tourism/recreational infrastructure needs in Nevada. Funds can also be used for tourism advertising grants to promote special events.

BASE

This request continues funding for the Tourism Development Grant Program, as established in the 2001 Legislative Session. Any one-time expenditures have been eliminated and partial year costs have been annualized.

PROGRAM DESCRIPTION

The Lost City Museum in Overton, Nevada located near the Moapa Paiute Indian Reservation, serves the public by studying, preserving, and protecting prehistoric Anasazi Pueblo sites and artifacts found in the Moapa Valley area, and interpreting these collections through exhibits, public programs, and publications. The Lost City Museum facility is itself an artifact, a Civilian Conservation Corps reproduction of an adobe pueblo dwelling complex, and is preserved for future generations. An active archaeological program sponsors pottery workshops and other educational programs as well as occasional archeological digs. Interior and exterior exhibits on the grounds attract numerous tourists interested in topics relating to the Anasazi Pueblo complex, other early Native American cultures of southern Nevada, and the later history of the Moapa Valley including Mormon settlement, mining, and railroads. The museum serves regional audiences of Native Americans, youth, students, families, adults, and a wide-reaching network of scholars and researchers interested in Native American cultures. Statutory Authority: NRS 381.

PROGRAM DESCRIPTION

The Nevada Historical Society collects and preserves Nevada's historically-significant manuscripts, photographs, books, maps, newspapers and other artifacts, making them available to the public through library/archives and through educational formats including on-site and off-site exhibit galleries, educational programs and publications, such as the Nevada Historical Society Quarterly. The agency provides researchers with the most comprehensive collections of Nevada-related historical documents available in a single location and presents an active public events and exhibits schedule to include school, youth, adult, and family programs. Statutory Authority: NRS 381.

The Nevada State Museum, located in the state capital of Carson City, is the state's largest museum. Housed in the historic 1869 Carson City Mint building, listed on the National Register of Historic Places, the museum is an icon and historical artifact. The museum serves the public through extensive collections, education, and exhibition programs related to Nevada's rich heritage of prehistory, history, and natural history. The museum preserves collections at several locations, including the Marjorie Russell Clothing and Textile Research Center and the Indian Hills Curatorial Center. The museum also provides museum technical assistance for Nevada's non-state museums public history support for a variety of reference and public program requests, and fosters occasional archaeological and natural history fieldwork. America's largest exhibited Imperial Mammoth; Dat So La Lee Baskets; "U.S.S. Nevada" silver service; a replica walkthrough mine and ghost town; and Coin Press No. 1. are all on exhibit. Statutory Authority: NRS 381.

PROGRAM DESCRIPTION

The Nevada State Museum, Las Vegas located at Lorenzi Park serves the public through collecting, preserving, and interpreting artifacts, specimens, and historical documents representing southern Nevada, with emphasis on its relationship to the Mojave Desert. Long-term and short-term exhibit galleries feature prehistory, history, and natural history collections of interest to residents and tourists; public library/archives contains premier southern Nevada historical photographs and records for use by regional residents and researchers. The museum also has an education program that serves schools as well as residents and out-of-state visitors through programs, tours, workshops, and events. The Nevada State Museum, Las Vegas is planned to move and expand into a new 70,000 square foot, \$43 million state-funded facility on the campus of the Las Vegas Springs Preserve. Construction of the facility was completed in May 2009 and installation of the new permanent exhibits will be completed in the first quarter of calendar year 2011. Completion of the exhibits requires decommissioning exhibits in the existing museum. The new, larger museum at the Springs Preserve is unable to open until funding is available for additional staffing and operating costs. Statutory Authority: NRS 381.

TOURISM - NEVADA ARTS COUNCIL

101-2979

PROGRAM DESCRIPTION

The Nevada Arts Council is the sole and official agency of the state to receive and disburse any funds available to this state from the National Endowment for the Arts (NEA). The Nevada Arts Council's mission is to enrich the cultural life of the state through leadership and programs that preserve, support, strengthen and make accessible excellence in the arts for citizens and tourists alike. In partnership with schools, arts institutions, artists, municipalities and tribal organizations, the Arts Council enhances a statewide system that delivers a breadth of cultural services to Nevada's populated cities and most isolated rural towns. From folklife festivals to youth artwork projects, from concert series to traveling visual arts exhibits, arts programs supported by the Arts Council contribute to the health and diversity of the state's economy and workforce; increase tourism; strengthen communities; promote life-long learning; and provide citizens a rich and diverse quality of life. The Arts Council is divided into six programs: Grants, Arts Education, Community Arts Development, Public Awareness and Arts Initiatives, Folklife, and Artist Services. Statutory Authority: NRS 233C.

PROGRAM DESCRIPTION

The Department of Health and Human Services (DHHS) promotes the health and well-being of Nevadans through the delivery of essential services to ensure families are strengthened, public health is protected and individuals achieve their highest level of self-sufficiency. The Director's Office manages the various services and programs administered and operated by the department's divisions/offices within their respective subject areas. In addition to the Director's Office, the department consists of seven divisions: Aging and Disability Services, Child and Family Services, Health, Health Care Financing and Policy, Mental Health and Developmental Services, Welfare and Supportive Services and the Public Defender's Office. Programs managed within the Director's Office include: Office of Suicide Prevention, Head Start State Collaboration Office, and the Grants Management Unit. Administrative support is also provided to the Indian Commission. Statutory Authority: NRS 232.290-465.

HHS-DO - GRANTS MANAGEMENT UNIT

101-3195

PROGRAM DESCRIPTION

The Grants Management Unit consolidates the function and management of grant programs that pass funds through to community level and state sub-recipients. The Grants Management Unit was created to ensure the standardization of procedures, simplification of accounting, and co-location of staff. The efficiencies realized allow the department to use fewer funds for administrative purposes and to pass more funds to grantees providing direct services. Grantees have also benefited from the standardized procedures used to request funding.

HHS-DO - CHILDREN'S TRUST ACCOUNT

101-3201

PROGRAM DESCRIPTION

Effective July 1, 1985, Chapter 432 of the Nevada Revised Statutes (NRS) was amended to create the Children's Trust Account. Revenues for this account are derived from a \$3.00 fee on Nevada birth and death certificates. Additionally, Nevada has received a federal grant that was awarded in accordance with section 201 of Title II of the Child Abuse Prevention and Treatment Act (Community-Based Family Resource Program) Public Law 103-252. Funds in the Children's Trust Account are to be used to support programs and services designed to prevent abuse and neglect of children. Statutory Authority: NRS 432.131 - NRS 432.133.

BASE

This request continues funding for operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-DO - CONSUMER HEALTH ASSISTANCE

101-3204

PROGRAM DESCRIPTION

The Office for Consumer Health Assistance, which includes the Bureau of Hospital Patients and the Office of Minority Health, provides a single point of contact for consumers; including members of minority groups and injured workers regarding healthcare issues. The objective is to assist them in understanding their rights and responsibilities under Nevada law and health care plans, including industrial insurance policies and to disseminate information through outreach activities including counseling, education and advocacy to increase awareness of and access to health care services. Statutory Authority: Nevada Revised Statute 223.550 and 232.467.

BASE

This request continues funding for 1.51 positions and associated operating costs. One-time expenditures have been eliminated, partial year costs have been annualized, and grant revenue has been adjusted to estimated future funding levels.

HHS-DO - PUBLIC DEFENDER

101-1499

PROGRAM DESCRIPTION

The Office of the Nevada State Public Defender provides equal protection under the law in accordance with the United States Constitution and Nevada Constitution by representing indigent adults and juveniles accused of committing crimes in certain rural areas of Nevada or in one of Nevada's prisons. This representation is performed from arrest through trial, sentencing, and appeal. In addition to representing indigent adults and juveniles, the office handles appeals for denial of post-conviction habeas corpus petitions for state prison inmates accused of a crime. Statutory Authority: NRS Chapters 180 and 260.

HHS-DO - INDIAN AFFAIRS COMMISSION

101-2600

PROGRAM DESCRIPTION

The mission of the Indian Affairs Commission is to ensure the well being of Native American Indian citizens throughout the State of Nevada through the development and enhancement of Tribal-State relationships. The Indian Commission strives for social and economic equality for all Native American Indian people living in the state, while embracing traditional, cultural, and spiritual Native American values. The Indian Commission serves as a liaison between the state and the twenty federally recognized tribes comprised of twenty-seven separate tribes, bands, and community councils. Statutory Authority: NRS 233A.

HHS-ADSD - SENIOR RX AND DISABILITY RX

262-3156

PROGRAM DESCRIPTION

The Nevada Senior Rx and Disability Rx programs assist eligible applicants to obtain essential prescription medications. Members who are not eligible for Medicare pay ten dollars for generic drugs and twenty-five dollars for brand name drugs. Members who are eligible for Medicare receive help with the monthly premium for the Part D plan and may use the program as a secondary payer for the Medicare Part D coverage gap. Senior Rx statutory authority: NRS 439.635 - 439.795 and NAC 439.750 - 439.790; Disability Rx statutory authority: NRS 439.705 - 439.795 and NAC 439.750 - 439.790; RX Programs funding authority: Tobacco funding - NRS 439.630; HIV/AIDS Rx (HAX) NRS 439.529.

PROGRAM DESCRIPTION

The mission of the Aging and Disability Services Division is to develop, coordinate and deliver a comprehensive support service system of essential services, which allow Nevada's elders and persons with disabilities to lead independent, meaningful and dignified lives. The division is administered through five units: Elder Rights, Fiscal, Resource Development, Community Based Care and Disability Services.

This budget account includes ADSD administration, as well as the Resource Development Unit, the Long Term-Care Ombudsman Program which is part of the Elder Rights Unit, and Fiscal Services Units. The Resource Development Unit is responsible for grants administration and community resource development.

Elder Rights issues are addressed by the following programs within this budget account:

- 1) The Long-Term Care Ombudsman Program is established under Titles III and VII of the Older Americans Act and NRS 427A.125, receives, investigates and resolves complaints made by or on behalf of residents 60 years of age or older living in long-term care facilities. Elder Rights Specialists (i.e. Long-Term Care Ombudsmen) ensure the health, safety and civil rights of residents are protected.
- 2) The Specialist for Rights of Elderly Persons established under NRS 427A.123 is an attorney appointed by the Governor who facilitates the development of legal services to assist elderly persons in securing and maintaining their legal rights.
- 3) The Community Advocates for Elder Rights Program is authorized by NRS 427A.300, to provide coordination of resources and assistance to persons who are sixty years of age or older and do not reside in facilities for long term care.

The Fiscal Unit provides the financial services necessary for the internal administration of the agency.

PROGRAM DESCRIPTION

The Title XX Homemaker program provides in-home services for adults sixty years and older as well as adults with disabilities to avoid institutional placement. Social Workers provide administrative activities and care coordination. Direct services are provided by contracted providers and include homemaking tasks, grocery shopping, laundry, meal preparations and errands. In addition to homemaking tasks, direct service providers observe client behavior and environment, identifying deterioration, or improvement. They also observe and report evidence of abuse, neglect, exploitation or isolation.

The Elder Protective Services (EPS) Program, which is part of the Elder Rights Unit, receives and investigates reports of abuse, neglect, self neglect, exploitation and isolation of persons aged sixty years and older. Older persons who are frail, dependent, and socially isolated are most at risk. EPS social workers take actions to safeguard the well-being and general welfare of older persons in need of protection while safeguarding their civil liberties. This includes those who have physical, emotional, or mental impairments. These impairments may limit the older person's ability to manage their personal, home, social, and/or financial affairs. The social worker develops a case plan and offers services to support the older person with their consent and willingness to accept assistance. Referrals are made to law enforcement and regulatory agencies when necessary. The EPS program provides elder abuse training to community partners, grantees and providers of healthcare and supportive services. Statewide statistics regarding elder abuse reports and investigations are made public annually.

PROGRAM DESCRIPTION

The Disability Services unit within the Aging and Disability Services Division (ADSD) provides resources at the community level that assist people with severe disabilities and their families in helping them to live as independently as possible, and to live in an integrated setting. ADSD programs assist those who are ineligible for services through public entitlement programs or for whom services do not exist. ADSD strives to save tax dollars by diverting individuals from more costly institutional care and by helping individuals leverage resources available from family, friends and non-profit community organizations.

HHS-ADSD - IDEA PART C COMPLIANCE

101-3276

PROGRAM DESCRIPTION

The IDEA Part C Office is designated as the lead agency to ensure there is a statewide, comprehensive, coordinated, multidisciplinary, interagency system of early intervention services for infants and toddlers with disabilities and their families. This includes facilitating the coordination of payment by federal, state, local and private sources; enhancing the state's capacity to provide quality services; expand and improve existing services; and enhancing the capacity of state and local agencies to identify, evaluate and meet the needs of historically under-represented populations.

HHS-HCF&P - HIFA HOLDING ACCOUNT

101-3155

PROGRAM DESCRIPTION

The Health Insurance Flexibility Accountability (HIFA) Waiver uses Federal Title XXI State Children Health Insurance Program (SCHIP) funds to extend Medicaid coverage to pregnant women whose income is between 133% and 185% of federal poverty level (FPL), and the Employer Insurance Program (EIP) for small businesses. This program subsidizes insurance premiums for individuals who have children and provides pregnancy related medical coverage for pregnant women with incomes less than 200% of FPL, employed by a small business (2-50 employees) and enrolled in their employer's health plan. The HIFA Holding Account includes General Fund appropriations and a matching transfer from the Supplemental Account for Medical Assistance to Indigent Persons to pay the state share of HIFA program costs.

Statutory Authority: NRS 422A.015, 422.2726, 422.2727, 422.2728 and 428.305.

HHS-HCF&P - INTERGOVERNMENTAL TRANSFER PROGRAM

101-3157

PROGRAM DESCRIPTION

The Intergovernmental Transfer (IGT) account collects payments from counties to be used as state matching funds for Medicaid expenditures, thus reducing the need for state General Fund appropriations. Payments are collected from Clark and Washoe counties in support of supplemental Disproportionate Share Hospital (DSH) payments to hospitals. DSH payments support facilities that serve a disproportionate share of Medicaid, indigent or other low-income patients. This reduces the burden of uncompensated costs for these facilities. The IGT also collects payments from counties to support supplemental Upper Payment Limit (UPL) payments to non-state public hospitals. The UPL program allows supplemental payments to non-state public hospitals so that their overall Medicaid payments approximately equal what they would have been paid under the federal Medicare program. The proceeds are deposited to this account and transferred as needed to Nevada Medicaid, budget account 3243, for the DSH and UPL payments, to Health Care Financing and Policy, budget account 3158, for related administrative costs, to Nevada Check-Up, budget account 3178, to defray expenses, and the remainder balanced forward to reserve.

Statutory authority: NRS 422.380 through 422.390 and the Nevada State Plan under Title XIX of the Social Security Act.

BASE

This request continues funding for categorical expenditures.

ENHANCEMENT

E699 BUDGET REDUCTIONS

This request projects a net state benefit from adding outpatient hospital upper payment limit for public hospitals and graduate medical education programs. Intergovernmental transfer will be charged to local governments at 60% of the total payments to the hospitals. The state will receive benefit from the difference between the matching state share and the total IGT payment.

PROGRAM DESCRIPTION

This budget account represents administrative support for the Division of Health Care Financing and Policy. The division's mission is to purchase and ensure the provision of quality health care services, including Medicaid and Nevada Check Up, to low-income Nevadans in the most efficient manner; promote equal access to health care at an affordable cost to the taxpayers of Nevada; restrain the growth of health care costs; and review Medicaid, Nevada Check Up and other State Health Care programs to maximize federal revenue to the state.

Statutory Authority: NRS 422, NRS 439B, Title XIX and Title XXI of the Social Security Act and Section 42 of the Code of Federal Regulations.

E402 ACCESS TO HEALTH CARE AND HEALTH INSURANCE

This request funds the federal portion of the costs for implementing an eligibility system to interface with the Health Insurance Exchange that the ACA requires the state to implement by 2014. This includes Federal Title XIX funds for the portion of the eligibility system that will be allocated to Medicaid. It also includes federal grant funds that will pay for the implementation of the non-Medicaid population. Funds will be paid to the Division of Welfare and Supportive Services, which has a companion request to fund operational costs. This request is a companion to E400 in Welfare Administration, budget account 3228.

E410 ACCESS TO HEALTH CARE AND HEALTH INSURANCE

This request funds ongoing program management and two Auditor positions for implementation of Health Care Information Technology (HIT) to improve quality of care through adoption of electronic health records (EHR). On February 17, 2009, the American Recovery and Reinvestment Act of 2009 (ARRA) was signed into law. ARRA includes the Health Information Technology for Economic and Clinical Health Act of 2009 (HITECH Act) that sets forth a plan for advancing the meaningful use of health information technology (HIT) to improve quality of care through the adoption of EHRs and the facilitation of health information exchange (HIE). Included in the HITECH Act is the allowance for State Medicaid agencies to pass incentive payments from the federal government through to eligible professionals and hospitals for their adoption of certified EHR technology. In order to pass along the incentive payments, the DHCFP must ensure that providers are eligible for the program and are using EHRs in a meaningful way.

E680 NEW REVENUE OR EXPENDITURE OFFSETS

This request funds additional staff and contract services to meet the ACA requirements which placed multiple new demands on state Medicaid and State Children's Health Insurance Program (SCHIP) agencies to combat fraud, waste, abuse and improper payments in the Medicaid and SCHIP programs. This generates General Fund savings of \$7.9 million over the biennium in companion decision unit E680 in Nevada Medicaid, budget account 3243. This request relates to item number twelve in the Government Efficiency and Waste Elimination section of the final Report of the Legislative Committee for the Fundamental Review of Base Budgets of State Agencies as presented to the Interim Finance Committee on December 17, 2010.

HHS-HCF&P - INCREASED QUALITY OF NURSING CARE

101-3160

PROGRAM DESCRIPTION

The 2003 Legislature instituted a Long Term Care (LTC) provider tax on freestanding long term care facilities to increase the quality of long term nursing care in Nevada. The tax rate is based on non-Medicare patient day equivalents at six percent until October 2007, then five and one-half percent thereafter. The proceeds of the tax are deposited to this account and then transferred, as needed, to Nevada Medicaid, budget account 3243, to pay rate increases to skilled nursing facilities caring for Medicaid recipients, up to one percent to Health Care Financing & Policy Administration, budget account 3158, for administrative costs, and the remainder is balanced forward to reserve.

Statutory authority: NRS 422.3755 through 422.379.

BASE

This request continues funding for categorical expenditures.

HHS-HCF&P - NEVADA CHECK-UP PROGRAM

101-3178

PROGRAM DESCRIPTION

Nevada initiated a State Children's Health Insurance Program (SCHIP) in 1998, known as Nevada Check Up. Under Title XXI of the Social Security Act, SCHIP provides options for states to cover health care costs for low-income, uninsured children not eligible for Medicaid, whose family income is at or below 200% of the federal poverty level (FPL). The Nevada Check Up Program is a stand-alone program. It is not an entitlement program nor is it part of the Medicaid Program. Families are assessed quarterly premiums based on family size and income. Statutory Authority: NRS 432A.300, NRS 422, Federal Title XXI of the Social Security Act, and Section 43 of the Code of Federal Regulations.

HHS-HCF&P - NEVADA MEDICAID, TITLE XIX

101-3243

PROGRAM DESCRIPTION

This budget account represents Medicaid medical costs for the Division of Health Care Financing and Policy as authorized by Federal Title XIX of the Social Security Act. The mission of the division is to purchase quality, accessible, and economical health care services for eligible Nevadans. Federal regulations define mandatory recipient groups to be covered, Nevada generally covers only those mandatory groups. The Welfare and Supportive Services Division and the Department of Health and Human Services provide caseload forecasts. Cost-per-eligible data is produced from the Medicaid Management Information System (MMIS) and is based on paid medical claims history. This data is factored with the caseload projections to produce budgeted medical expenditures. Statutory Authority: NRS 422, NRS 439B, Federal Title XIX of the Social Security Act, Section 42 Code of Federal Regulations, and the Nevada State Plan.

M160 POSITION REDUCTIONS APPROVED DURING BIENNIUM

This request continues improvements to increase cost effective delivery of medical services approved in the 26th Special Session. These include requiring a therapy clinical assessment prior to authorization of personal care services, aligning anesthesia services rates to be more comparable with Medicare's rates, lower monthly limits for incontinence supplies, eliminating disposable gloves as a covered medical service, and revising behavioral health rates from a three tier structure based on provider qualifications to a single rate.

M501 MANDATES

This request increases payments for specific primary care services provided by physicians with a specialty designation of family medicine, general internal medicine, or pediatric medicine. The Affordable Care Act (ACA) requires states to pay these services at a rate of not less than 100% of the Medicare rate. Increases will be effective January 1, 2013 and will be 100% federally funded through December 31, 2014. This is a companion to M501 in Division of Health Care Financing and Policy (DHCFP) Administration, budget account 3158.

ENHANCEMENT

E327 DELIVER PUBLIC SERVICES DIRECTLY AND EFFICIENTLY

This request continues the expansion of the Preferred Drug List (PDL) that was approved in Senate Bill 4 during the 26th Special Session. Senate Bill 4 allows Nevada Medicaid to include on the PDL list atypical and typical anti-psychotics, anti-convulsants, and anti-diabetic medications with a sunset date of June 30, 2011. A bill draft request has been submitted to delete the expiration date. This request relates to item number eleven in the Government Efficiency and Waste Elimination section of the final Report of the Legislative Committee for the Fundamental Review of Base Budgets of State Agencies as presented to the Interim Finance Committee on December 17, 2010.

E328 DELIVER PUBLIC SERVICES DIRECTLY AND EFFICIENTLY

This request identifies recoveries which could be obtained by the Medicaid Estate Recovery (MER) unit of Medicaid payments made for a deceased recipient by obtaining bank records through a subpoena. This process was discontinued in January 2010 because the records obtained were not being used to determine eligibility. A bill draft request has been submitted to allow the director to subpoena records for recovery purposes.

E681 NEW REVENUE OR EXPENDITURE OFFSETS

This request includes the net cost savings resulting from the changes in drug rebate law enacted in Section 2501 of the ACA which is comprised of three cost savings components: loss of a percentage of national rebates to the federal government, acquiring managed care rebates, and increases in capitation payments due to health maintenance organizations' (HMOs') inability to obtain discounts on pharmaceuticals. This request is a companion to E681 in Nevada Check Up Program, budget account 3178.

E698 BUDGET REDUCTIONS

This request transfers financial reposition for a portion of the Medical Aid for the Aged, Blind and Disabled (MAABD) institutional and waiver population to the County Match Program. Currently, the counties have responsibility to pay the state share of costs for institutional Medicaid recipients whose income falls between 156% and 300% of the federal benefit rate (FBR) for Supplemental Security Income (SSI). They have no financial responsibility for waiver recipients. This proposal makes the counties responsible for both the institutional and waiver population at a lower FBR. The FBR may go as low as 101% in future years, but will vary from year-to-year to maintain the state's compliance with limitations on contributions by political subdivisions in the ACA. In 2012 the FBR will be 132% and above. In 2013 the FBR will be 124% and above. A bill draft request has been submitted to revise NRS 422.272 for County Match.

HHS-HCF&P - HIFA MEDICAL

101-3247

PROGRAM DESCRIPTION

This budget account funds medical services under the Health Insurance Flexibility and Accountability (HIFA) waiver. The HIFA waiver uses Federal Title XXI State Children's Health Insurance Program (SCHIP) funds to expand insurance coverage to pregnant women whose income is between 133% and 185% of the federal poverty level (FPL) and to provide monthly Employee Subsidies for Insurance (ESI) to employees of small business whose income is below 200% FPL. The state share of the funding is provided by a transfer from budget account 3155 - HIFA Holding Account. Statutory authority: NRS 422.2726 through 422.2729.

BASE

This request continues funding for categorical expenditures.

HHS-HD - RADIOLOGICAL HEALTH

101-3101

PROGRAM DESCRIPTION

The Radiation Control Program protects public health and safety and the environment by regulating sources of ionizing radiation and providing general information concerning ionizing radiation sources. The Radiation Control Program licenses and inspects radioactive material users; registers and inspects X-ray machines statewide; issues certificates of authorization to operate mammography equipment and inspects mammography x-ray machines; educates the public on radon hazards in the home and workplace; licenses and provides oversight of the closed low-level waste disposal site near Beatty, Nevada; coordinates with local counties and other agencies to provide radon training; and conducts statewide radiological emergency response activities. Statutory Authority: NRS 457 and NRS 459.

PROGRAM DESCRIPTION

Child Care Services is responsible for licensing and monitoring child care facilities under the provisions granted in Nevada Revised Statutes (NRS) 432A, Services and Facilities for Care of Children and Nevada Administrative Code (NAC) 432A, Regulations and Standards for Child Care Facilities. Child Care Services has the responsibility for initial licensing, continued monitoring and providing technical assistance to child care facilities caring for five or more children not licensed by local entities. Facilities include child care centers, on-site centers, care for ill children, special needs centers, pre-schools, nurseries for infants and toddlers, accommodation facilities, family care homes, group care homes, institutions and outdoor youth programs. These functions are statewide and jurisdiction includes all rural counties, the incorporated areas of Clark County and designated federal, state and county operated programs for children. All areas of responsibility are also monitored for illegal, unlicensed child care operations with complaints investigated to bring facilities into compliance with state laws by licensing or reducing the number of children in care. Child care training is delivered mainly through contracted services. The policy-making board for Child Care Services adopts Regulations and Standards for Child Care. The Child Care Board consists of five members appointed by the division administrator with the concurrence of the Director of the Department of Health and Human Services. Federal Bureau of Investigation (FBI) background checks are required for all child care providers and facility residents eighteen years of age and older. Licenses are renewed on an annual basis with a minimum of two unannounced surveys conducted during the annual licensing period. The Child Care Board determines license fees for child care facilities.

HHS-HD - CANCER CONTROL REGISTRY

101-3153

PROGRAM DESCRIPTION

The primary purpose of the Statewide Cancer Registry is to collect and maintain a record of reportable cases of cancer in the state. The data is used to evaluate the appropriateness of measures for the prevention and control of cancer and to conduct comprehensive epidemiological surveys of cancer and cancer related deaths. Statutory Authority: NRS 457.

Vital Statistics are an integral part of the public health infrastructure that collects data and provides information used for policy and decision making. This information is often key in the complicated adoption process, establishment of paternities, and, most importantly, the establishment of identities which enable the general population to become eligible to secure benefits and services from both public and private sector agencies. The Office of Vital Records (OVR) issues certified birth and death certificates, maintains and protects all vital records, and processes all legal corrections and amendments to these vital records. OVR participates in the National Vital Statistics System and responds to the data and statistical needs of policy makers, health programs, health care providers, businesses, researchers, media, educational institutions and the public. Statutory Authority: NRS 440

PROGRAM DESCRIPTION

Environmental Health Services (EHS) involves those aspects of public health concerned with the factors, circumstances, and conditions in the environment or surroundings of humans that can exert an influence on health and well-being. The EHS section uses tools such as permitting, management, education, enforcement, consultation, and emergency response for the purpose of prevention of environmental health hazards and the promotion and protection of the public health and the environment in the following areas: food protection; bottled water plants and distributors; cosmetic plants; childcare facilities; public accommodations; recreational vehicle parks; institutional environmental health; land use; recreational swimming areas and waters; solid and liquid waste management; onsite septic systems; water sanitation; and emergency preparedness. All food-borne illness complaints are investigated, as well as truck wrecks and fires that involve food and drugs. Services and public education are provided throughout the state, in a variety of fields including sanitation courses for food service workers and managers. Offices are located in Carson City, Elko, Winnemucca, Ely, Fallon and Las Vegas.

This program assures safe food and healthful public facilities and institutions, creating a foundation of public confidence that encourages economic development. School students are assured a healthful environment in which to focus their educational achievement; visitors are assured of their health and safety, thus encouraged to come to Nevada to take part in gaming and non-gaming business, and tourist-related industries. Statutory Authority: NRS 432A, NRS 439, NRS 445A, NRS 446, NRS 447, NRS 449, NRS 583, and NRS 585.

HHS-HD - EARLY INTERVENTION SERVICES

101-3208

PROGRAM DESCRIPTION

The mission of Nevada's Early Intervention Services is to identify infants and toddlers who are at risk for, or who have, developmental delays; provide services and support to families to meet the individualized developmental needs of their child; and facilitate the child's learning and participation in family and community life through the partnership of families, caregivers and service providers. The Nevada Early Intervention Services has regional sites located in Carson City, Reno, Elko, Las Vegas and Ely. In addition, the program uses General Funds and Part C Individuals with Disabilities Education Act (IDEA) funds for contracted providers such as Easter Seals of Southern Nevada for early intervention services in the greater Clark County region. Statutory Authority: NRS 439.200 and NRS 442.

HHS-HD - IMMUNIZATION PROGRAM

101-3213

PROGRAM DESCRIPTION

The major functions of the Immunization Program are to work with state and county health agencies and the private medical community to promote immunizations among infants, children, and adults; respond to vaccine preventable disease outbreaks; develop and promote maternal and adult immunization education programs; develop and promote the use of a statewide immunization registry; develop state immunization and vaccine preventable disease regulations and laws; provide immunization education to health care professionals and consumers; develop and implement systems to assess immunization levels; conduct immunization audits of county health districts, public health clinics, and private physicians who administer state-supplied vaccines; and prevent the transmission of hepatitis B in Nevada through the Perinatal and Universal Hepatitis B Prevention Programs. Statutory Authority: NRS 439 and 441A.

HHS-HD - WIC FOOD SUPPLEMENT

101-3214

PROGRAM DESCRIPTION

The Special Supplemental Food Program for Women, Infants, and Children, commonly known as WIC, provides nutritious foods to supplement the diets of pregnant, postpartum and breastfeeding women, infants, and children under age five who have limited income and been determined to be at nutritional risk. Participants get food instruments for healthy foods, advice on good nutrition, health screening, information on health care services like immunizations, prenatal care, family planning, and information about other family support services available in their community. Federal Authority: Code of Federal Regulations, Title 7, Chapter II, Part 246, Subparts A through G.

The mission of the HIV/AIDS Section is to work with local health authorities and the general public to prevent and control communicable and sexually transmitted diseases (STD), including HIV, AIDS, chlamydia, syphilis, gonorrhea, and hepatitis in Nevada. The Sexually Transmitted Disease Program, the HIV/AIDS Surveillance Program, and the Hepatitis Program are proposed to be transferred to budget account 3219, Biostatistics and Epidemiology in state fiscal year 2012.

Primary activities of HIV Prevention include: coordination of statewide HIV community planning and the development of an annual comprehensive HIV prevention plan; the provision of training and technical assistance to local health authorities and community-based organizations that offer screening and testing; risk reduction education and counseling, drug treatment, and other community-based wellness activities. Additionally, the HIV Prevention Program is tasked with ensuring that new Center For Disease Control HIV prevention strategies and initiatives are implemented statewide. This ensures that Nevadans are receiving the latest behavioral interventions available.

HOPWA provides housing assistance and supportive services for individuals living with HIV/AIDS. HOPWA funding is utilized to establish, coordinate and develop housing assistance resources or to acquire, maintain or repair facilities. Services are provided through a contract with a community-based organization. Statutory Authority: NRS 441A and NRS 439.

PROGRAM DESCRIPTION

The mission of the Health Care Quality and Compliance (HCQC) Program is to protect the safety and welfare of the public through promotion and advocacy of quality health care through licensing, regulation, enforcement and education. The HCQC evaluates the quality of health care provided to residents/patients of medical facilities, laboratories, and facilities for the dependent. Evaluations are accomplished through on-site inspections during initial, routine and complaint surveys. Facilities are issued a license based on conformance to established regulations. The HCQC also has an agreement with the federal government, Centers for Medicare and Medicaid Services (CMS), to certify certain health facilities in the Medicare/Medicaid reimbursement programs. The BLC also has an agreement with CMS to certify certain laboratories for compliance with the Clinical Laboratory Improvement Amendments (CLIA). The laboratory section also certifies and licenses technical laboratory personnel and laboratory directors throughout the state. The HCQC is responsible for dissemination of health care regulation information and education for the public, providers and governmental agencies.

This budget account includes two of the Bureau's three sections: Health Facilities and Medical Laboratories. Statutory Authority: NRS 449, 455A and 652; Titles XVIII and XIX of the Social Security Act; and Clinical Laboratory Improvement Amendments (CLIA).

HHS-HD - PUBLIC HEALTH PREPAREDNESS PROGRAM

101-3218

PROGRAM DESCRIPTION

This budget includes multiple programs that perform the following activities: preparation for and management/mitigation of the response to public health emergencies caused by naturally-occurring disasters or terrorism; primary care health planning and provider recruitment and retention; and emergency medical systems response. These activities are accomplished through combined health care planning, health care systems, and response efforts of various disciplines across the State of Nevada such as public health, primary care providers, emergency management, community services, the healthcare community, law enforcement etc. To ensure consistency with the National Preparedness Response Framework, all activities and capabilities are being developed to be National Incident Management System (NIMS) compliant.

The purpose of these programs are to improve Nevada's public health infrastructure in order to be better prepared to respond to public health emergencies including natural and manmade disasters and to bring medical resources to the State's Health Professional Shortage Areas. These are critical in protecting the life, health and safety of Nevada's citizens and visitors. Statutory Authority: NRS 414, NRS 439, NRS 439A, NRS 440, NRS 441A, and NRS 442

PROGRAM DESCRIPTION

The Biostatistics and Epidemiology budget account has two primary offices: the Office of Epidemiology (OoE) and the Office of Health Statistics and Surveillance (OHSS). The mission of the OoE is to conduct disease surveillance, investigate disease outbreaks, and initiate disease control activities. To carry out this mission, the OoE records and analyzes reportable disease information; conducts interviews with infected individuals and their contacts; refers individuals for medical treatment; analyzes data from disease investigations; identifies risk factors; provides education and recommendations on disease prevention; and works in conjunction with appropriate agencies to enforce communicable disease laws. The OoE consists of the following programs: HIV/AIDS Surveillance, STD Prevention and Control, Adult Viral Hepatitis, Tuberculosis Elimination and Control, Epidemiology and Laboratory Capacity, Sentinel Events Registry, and Health Care Infection Prevention and Control.

The vision of the OHSS is to play a pivotal role in improving the health of all Nevadans by providing data that makes a difference. The OHSS is a committed and responsive team whose mission is to provide quality, timely, and relevant data and statistics to supportive public health stakeholders. These stakeholders include local health authorities, as well as local, state, and national planning and research bodies. Staff in the OHSS performs data management, quality assurance, analysis, and reporting in a broad spectrum of public health areas. The OHSS includes: Behavioral Risk Factor Surveillance System Program, Birth Outcomes Monitoring System, State Systems Development Initiative, and State Trauma Registry. Staff performs data management, analysis, and reporting for these programs, as well as others, such as: Vital Statistics, Central Cancer Registry, Maternal and Child Health, Oral Health, Newborn Metabolic Screening, and various Reportable Diseases. The OHSS houses many core public health datasets, including inpatient hospital discharge data, births, deaths, fetal deaths, abortions, marriages, and divorces, in addition to those listed above. Common elements between databases enable matching or linking of these databases in order to provide newly accessible and standardized information for analytical and programmatic purposes. Extracted databases derived from each database and linked databases are available for statistical data analysis. Analyses are compiled in a variety of reports, which are posted on the Health Division's website, making the data available for program evaluation and planning and policy development. Statutory Authority: NRS 439, 440, 441A, 442, 450B, and 457.

PROGRAM DESCRIPTION

There are seven long-term programs in this budget account: Preventive Health and Human Services Block Grant, Women's Health Connection, Comprehensive Cancer Control, the Colorectal Cancer Screening Program, Tobacco Prevention and Education, Diabetes Prevention and Control Programs, and Healthy Communities. There are two short-term programs funded for a portion of this biennium through funding provided by the American Reinvestment and Recovery Act (ARRA) of 2009, the ARRA Wellness and Quitline Grants and the Chronic Disease Self-Management Program which is a sub-grant from the Division of Aging and Disability Services with the primary funding received as an ARRA grant. Two programs will be transferred from the Chronic Disease Program in this biennium. The Tuberculosis Control and Elimination Program is being transferred to Biostatistics and Epidemiology, budget account 3219. The State Health Access Program is transferred to Public Health Preparedness, budget account 3218. Statutory Authority: NRS 439.501 through 439.507 and NRS 202.2485 through NRS 202.2497.

HHS-HD - COMMUNITY HEALTH SERVICES

PROGRAM DESCRIPTION

The Community Health Nursing (CHN) Program provides public health services in fourteen of Nevada's rural counties. Eleven of these counties have community health nursing clinics; Elko, Eureka, and Storey Counties have Federally Qualified Health Centers (FQHC) but no CHN clinics. The CHN program provides public health preparedness (PHP) coverage and epidemiology assistance in twelve counties; Lyon and Douglas Counties began receiving their PHP and epidemiology coverage by Carson City Health and Human Services in the fall of 2009. Essential public health nursing services include adult and child immunizations, Early Periodic Screening Diagnosis and Treatment (EPSDT) examinations, including lead testing; additionally family planning, cancer screening, and identification/treatment of communicable diseases such as Tuberculosis (TB), Sexually Transmitted Infections (STI) and Human Immunodeficiency Virus (HIV). Two Community Health Nurses (CHNs) function as the school health nurse in those rural districts without school nurses (Lincoln and Esmeralda Counties).

Meetings are being held with county administrators and county commissioners to base service delivery models on individual community needs. During the 2009 session, SB278 resulted in a study to evaluate the feasibility of establishing a health district in a county whose population is less than 100,000. A committee worked on this study during the interim and recommended to the legislature that due to the current economic environment, the feasibility for pursuing health districts in these frontier and rural counties was not appropriate.

In SFY10, the CHN program started formal relationships with the Nevada Statewide Coalition Partnership through subgrants. The goals of these subgrants are to increase local control over PHP activities and to provide outreach and education to the community so that the CHNs can be in the clinics providing direct services.

In SFY10, the CHN program received federal family planning dollars to expand the practice management system software, Lytec, to purchase LytecMD, an electronic health record program that meets the federal requirements for meaningful use. Once this system is fully operational, the program will be able to capture time and effort, service reports, accounts receivable documentation and reports, and many other useful features to assure the clinics are individually and collectively maximizing their revenue enhancement opportunities.

PROGRAM DESCRIPTION

The Nevada Marijuana Health Registry is a state registry program within the Nevada Department of Health and Human Services, Nevada State Health Division. The role of the program is to administer the provisions of the Medical Use of Marijuana law as approved by the Nevada Legislature and adopted in 2001. Individuals can apply for the registry and, if found eligible, are issued an identification card to show approval for the cultivation and use of the Cannabis plant for personal use, within limitations. Eligibility is determined through physician certification of a qualifying medical condition, acceptable criminal background check, and Nevada residency. Nevada Constitution, Article 4, Section 38. Use of plant of genus Cannabis for medical purposes and NRS 453A, Medical Use of Marijuana.

PROGRAM DESCRIPTION

The Welfare Administration budget account funds the administrative expenses associated with ensuring public assistance programs are administered in accordance with federal and state regulations. This includes providing the necessary support to allow field staff to provide quality, timely and temporary services enabling Nevada families, the disabled, and the elderly to achieve the highest levels of self-sufficiency. This support includes but is not limited to:

- Fulfilling federal reporting requirements
- Development and adoption of state plans and regulations
- Implementation of consistent policies and regulations and issuance of policy manuals
- Conducting federally mandated quality control and management evaluations
- Participation with field and program operations in the development of meaningful business practices
- Development and monitoring of meaningful performance measures consistent with Legislative intent
- Providing personnel support for recruitment, retention, employee development and work performance measurement, as well as compliance with non-discrimination, Americans with Disabilities Act and Family and Medical Leave Act
- Development and implementation of effective organizational training
- Sustaining robust Information Systems (IS) operations, maintenance and enhancements
- Providing meaningful fiscal, statistical, contract and facility oversight
- Conducting timely and objective Administrative Fair Hearings
- Coordination of collaborative partnerships with public, private and non-profit entities to maximize service delivery
- Development of a medical subsidy eligibility system designed to accommodate the provisions of Health Care Reform, as federally mandated by the Affordable Care Act (ACA), in order to implement by January 1, 2014 (Decision Unit E400).

Statutory authority for the Welfare Administration budget account is provided in the Nevada Revised Statutes, Chapter 422A.

ENHANCEMENT

E400 ACCESS TO HEALTH CARE AND HEALTH INSURANCE

This request funds the development and implementation of an eligibility system that will determine individual eligibility for publicly-subsidized health care programs. The eligibility system will be integrated with the Health Insurance Exchange (HIX), the Division of Health Care Financing and Policy (DHCFP) and the Division of Welfare and Supportive Services (DWSS) public assistance health programs as mandated under the Affordable Care Act (ACA). The system will serve to determine eligibility for all publicly-subsidized health coverage programs available through the HIX including Medicaid, Children's Health Insurance Program (CHIP), a Basic Health Program and premium subsidies for commercial insurance. The cost estimate, based on the August 24, 2010 analysis provided by Public Consulting Group, has an approximate margin of error of +/- 25%.

PROGRAM DESCRIPTION

The Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (PRWORA) replaced the entitlement for Aid to Families with Dependent Children (AFDC) with a Temporary Assistance for Needy Families (TANF) block grant covering cash assistance, employment and training activities, and other activities meeting the four goals of TANF:

1. Provide assistance to needy families so children may be cared for in their homes or in the homes of relatives.
2. End the dependence of needy parents on government benefits by promoting job preparation, work and marriage.
3. Prevent and reduce the incidence of out-of wedlock pregnancies.
4. Encourage the formation and maintenance of two-parent families.

Although significantly curtailed by the Deficit Reduction Act of 2005, PRWORA gave Nevada the flexibility to design its own self-sufficiency program to assist recipients in finding and keeping jobs. The program uses elements such as capped funding, work requirements and time limits on program eligibility to limit long-term dependency.

There are currently five different types of TANF benefit programs:

1. New Employees of Nevada (NEON). These are the cash assistance clients.
2. Child Only for households containing no-work eligible individuals.
3. Temporary Program (TEMP) providing short term assistance limited to an episode of need as a result of unforeseen circumstances, which includes a natural disaster such as a flood, earthquake, etc.
4. Self Sufficiency Grant providing a lump sum payment removing specific barriers to employment.
5. TANF Loan Program providing monthly benefits to a family anticipating a future lump sum payment.

TANF is federally funded through a block grant from the Department of Health and Human Services. The annual federal TANF block grant is \$43,917,907 and is anticipated to remain at that level. Due to Nevada's high population growth, the state typically receives a supplemental grant which has remained at \$3,733,532 for the last several years and which has been extended through Federal Fiscal Year 2010. Under the maintenance of effort (MOE) provision in the federal regulations, states are required to contribute money equal to 80% of the amount spent on Aid to Families with Dependent Children (AFDC) and AFDC-related programs during FY 1994. The 80% MOE can be reduced to 75% for each year the work participation rates are met. For Nevada, the total TANF MOE is \$27,188,122 of which \$24,565,852 is in the TANF budget account. The remaining \$2,580,420 is spent in the Child Care budget account (3267), which is counted as MOE for both TANF and Child Care.

The TANF program mandates the state participate in a Child Support Enforcement Program (CSEP) which is funded through budget accounts 3238 CSEP and 3239 Child Support Federal Reimbursement.

Through state fiscal year 2010, portions of the TANF funds were transferred to other divisions within the Department of Health and Human Services (DHHS), Clark County and Washoe County in support of various programs administered by these organizations utilizing TANF eligibility rules and for the intended purpose of TANF funds. The transfers will be eliminated in fiscal year 2012.

Statutory authority: NRS 422A.

E662 PROGRAM REDUCTIONS/REDUCTIONS TO SERVICES

This request eliminates the TANF loan program. The loan program is a monthly financial payment designed to meet a family's needs such as food, shelter, and clothing until an anticipated future source of income is received. The most common benefit recipient is a household with an otherwise work-eligible recipient awaiting receipt of Supplemental Security Income (SSI). This program would otherwise serve an average of 524 families in fiscal year 2012 and 604 in fiscal Year 2013, with an average monthly benefit of \$316.

E690 BUDGET REDUCTIONS

This request uses federal TANF funds in lieu of general fund in state fiscal year 2012 to back-fill the portion of State Maintenance of Effort (MOE) funding that will be deferred until state fiscal year 2013. A similar amount of MOE will be deferred until state fiscal year 2014. 100% of the required state MOE will be expended and reported during federal fiscal year 2012 and federal fiscal year 2013, but will be off-set by one quarter each state fiscal year. It is anticipated that no further deferrals, using same methodology, can be made without impacting the timely payment of cash benefits.

HHS-WELFARE - ASSISTANCE TO AGED AND BLIND

101-3232

PROGRAM DESCRIPTION

The State Supplemental Assistance Program provides an additional payment to low income aged and blind individuals, receiving Supplemental Security Income (SSI); and provides adult group care facilities with a greater supplement to assist recipients in avoiding or delaying institutionalization. The federal government started the SSI program on January 1, 1974. The program is administered by the Social Security Administration (SSA) and states were given the option to make payments in addition to the amount paid by the federal government. Nevada has paid a state supplement to the aged and blind since the start of the program. The prevention of or delay in institutionalization results in cost savings for the Medicaid program. The Division of Welfare and Supportive Services contracts with the SSA to determine eligibility and issue the state supplement. States pay a per check charge for each SSI payment made. The cost per check was \$10.45 in Federal Fiscal Year (FFY) 2010. The state supplement and federal payment are paid monthly to the recipient and combined in one check from the SSA. Statutory authority: Nevada Revised Statutes, Chapter 422A.

HHS-WELFARE - FIELD SERVICES

101-3233

PROGRAM DESCRIPTION

The Field Services budget provides staff salaries and operating expenses for the various programs administered by the Division of Welfare and Supportive Services (DWSS). This budget account primarily consists of Family Services Specialists who determine eligibility for the major program areas which include: Temporary Assistance for Needy Families (TANF), Supplemental Nutrition Assistance Program (SNAP), and various Medicaid programs including medical assistance to the aged, blind and disabled. Family Services Specialists and Social Workers provide employment and support services to assist the needy in overcoming barriers to self-sufficiency.

The Federal Government mandates specific quality and performance measures for eligibility, client support and periodic reviews of client circumstances. The state is subject to penalties in the form of grant reductions for non-compliance with the performance measures. If penalized, the state is required to replace the grant reductions with General Fund monies restoring the available program funding to the pre-penalty level. Additionally, program integrity and fraud protection is an integral part of Field Service responsibility.

Field Services is required to provide service and appropriate eligibility to anyone seeking access to DWSS administered programs. All requests are provided a consistent level of quality service. In state fiscal year 2010, composite caseload grew by 12.4% over budgeted planned growth. Over the next biennium, composite caseload is projected to increase 34% over state fiscal year 2010.

Statutory authority for the Field Services budget account is provided in the Nevada Revised Statutes, Chapter 422A.

HHS-WELFARE - CHILD SUPPORT ENFORCEMENT PROGRAM

101-3238

PROGRAM DESCRIPTION

The mission of the Child Support Enforcement Program (CSEP) is to help strengthen families and reduce welfare dependency by ensuring parents live up to the responsibility of supporting their children.

CSEP promotes the well-being of children, strengthens families, and reduces the demand on public treasuries by securing support from legally responsible parents in conjunction with the TANF mandates for the state to participate in CSEP.

In Nevada, this program is administered by the Department of Welfare and Supportive Services (DWSS) and jointly operated with participating county district attorneys' offices through cooperative agreements. CSEP provides five basic services:

- 1) Location of absent parents;
- 2) Establishment of parentage;
- 3) Establishment of child support and medical support orders;
- 4) Enforcement of child support and medical support orders;
- 5) Collection and disbursement of child support and medical support payments.

Funding is matched 34% by the state and county and 66% by the Federal Child Support Enforcement Grant. The 34% state share is funded through State Share of Collections (SSC). The SSC is the amount of TANF dollars allowed to be retained by the state according to federal rules, which are collected through assigned child support payments.

Statutory Authority: Nevada Revised Statutes Chapter 425.

HHS-WELFARE - CHILD SUPPORT FEDERAL REIMBURSEMENT

101-3239

PROGRAM DESCRIPTION

The Child Support Federal Reimbursement budget account is used to pass through federal payments to participating district attorneys' offices for the federal share of costs and incentive payments associated with their local child support enforcement programs. Currently 10 of the 17 Nevada district attorneys participate in the program under contract to provide intake, location of non-custodial parents, paternity establishment, financial and medical support order establishment and other enforcement activities. The Child Support Federal Reimbursement budget account was created in the 1999 budget process to separate the child support program's state administrative costs (Child Support Enforcement Program, budget account 3238) from the pass-through of federal funds to the local district attorneys.

Statutory Authority: Nevada Revised Statutes Chapter 425.

BASE

This request continues the pass through of federal payments to local district attorney offices and incentive payments associated with local child support enforcement programs. This request also continues funding for the federal share of unclaimed property distributions.

HHS-WELFARE - CHILD ASSISTANCE AND DEVELOPMENT

101-3267

PROGRAM DESCRIPTION

The Child Care Assistance and Development Program (CCDP) provides assistance to Nevada's low-income families in paying for their child care needs. These services assist people to become and remain self-sufficient, thereby reducing long-term dependency and the associated expenditures to public assistance programs.

The CCDP is administered by the Division of Welfare and Supportive Services with service delivery accomplished by Children's Cabinet in northern Nevada and Urban League in southern Nevada. The Child Care and Development Block Grant (CCDBG) funds the following child care programs:

- 1) New Employees of Nevada (NEON) program child care services are provided to current Temporary Assistance to Needy Families (TANF) clients who are participating in various NEON components such as orientation, education and vocational training, employment seeking and work participation;
- 2) At-Risk category funds child care payments for non-TANF clients who are income eligible for TANF;
- 3) Discretionary category funds child care and related payments for non-TANF eligible clients.

Portions of the Child Care and Development Program funds are transferred within the Nevada Department of Health and Human Services (DHHS) in support of various child care related programs administered by other DHHS divisions.

Statutory authority: Nevada Revised Statutes, Chapter 422A.

HHS-WELFARE - ENERGY ASSISTANCE PROGRAM

101-4862

PROGRAM DESCRIPTION

The mission of the Energy Assistance Program (EAP), formerly known as Low Income Home Energy Assistance (LIHEA), is to assist eligible Nevada citizens in meeting their heating and cooling needs.

The EAP provides payments for eligible households, which can be applied to either the heating provider, the cooling provider, or split between the two. In addition, the EAP program provides arrearage assistance to eligible households affording them the opportunity to use their annual EAP benefit allotment as a subsidy to meet monthly heating/cooling costs. EAP payment funding is provided by the Low Income Home Energy Assistance block grant and through the Fund for Energy Assistance and Conservation (budget account 6031), which was created as a result of legislation approved during the 2001 Legislative Session to collect a Universal Energy Charge (UEC) from certain electric/gas utilities.

Statutory authority: Nevada Revised Statutes, Chapters 422A and 702.

HHS-MHDS - ALCOHOL TAX PROGRAM

101-3255

PROGRAM DESCRIPTION

The mission of the Alcohol Tax Program is to treat alcohol addiction in Nevada. Nevada Revised Statute (NRS) 369.174 states that the tax in excess of \$3.45 per wine gallon on liquor containing more than twenty-two percent of alcohol by volume will be transferred to this budget account. NRS 458.097 states that this money will be used to increase services for the prevention of alcohol and drug abuse through detoxification and rehabilitation services.

BASE

This request continues funding for operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-MHDS - FAMILY PRESERVATION PROGRAM

101-3166

PROGRAM DESCRIPTION

The Family Preservation Program (FPP) provides financial assistance on a monthly basis to low-income families residing in Nevada who are providing care in their home for family members with profound or severe mental retardation. Also covered are children under six years of age who have developmental delays that require support equivalent to that required by a person with profound or severe mental retardation or a related condition. The purpose of this assistance is to help offset expenses necessary to meet the special needs of the person with mental retardation and to help strengthen and support families, thereby keeping families intact and reducing the need for out-of-home placement. Families use assistance payments to obtain specialized supplies or equipment (wheelchairs, clothing, diapers, therapy services, special diets, transportation services) and general income supplementation. Statutory Authority NRS 435.365.

HHS-MHDS - DESERT REGIONAL CENTER

101-3279

PROGRAM DESCRIPTION

Desert Regional Center operates a full-service Developmental Disabilities Center that provides or purchases services for people with developmental disabilities and related conditions and their families. The center serves Southern Nevada counties including Clark, and parts of Nye and Lincoln counties. Desert Regional Center's goals are community inclusion, greater self-sufficiency and productivity. Most services are funded by Medicaid Title XIX through the Home and Community Based (HCBS) Waiver and Targeted Case Management. Services purchased or provided include: service coordination, family supports, residential supports, jobs and day training, and quality assurance. Statutory Authority: NRS 433 and 435.

HHS-MHDS - RURAL REGIONAL CENTER

101-3167

PROGRAM DESCRIPTION

The Rural Regional Center operates six Developmental Services Centers that provide or purchase services for people with developmental disabilities and related conditions and their families. The centers serve Nevada counties with the exception of Washoe, Clark, and parts of Nye, Lincoln and Esmeralda. Rural Regional Center's goals are community inclusion, greater self-sufficiency and productivity. Most services are funded by Medicaid Title XIX through the Home and Community Based Waiver and Targeted Case Management. Services purchased or provided include: service coordination, crisis prevention and intervention, family supports, residential supports, jobs and day training, and quality assurance. Statutory Authority: NRS 433 and 435.

HHS-MHDS - FACILITY FOR THE MENTAL OFFENDER

101-3645

PROGRAM DESCRIPTION

The mission of the Lake's Crossing Center facility is to provide statewide forensic mental health services in a secure setting to mentally disordered offenders who are referred from the court system so their competency can be restored and they can be referred back to the court system to stand trial. Lake's Crossing Center also treats very difficult to manage patients from other facilities in the state until they can return to a less restrictive setting, as well as clients acquitted, as not guilty by reason of insanity; and dangerous, unrestorable clients. Statutory Authority: NRS 175, 178 and 433.

ENHANCEMENT

E325 DELIVER PUBLIC SERVICES DIRECTLY AND EFFICIENTLY

This request supports the priorities outlined in the Nevada State Plan for Childrens Mental Health developed by the Commission on Mental Health and Developmental Services pursuant to NRS 433.317. Priorities include restructuring the state system governance, to include the establishment of a Childrens Behavioral Health Policy and Accountability Board with responsibilities to recommend policies, regulations and standards of practice to the Commission and to support the work of the three regional consortia. A bill draft request has been submitted to support the request.

HHS-DCFS - VICTIMS OF DOMESTIC VIOLENCE

101-3181

PROGRAM DESCRIPTION

The Victims of Domestic Violence program awards grants to non-profit entities statewide to provide direct services to victims of domestic violence and sexual assault. Services include shelter, crisis phone access, emergency assistance, advocacy, hospital accompaniment, and counseling. Viable programs are sustained in all seventeen Nevada counties with trained staff and volunteers. The Division of Child and Family Services has responsibility for monitoring domestic violence programs to ensure compliance with NRS 217.400 through 217.460 for granting funds from the domestic violence account, maintaining financial records, and evaluating services provided. Funding for this program comes from marriage license fees. The Victims of Domestic Violence account was established for the purpose of managing these funds. Statutory Authority: NRS Chapter 217.

PROGRAM DESCRIPTION

Information Management Services (IMS) is the unit within the Division of Child and Family Services (DCFS) that supports the division in its technological needs. IMS maintains two major computer applications: Unified Nevada Information Technology for Youth (UNITY) and Avatar.

UNITY is the Nevada-specific acronym for the federally mandated Statewide Automated Child Welfare Information System (SACWIS). The UNITY application became fully operational statewide in September, 2003. Child Welfare agencies nationwide are required to submit adoption and foster care information electronically to the Administration for Children and Families as per Public Law 103-66 (Omnibus Reconciliation Act). Child protective services intake and case management has been fully automated to ensure timely and accurate communications between state and county entities.

Avatar is the Health Insurance Portability and Accountability Act (HIPAA) compliant case management and billing system that supports children's mental health. It has been operational since August 2005.

In addition to maintaining these two applications, IMS provides helpdesk support and application training to all three Nevada Child Welfare Agencies (DCFS, Clark County Department of Family Services and Washoe County Department of Social Services); and network, and desktop computer support for DCFS.

HHS-DCFS - WASHOE COUNTY INTEGRATION

101-3141

PROGRAM DESCRIPTION

The Washoe County Integration budget account was established to pass-through funding to Washoe County to support child welfare services transferred to the county as a part of Child Welfare Integration. This budget supports child welfare services including substitute care, foster care licensing services, adoption services, Interstate Compact on the Placement of Children (ICPC) program, and intensive family services.

Statutory Authority: AB1, 17th Special Legislative Session

E699 BUDGET REDUCTIONS

This request proposes an annual capped block grant to Washoe County to support child welfare services. As a part of the block grant, the county would be required to submit an agency improvement plan to the division in January of odd number years that includes: performance targets to improve the safety, permanency and well being outcomes for abused and neglected children in their county; the baseline data used to inform the performance targets, including a description of the process they used to solicit public input; and strategies to achieve the performance targets.

Also included is funding to support a fiscal incentive program designed to stimulate and support improvement in key areas identified in the agency improvement plan. In order to access incentive funding, the counties would be required to submit an application targeting defined improvement goals, resources needed to achieve the goals, establish baseline data and stretch goals they believe they could achieve within a one year period. A bill draft request has been submitted to support this request.

E680 NEW REVENUE OR EXPENDITURE OFFSETS

This request adds Title XIX Medicaid as a source of revenue to Clark County based on their recent efforts to maximize federal revenues. Title XIX supports targeted case management services provided to assist the child and families in gaining access to needed medical, educational, social and other support services which have historically have been funded by the General Fund appropriations.

E699 BUDGET REDUCTIONS

This request proposes an annual capped block grant to Clark County to support child welfare services. As a part of the block grant, the county would be required to submit an agency improvement plan to the Division in January of odd number years that includes: performance targets to improve the safety, permanency and well being outcomes for abused and neglected children in their county; the baseline data used to inform the performance targets, including a description of the process they used to solicit public input; and strategies to achieve the performance targets.

Also included is funding to support a fiscal incentive program designed to stimulate and support improvement in key areas identified in the agency improvement plan. In order to access incentive funding, the counties would be required to submit an application targeting defined improvement goals, resources needed to achieve the goals, establish baseline data and stretch goals they believe they could achieve within a one year period. A bill draft request has been submitted to support this request.

E699 BUDGET REDUCTIONS

This request assesses rural counties for the cost of child protective services currently funded with General Fund appropriations. Requiring rural counties to fund these services directly is consistent with the current practice in Clark and Washoe Counties. A bill draft request has been submitted to support this request. This request relates to item number six in the Reforms to State Government Functions section of the final report of the Legislative Committee for the Fundamental review of Base Budgets of State Agencies as presented to the Interim Finance Committee on December 17, 2010.

HHS-DCFS - CHILD WELFARE TRUST

645-3242

PROGRAM DESCRIPTION

The Child Welfare Trust Fund account was established pursuant to NRS 432.037 to receive benefits for survivors or other awards payable to children receiving child welfare services in a county whose population is less than 100,000, which must be deposited in the State Treasury for credit to the fund including Social Security and Supplemental Security Income. The division maintains a separate account for each child who receives money and deducts from the account any services to the child provided by public money. Surplus balances are distributed in accordance with guidance from the entity the funds were received. Interest accrued is credited to the budget account by the Treasurer's Office and then credited to each child's separate account maintained in the Trust Fund for Child Welfare at the end of each interest period.

BASE

This request continues funding for cost of care for children eligible for Social Security benefits. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-DCFS - TRANSITION FROM FOSTER CARE

606-3250

PROGRAM DESCRIPTION

The Transition from Foster Care budget account assists persons who turn eighteen while in foster care in Nevada transition from foster care to economic self-sufficiency. Assembly Bill 94 of the 2001 Legislative Session authorized the collection of a \$1 fee for recording a document, instrument, notice, deed or other writing to be used to assist persons formerly in foster care. Funds may be (a) disbursed on behalf of qualifying persons on the basis of need to obtain goods and services, including: job training, housing assistance, and medical insurance; (b) granted to non-profit community organizations; or (c) expended to provide matching money required as a condition of a federal grant. Money in this budget account at the end of any fiscal year remains in the account and does not revert to any other fund, but is balanced forward into the next fiscal year.

HHS-DCFS - REVIEW OF DEATH OF CHILDREN

101-3251

PROGRAM DESCRIPTION

The Child Death Review account supports statewide child death review activities by the mandated Administrative Team and the Executive Committee to Review the Death of Children. The activities of the child death review committees include the development of statewide protocols; training and multidisciplinary teams; the compilation of child death statistics; and an annual report of recommendations on improving the laws, regulations and policies related to child death review. The Committee to Review the Death of Children is comprised of an Executive Committee which consists of eleven representatives and an Administrative Team currently consisting of nine representatives from state and local government agencies throughout Nevada which provide child welfare services and agencies that are responsible for vital statistics, public health, mental health and public safety. Statutory Authority: NRS 432B.403 through NRS 432B.409

HHS-DCFS - COMMUNITY JUVENILE JUSTICE PROGRAMS

101-1383

PROGRAM DESCRIPTION

The Juvenile Justice Program sub-grants funds to local units of government and private agencies for the administration of programs including: removing of juveniles from adult jails; de-institutionalization of status offenders; programs addressing the reduction of disproportionate incarceration of minority offenders; special programs for Native American youth; enforcing underage drinking laws; and community-based delinquency prevention programs.

This budget account supports two positions: The Social Services Chief performs compliance and monitoring of jails and lockups; provides Legislative support on Juvenile Justice Bills; serves as Nevada's Juvenile Justice Specialist; provides active support of the Juvenile Justice Commission; prepares monitoring and performance reports for the various grant programs; Grants Management System (GMS) reporting on the Office of Juvenile Justice and Delinquency Prevention (OJJDP) web site; and implementation of contracts. The Administrative Assistant supports the Juvenile Justice Commission, the Juvenile Justice Program Office (JJPO), and maintains grant files.

Statutory Authority: NRS Chapter 62 and the Federal Juvenile Justice Act.

HHS-DCFS - YOUTH ALTERNATIVE PLACEMENT

101-3147

PROGRAM DESCRIPTION

The Youth Alternative Placement budget account was established to provide financial support to each regional facility for the detention of children who have been adjudicated delinquent by Nevada courts. There are three regional facilities; two are located in Douglas County (China Springs Youth Camp and Aurora Pines Youth Camp), and one is located in Clark County (Spring Mountain Youth Camp).

The China Spring Youth Camp/Aurora Pines Girls Facility is dedicated to helping approximately 40 male and 16 female, mid-level offenders between the ages of 12 and 18 develop skills, knowledge and experience to promote health and resiliency, arrest progression of problems caused by delinquent behavior and interpret and avoid high risk behavior patterns in an emotionally safe, comforting, challenging, and nurturing environment. The facility provides structure and programs to assist juvenile offenders to overcome their delinquent behavior, as well as opportunities to correct thinking errors, practice positive new social skills and facilitate reintegration into the family and community.

The Spring Mountain Youth Camp, and its community-based program, provides residential treatment for approximately 112 youth between the ages of 12 and 18. The programs at Spring Mountain Youth Camp provide for therapeutic, educational, social, medical, and recreational needs. Counseling and therapy are provided to the youth as needed through Clark County's psychological services. Aftercare services are provided by a team that includes probation officers and a mental health therapist who begin contact with youth prior to placement and continues through completion of probation. This program operates in cooperation with, and is supported, by local law enforcement agencies, the Clark County School District, and various state agencies. Statutory Authority: NRS 62B.150

HHS-DCFS - JUVENILE CORRECTIONAL FACILITY

101-3148

PROGRAM DESCRIPTION

Summit View Youth Correctional Center (SVYCC) was a maximum-security youth correctional facility with a maximum capacity of ninety-six beds that provided programming and services to male juvenile offenders located near the Las Vegas urban center. During the 2010 Special Legislative Session, this facility was closed due to budget reductions. Youth were transferred to the Nevada Youth Training Center in Elko, paroled to the Youth Parole Bureau, or transferred to local jurisdictions. This budget requests funding for a part-time Facility Supervisor and associated position costs, service contracts, utilities, and debt service expense required for the maintenance and security of the closed facility until the property is sold or leased. Statutory Authority: NRS Chapter 63

HHS-DCFS - CALIENTE YOUTH CENTER

101-3179

PROGRAM DESCRIPTION

The Caliente Youth Center (CYC) is a staff secure, co-educational juvenile residential facility located 150 miles north of Las Vegas on the east side of U.S. Highway 93, in Caliente, Nevada. There are seven housing units situated on thirty-five acres with a maximum capacity of 140 youth in residence. Caliente Youth Center serves male and female clients between the ages of twelve and eighteen years of age. Caliente Youth Center is authorized and governed by NRS Chapter 63 State Facilities for Detention of Children and those applicable statutes contained within NRS Chapter 62A Juvenile Justice General Provisions. The programming at CYC addresses delinquent youth who also may have been victims of abuse, abandonment, and neglect, working closely with both public and private agencies in accomplishing goals. Staff from CYC coordinate with the Nevada Youth Parole Bureau and the Interstate Compact on Juveniles to ensure that the youth receive the best possible aftercare services once they are released from CYC's jurisdiction. Youth who apply themselves to reach their goals in the shortest amount of time possible typically achieve parole release within six to seven months. Statutory Authority: NRS Chapter 63

PROGRAM DESCRIPTION

The Nevada Youth Training Center (NYTC) is a 160-bed residential juvenile correctional facility serving male youths between the ages of twelve and eighteen who are committed by the state's district courts for correctional care. The facility is located in Elko, Nevada and operates a junior/senior high school program offering required and elective academic subjects, remedial programs (reading, math, language), special education, vocational education, and interscholastic activities. Youth also receive counseling, conducted individually or in small and large groups, monthly treatment team meetings, and substance abuse counseling. Youth who apply themselves to reach their goals in the shortest amount of time possible typically achieve parole release within six to seven months. Statutory Authority: NRS Chapter 63

ENHANCEMENT

E326 DELIVER PUBLIC SERVICES DIRECTLY AND EFFICIENTLY

This request reflects the net savings from the closure of two living units (sixty beds) and associated costs. Additionally, one of the remaining twenty-bed units is converting to an intensive supervision unit; the remaining three units will house ninety youth bringing the total capacity to 110. This results in an elimination of four Group Supervisor positions. This request is a companion with E326 in Community Juvenile Justice Program, budget account 1383.

HHS-DCFS - YOUTH PAROLE SERVICES

101-3263

PROGRAM DESCRIPTION

Youth Parole Services provides supervision and case management services to delinquent youth committed to the Division of Child and Family Services (DCFS) Youth Correctional Services. Caseloads consist of: delinquent youth committed to state youth institutions; youth on parole from such institutions; youth referred to Nevada for parole supervision from other states through the Interstate Compact on Juveniles (NRS 62I); youth committed to DCFS who require both correctional and mental health residential treatment; and youth under the age of twelve who are committed to DCFS for correctional care, but who cannot by law be placed in an institutional setting.

Parole aftercare services are provided to youth through a continuum of services starting with client and family assessment, institutional visitation and pre-release parole planning with youth while the youth are in the state youth correctional facilities. Based on these contacts, youth are provided with a reputable placement and appropriate parole programming. Youth unable to return to parents or guardians are provided residential care through division contracts for foster care, group care, and residential treatment programs. While on parole, each youth is supervised to ensure compliance with conditions of parole and state and local laws. Counseling and guidance is provided to facilitate the youth's successful participation in an educational and/or vocational program. Through day treatment classes and individual and group counseling, Youth Parole counselors assist parolees in the development of competencies in their personal lives. Issues of anger control, substance abuse, gender specific issues, gang membership, impulse control, social skills and decision-making are addressed on an individual basis. Youth Parole Services operates the Interstate Compact on Juveniles which regulates the transfer of juvenile probation and parole supervision across state boundaries and is charged with arranging the return of delinquent runaways on demand. Statutory Authority: NRS Chapters 62, 62I, and 63

HHS-DCFS - WRAPAROUND IN NEVADA

101-3278

PROGRAM DESCRIPTION

Wraparound in Nevada for Children and Families (WIN) provides intensive clinical case management for youth with severe emotional disturbances in the custody of a public welfare agency. Youth served are ages six through seventeen and may serve those beyond eighteen if they are still in custody. These behaviorally challenged youth come from families who struggle with complex personal challenges in addition to difficulties keeping their children safe and free from harm. Mental health care for these youth is essential to the success of achieving permanent homes. The wraparound model is a research-based model that has been submitted to Substance Abuse and Mental Health Services Administration for official designation as an evidence-based practice that achieves positive outcomes for youth. Statutory Authority: NRS Chapters 433, 433A and 433B

PROGRAM DESCRIPTION

Northern Nevada Child and Adolescent Services (NNCAS) provides assessment, care coordination, and a comprehensive continuum of mental health care services for emotionally disturbed children and adolescents from birth through eighteen years of age in accordance with NRS 433B. Children served are uninsured, under-insured or fee-for-service Medicaid recipients. Services are provided in a community-based center. NNCAS center services include early childhood mental health services and outpatient mental health services providing individual, group and family therapies, intensive targeted case management and early childhood day treatment. Residential services are provided at selected sites and include the Family Learning Homes and the Adolescent Treatment Center. Psychiatric services are provided for children in early childhood mental health, outpatient and residential services. Services are provided in strengths-based, individualized processes that respect and value the family's decision-making and culture. The goal for every child is to provide services within the least restrictive environment and support remaining in or returning to family care with the support of community-based services. Statutory Authority: NRS 433, 433A and 433B.

PROGRAM DESCRIPTION

Southern Nevada Child and Adolescent Services (SNCAS) provides assessment, care coordination and a comprehensive continuum of mental health care services for emotionally disturbed children and adolescents from birth through eighteen years of age in accordance with NRS 433B. Children served are uninsured, under-insured or fee-for-service Medicaid recipients. Services are provided in five Neighborhood Family Service Centers. SNCAS center services are both office and home-based and include early childhood mental health services and outpatient children's clinical services providing individual, group and family therapies, intensive clinical case management and early childhood day treatment. Intensive clinical case management services through the Wraparound in Nevada Program (WIN), budget account 3278, are also provided from the five centers. Residential services are provided at the West Charleston campus and include the Oasis On-Campus Treatment Homes which provides intensive treatment home services and Desert Willow Treatment Center which provide inpatient acute psychiatric and residential treatment center services. Psychiatric services are provided for children in early childhood mental health, outpatient and residential services. Services are provided in strength-based, individualized processes that respect and value the family's decision-making and culture. The goal for every child is to provide services within the least restrictive environment and support remaining in or returning to family care with the support of community-based services. Statutory Authority: NRS Chapters 433, 433A and 433B

E326 DELIVER PUBLIC SERVICES DIRECTLY AND EFFICIENTLY

This request funds an increasing number of uninsured youth served in southern Nevada. Due to the backup of children in emergency rooms who need acute hospitalization and have no insurance/payment resources, contracts will be developed with private hospitals to provide acute care for these youth. At the current rate of \$ 700.00 per day, this contract amount will be expended quickly for hospitalizations when Desert Willow Treatment Center is full.

PROGRAM DESCRIPTION

The Department of Employment, Training, and Rehabilitation's (DETR) Information Development and Processing Division (IDP) provides data processing and information technology (IT) support services throughout the department. The division oversees Nevada's workforce and rehabilitation information systems. These systems consist of automated business applications, online web services, and underlying technology infrastructure that supports Nevada's employers and job seekers. IDP ensures high levels of system availability and performance for each of DETR's administered programs. The division is organized into three primary functional areas: Information Systems Applications and Customer Support Services (ISACS), Technical Services (TS), and Special Project and Quality Assurance (SPQA) Services.

PERFORMANCE INDICATORS		PROJECTED FY 2010	ACTUAL FY 2010	PROJECTED FY 2011	PROJECTED FY 2012	PROJECTED FY 2013

PROGRAM DESCRIPTION

The mission of the Research and Analysis Bureau (R&A) is to provide reliable and timely labor market and economic information and analyses. In partnership with the U.S. Department of Labor, R&A is responsible for the collection, development and dissemination of a variety of information such as labor force, employment, occupational, economic and demographic data and analyses important to policymakers, the business community, and Nevada citizens. In addition, R&A provides analytical services and products designed to support the programs administered by the department and state and local workforce investment boards. R&A is also responsible for maintaining and marketing the Nevada Career Information System, which provides a comprehensive source of occupational and career information for all Nevadans, as well as a variety of specific user groups, such as the state's school districts and the Nevada JobConnect System.

DETR - EQUAL RIGHTS COMMISSION

101-2580

PROGRAM DESCRIPTION

The mission of the Nevada Equal Rights Commission (NERC) is to protect the rights of all persons to seek, obtain and maintain employment, housing, and to access services in places of public accommodation without discrimination, distinction, exclusion or restriction, as prohibited by state and federal law. The Nevada Equal Rights Commission oversees the state's equal employment opportunity program, handling employment discrimination complaints relating to race, national origin, color, creed/religion, sex (gender and/or orientation), age (over 40), and disability. NERC works with the federal Equal Employment Opportunity Commission to investigate and bring suit for complaints of discrimination. NERC also has jurisdiction in Nevada over discrimination in housing and public accommodations. Statutory Authority: NRS 233.

DETR - DISABILITY ADJUDICATION

101-3269

PROGRAM DESCRIPTION

The mission of the Bureau of Disability Adjudication (BDA) is to provide quality, timely, professional disability decisions to individuals in Nevada who claim benefits under the Social Security disability programs. The bureau of Disability Adjudication is 100 percent federally funded by the Social Security Administration and administered by the Rehabilitation Division of the Department of Employment, Training and Rehabilitation. The Bureau is responsible for processing all applications for disability benefits under the Social Security Disability Income (SSDI) and Supplemental Security Income (SSI) disability programs and for conducting evidentiary hearings for those disability beneficiaries who are recommended for benefit termination.

ENHANCEMENT

E250 ECONOMIC WORKING ENVIRONMENT

This request funds outside medical and psychological examinations, claimant travel to examinations, and other expenses directly related to conducting disability determinations. These costs increase each year primarily in the medical review and assessment area. The projected costs are calculated by multiplying the cost for each general ledger amount by the projected percentage of increases for fiscal year 2011, 2012 and 2013.

E325 DELIVER PUBLIC SERVICES DIRECTLY AND EFFICIENTLY

This request funds strategic planning costs to expand the scope of a vendor contract to conduct a comprehensive annual "consumer satisfaction survey". Additionally, the Nevada State Rehabilitation Council (NSRC) will contract with a vendor to perform a "needs assessment" to meet the federal requirement to determine the level of services needed by individuals with disabilities to live and/or work independently. This decision unit also requests funding for strategic planning activities. Related salary and operating costs of the Chief of the Office of Disability Employment Policy (ODEP) are charged to Rehabilitation Administration, budget account 3268.

E326 DELIVER PUBLIC SERVICES DIRECTLY AND EFFICIENTLY

This request relocates the Nevada JobConnect office at 19 South Water Street in Henderson to a location to be determined in state fiscal year 2012. The current location does not provide adequate parking and access according to the Americans with Disabilities Act (ADA) standards. A new site must be identified since the ADA deficiencies do not allow for adequate access by clients or employees who may have disabilities.

DETR - SERVICES TO THE BLIND & VISUALLY IMPAIRED

101-3254

PROGRAM DESCRIPTION

The mission of the Bureau of Services to the Blind and Visually Impaired (BSBVI) is to provide information and services needed to improve the ability of visually impaired individuals to become independent, productive and, when appropriate, employed. The BSBVI provides a full range of services to persons who are blind, deaf/blind or severely visually impaired under the authorities of the Rehabilitation Act of 1973, as amended, and NRS 426. The bureau administers an array of vocational rehabilitation, independent living, life skills training, recreation therapy and low vision programs. Statutory Authority: NRS 426; Public Law 105-205 Title IV, Subtitle I and Subtitle VII, Chapter 2; The Social Security Act, Section 222 (d) and 1615.

E325 DELIVER PUBLIC SERVICES DIRECTLY AND EFFICIENTLY

This request relocates the Nevada JobConnect office at 19 South Water Street in Henderson to a location to be determined in state fiscal year 2012. The current location does not provide adequate parking and access according to the Americans with Disabilities Act (ADA) standards. A new site must be identified since the ADA deficiencies do not allow for adequate access by clients or employees who may have disabilities.

DETR - BLIND BUSINESS ENTERPRISE PROGRAM

101-3253

PROGRAM DESCRIPTION

The mission of the Blind Business Enterprise of Nevada Program, commonly referred to as BEN, is to provide information, assessment, training and placement of blind individuals in vending and business opportunities in public buildings. The Bureau of Services to the Blind and Visually Impaired (BSBVI) administers the business enterprise account for the blind (a non-reverting fund) under the authority of the Randolph-Sheppard Act amendments of 1974, NRS 426 and NAC 426. The primary source of revenue for this fund consists of a percentage of net profits from blind operators of vending facilities that are licensed by BSBVI. These facilities are located in federal, state and municipal buildings statewide. Statutory Authority: NRS 426, Randolph-Sheppard Vending Stand Act Amendments of 1974.

E326 DELIVER PUBLIC SERVICES DIRECTLY AND EFFICIENTLY

This request funds relocation of the Nevada JobConnect office at 19 South Water Street in Henderson to a location to be determined in state fiscal year 2012. The current location does not provide adequate parking and access according to the Americans with Disabilities Act (ADA) standards. A new site must be identified since the ADA deficiencies do not allow for adequate access by clients or employees who may have disabilities.

E326 DELIVER PUBLIC SERVICES DIRECTLY AND EFFICIENTLY

This request relocates the Nevada JobConnect office at 19 South Water Street in Henderson to a location to be determined in state fiscal year 2012. The current location does not provide adequate parking and access according to the Americans with Disabilities Act (ADA) standards. A new site must be identified since the ADA deficiencies do not allow for adequate access by clients or employees who may have disabilities.

DETR - EMPLOYMENT SECURITY - SPECIAL FUND**235-4771****PROGRAM DESCRIPTION**

The Employment Security Fund is created as a special revenue fund to cover expenditures for which federal funds have been requested but not yet received, and covers costs to administer employment security laws that may not be charged against federal grants. The revenue sources for this fund are interest and forfeitures collected from employers for non or late payment of unemployment taxes. All monies in the fund are continuously available to the administrator and do not lapse at any time. The division uses the fund to support and maintain agency-owned buildings and pay for technological enhancements to programs for which federal funds are not available. Statutory Authority: NRS 612.615

BASE

This request funds continued maintenance of agency-owned buildings, contract services, and technological enhancements to programs for which federal funds are not available. One-time expenditures have been eliminated and partial year expenditures have been annualized.

PROGRAM DESCRIPTION

The Nevada Department of Corrections' (NDOC) mission is to protect the public by confining convicted felons according to the law, while keeping staff and inmates safe. Our philosophy is to pursue our mission with integrity, act in a professional and ethical manner, be responsible for our actions, and raise the department to the highest standards. The NDOC provides professional staff to protect the community and provides opportunities for offenders to successfully re-enter the community through education, training, treatment, work, and spiritual development; and at the same time is sensitive to the rights and needs of victims. Major tasks of the Director's Office include long-range planning, classification of inmates, inmate records, transportation of inmates, investigations, information services, food services, plant operations, safety and health assurance, accounting, fiscal and personnel services, training, contract services, and procurement. Statutory Authority: NRS 209 and the Nevada Constitution Article 5, Section 21.

NDOC - PRISON MEDICAL CARE

101-3706

PROGRAM DESCRIPTION

The mission of the Medical Division of the Nevada Department of Corrections (NDOC) is to provide quality, constitutionally mandated health care using an efficient system of managed care that is professional, humane, and appropriate. Inmate health care is comprised of medical, dental, and clinical mental health care. To fulfill its mission, the Medical Division operates infirmaries or clinics at all NDOC institutions. The major medical facility for the department is the Regional Medical Facility (RMF), integrated into the operation and perimeter of the Northern Nevada Correctional Center (NNCC), providing inpatient medical care for serious medical ailments, surgical aftercare, inpatient mental health care, structured living unit for mental health patients after discharge from inpatient services, and long term care for fragile, aging, and disabled inmates. Mental health extended care is also provided at High Desert State Prison. The camps, Restitution Center and Transitional Housing Center obtain medical services from institutions specifically assigned to support them. In fiscal year 2003, the Medical Division resumed the provision of health care services for Ely State Prison (ESP) and in fiscal year 2005 resumed the provision of health care services for Florence McClure Women's Correctional Facility (FMWCC) from two different private health care contractors. In fiscal year 2004, inmate programming was moved from the Medical Division and organized into a separate Programs Division, budget account 3711, which was funded by the Legislature. The Medical Division is not NCCHC (National Commission on Correctional Health Care) accredited; however, NCCHC standards are used as a guideline for policy and procedure development.

PROGRAM DESCRIPTION

In 2003, the Nevada Legislature approved a reorganization of existing staff positions to form the Nevada Department of Corrections' (NDOC) Programs Division. The division provides psycho-educational programs, substance abuse treatment, religious services, vocational training, counseling and therapy for the general population (i.e., out-patient mental health), educational liaison, re-entry and transitional services, special "needs" programs (for youth, the elderly, etc.) and intake assessments. The Correctional Programs Division professional staff includes counselors, psychologists, social workers, chaplains, program officers, caseworkers, and support staff. The division's inmate programs are funded in part by grants obtained by the NDOC or by partnerships with community organizations that obtain the grants and bring services to Nevada's inmates. Statutory Authority: NRS 209.4887.

NDOC - ELY STATE PRISON
101-3751

PROGRAM DESCRIPTION

Ely State Prison (ESP) is located approximately nine miles north of Ely and is a maximum security institution. The site for ESP was acquired in 1987. Phase I construction was completed in July 1989 with Phase II construction being completed in November 1990. ESP was converted to a maximum security custody housing upon the opening of Phase I of the medium security Lovelock Correctional Center. ESP is equipped to house and care for the most unmanageable inmates, and provide protective custody and segregation to its population. ESP has a prison textile industry that manufactures drapes, bedspreads, etc. Religious, substance-abuse, and educational programs are offered to the inmates. Recreational and other work experience programs are also available.

PROGRAM DESCRIPTION

The Northern Nevada Correctional Center (NNCC) opened in 1964 as a medium custody facility with three housing units. From 1964 until 2008, seven additional housing units were added. NNCC provides intake for the Northern region and houses the Regional Medical Facility (RMF) for the Nevada Department of Corrections. The RMF provides in-patient medical and mental health services. In addition, there is a Medical Intermediate Care Unit and Structured Care Unit for inmates for which medical and mental health situations are stable, but require additional staff monitoring. NNCC also houses the Regional Warehouse which is the distribution center for the facilities located in Carson City and Reno. Educational services are conducted by Carson School District staff and include high school diploma, General Education Diploma (GED), literacy programs, and English as a Second Language (ESL). College courses are available and are provided through Western Nevada College. A wide range of self-help and treatment programs are available and administered by medical, mental health, and program staff. Programs include Offender Acting in Solitariness to Insure Sobriety OASIS, a 9 to 12 month drug and alcohol rehabilitation program; Senior Structured Living Program for inmates 60 years of age and older; and a New Beginnings Program to prepare inmates for reintegration into society. Current vocational programs being offered are: auto mechanics/auto shop, computer science and dry cleaning. Silver State Industries manufactures a variety of products for governmental agencies and private entities through programs including a wood shop, a metal shop, a paint shop, and an upholstery shop. Prison Industries has also partnered with Vinyl Products, a private company operating inside the facility to manufacture a variety of vinyl materials including mattresses.

PROGRAM DESCRIPTION

The Nevada State Prison (NSP), located in Carson City, is one of the oldest operating prisons in the United States. NSP was established in 1862, when the Nevada Legislature purchased the Warm Springs Hotel and twenty acres of land for \$80,000. The Nevada State Prison operates as a medium-security prison, although there are 40 maximum custody and 64 close custody beds maintained for housing Ely State Prison offenders temporarily while going to court or being medically treated. Offenders under sentence of death are incarcerated at the Ely State Prison, but executions, as mandated by the state constitution, are conducted at Nevada State Prison. The Carson City School District provides a high school education program for offenders, including high school diploma, General Education Diploma (GED), literacy and English as a Second Language (ESL) programs. A literacy program is offered to offenders to enable them to acquire the skills necessary to enter the high school diploma or GED certificate programs. NSP does not allow offenders to work unless they have obtained a GED or a high school diploma. A wide variety of behavior modification program opportunities are offered by the psychology and programs departments, such as New Beginnings, Alternatives to Violence, and the Sexual Treatment of Sexual Offenders in Prison STOP Program for sex offenders. Offenders are offered a wide variety of vocational and employment programs, such as food service, janitorial, maintenance, yard labor crews, laundry, recreation, education, law library, and the infirmary.

PROGRAM DESCRIPTION

The Southern Desert Correctional Center (SDCC) is a male medium security institution with a housing capacity of 2,100 inmates. It is located approximately forty miles north of Las Vegas. The institution opened in 1982 with six housing units and a capacity of 600 inmates. Subsequently, additional housing units were constructed in 1984, 1988, and 2007, bringing the total at this facility to ten housing units. SDCC houses general population, disciplinary, and administrative segregation inmates. SDCC provides educational and vocational programs through Clark County School District, College of Southern Nevada, and Silver State Prison Industries. Prison Industry programs include auto maintenance, auto restoration, furniture manufacturing, stained glass fixtures, and other various industries. A therapeutic substance abuse community, Offenders Acting in Solidarity to Insure Sobriety (OASIS), was added in fiscal year 2002. The program is designed as a four-phase system of intensive substance abuse treatment and a community based aftercare program is currently being developed. The Level Excellence and Programming (LEAP) Unit is a high-intensity programming unit for those offenders who have made the decision to take control of their lives. The program is designed to provide education and programming opportunities that will enable participants to improve their lives within the system and upon release.

PROGRAM DESCRIPTION

The Lovelock Correctional Center (LCC) is primarily a medium security institution but has a large population of close custody protective segregation inmates requiring special handling and security. LCC was approved by the 1989 Legislature with Phase I becoming operational in October 1995 and Phase II in November 1997. LCC has an active, broad based religious program available to all inmates. Coal Canyon High School, sponsored by the Pershing County School District, runs literacy programs, General Education Diploma and high school diploma courses, a variety of college level classes and several vocational programs. Vocational programs include an auto shop and dry cleaning certification. In addition, LCC has a sex offender treatment, drug and alcohol counseling, the Structured Living Program (SLP), and mental health programs. Silver State Industries has two programs in Lovelock, one manufactures prison clothing for all NDOC institutions and the other manufactures mattresses for Nevada Department of Corrections NDOC facilities and the general public.

PROGRAM DESCRIPTION

The Southern Nevada Correctional Center (SNCC) is a medium security facility located approximately thirty miles south of Las Vegas in Jean, Nevada. The institution opened in January 1978, and closed in September 2000 when the High Desert State Prison (HDSP) opened in Indian Springs. SNCC was reopened in August 2006 as a Youthful Offender Correctional Center and was closed again in June 2008, with all inmates and staff (except one maintenance worker) being transferred to other facilities in Southern Nevada.

The Warm Springs Correctional Center (WSCC) was authorized by and constructed through appropriations from the 1961 Legislature and was known as the Nevada Women's Correctional Center until September of 1997. It was converted to a medium security mens prison in 1998 and to a minimum custody facility in July 2003. The institution has been remodeled and expanded four times over the past forty-seven years. A second housing unit was added in 1979 and a third in 1987. The core services building, which houses food services, health care services, education facilities, and the gymnasium was added in 1981. The 1995 and 1997 Legislatures authorized a fourth housing unit, two new towers, a new security fence, additional classrooms, and a complete remodeling of the kitchen, dining room, and entrance building. The completion of this project in July 1998 (funded in part with federal monies) brought the budgeted capacity of WSCC from 260 to 547 inmates. In July 2008, WSCC was converted back to a mens medium custody institution. WSCC provides program opportunities including literacy training, high school, adult basic education, vocational training, community college, addiction recovery, and a variety of socialization programs offered by the out-patient psychology division. WSCC also accommodates a variety of religious services through an active chapel, which includes music and choir. The Carson City School District offers high school diploma and adult basic education General Education Diploma (GED), literacy and English as a Second Language (ESL). Vocational training includes culinary arts, computer science, and a Prison Industry Card Program.

PROGRAM DESCRIPTION

This facility was created in 1996 to house women incarcerated in the Nevada Department of Corrections (NDOC). The Corrections Corporation of America (CCA) owned and operated the facility until its purchase by the State of Nevada in October 2001. Effective October 1, 2004, NDOC took possession of the facility, eliminating the need to contract with the CCA. Formerly known as the Southern Nevada Womens' Correctional Center (SNWCC), SB 330 renamed the facility in May 2007 to the Florence McClure Womens' Correctional Center (FMWCC) in honor of Florence McClure and her contributions to improving conditions for incarcerated women. FMWCC houses all custody levels of female inmates in Nevada. Capacity was increased in 2008 with the addition of a 240-bed dorm and in 2009 with a 300-bed addition to the main facility.

PROGRAM DESCRIPTION

The Northern Nevada Restitution Center (NNRC) is located in Reno, Nevada, and functions as a community assignment facility housing inmates who are employed in the community. From earned income, inmates make restitution payments to victims and to criminal justice agencies, and may accumulate funds above restitution payments to facilitate their release in the community. The center moved to its current site in April 1993. A new facility, Eagles Nest, is being constructed one mile west of the current site with an anticipated completion date of 2013. The facility will house approximately 104 male and 32 female inmates.

NDOC - STEWART CONSERVATION CAMP

PROGRAM DESCRIPTION

The Stewart Conservation Camp (SCC) is adjacent to the Northern Nevada Correctional Center (NNCC) and originally opened in 1978. In 1995, SCC was rebuilt and more than doubled the size of the original camp. SCC houses minimum custody and community trustee inmates in five dormitory type units. Inmates at SCC can earn their General Education Diploma (GED). In addition, inmates can participate in several self-help and treatment programs conducted by medical and mental health staff in the evenings. The majority of the inmates at SCC work for the Nevada Division of Forestry and are assigned to twelve-man fire crews. Inmates also work for Prison Industries which runs the ranch, dairy, and the Wild Horse Training Program. Under the supervision of Prison Industries, the ranch operates a commercial dairy, grows alfalfa, breeds and raises cattle and cares for horses in coordination with the Department of Agriculture and the Bureau of Land Management. The Wild Horse Program involves inmates training horses for adoption by the public. Some of the inmates are classified as community trustees who provide support services for several state agencies in Carson City, Nevada.

PROGRAM DESCRIPTION

The Pioche Conservation Camp (PCC) located approximately three miles northeast of Pioche, was opened in May of 1980 and then rebuilt in 1995. PCC houses an all male minimum custody population in an open facility. Inmates can obtain credit by attending General Education Diploma or high school classes. Self help programs such as anger management and substance abuse are also available. The inmate crews support the Nevada Division of Forestry program by working on conservation projects and fire suppression activities.

PROGRAM DESCRIPTION

The Three Lakes Valley Correction Center (TLVCC) is a minimum custody facility, adjacent to the Southern Desert Correctional Center (SDCC) at Indian Springs. This institution initially opened in 1982 as Indian Springs Conservation Camp (ISCC) with the opening of SDCC. At that time, the facility housed a male inmate population in an open bay facility. The institution opened with a 108-bed capacity, but was expanded to 150 beds in 1990. In 1994, the camp layout was restructured for better security and the capacity was increased to 248 inmates; then, in 2007, it was expanded to its current capacity of 404 inmates. In 2008, the facility was renamed Three Lakes Valley Correction Center (TLVCC), and in 2010, TLVCC was expanded further to incorporate a new facility that increased its total capacity to 594 inmates. The inmates at TLVCC support the Nevada Division of Forestry's (NDF) programs for conservation and fire suppression. In addition to the NDF program, there is the Program of Regimental Discipline (commonly known as the "Boot Camp") which routinely accommodates about sixty-five offenders in a military style program that includes intensive instruction in discipline, respect, motivation, leadership, life skills, substance abuse counseling, and physical exercise as an alternative to standard incarceration.

PROGRAM DESCRIPTION

The Wells Conservation Camp (WCC) located approximately twelve miles east of Wells, was opened in October 1985 and houses an all male minimum custody population in an open facility. Inmates can obtain credit by attending General Education Diploma or high school classes. Self help programs such as anger management and substance abuse are also available. The inmate crews support the Nevada Division of Forestry program by working on conservation projects and fire suppression activities.

PROGRAM DESCRIPTION

The Humboldt Conservation Camp (HCC) located approximately ten miles west of Winnemucca, was opened in 1986 and houses an all male minimum custody population in an open facility. Inmates can obtain credit by attending General Education Diploma or high school classes. Self help programs such as anger management and substance abuse are also available. The inmate crews support the Nevada Division of Forestry program by working on conservation projects and fire suppression activities.

PROGRAM DESCRIPTION

The Ely Conservation Camp (ECC) located approximately eighteen miles south of Ely, was opened in October 1984 and houses an all male minimum custody population in an open facility. Inmates can obtain credit by attending General Education Diploma or high school classes. Self help programs such as anger management and substance abuse are also available. The inmate crews support the Nevada Division of Forestry program by working on conservation projects and fire suppression activities.

PROGRAM DESCRIPTION

The Jean Conservation Camp (JCC) houses female minimum custody inmates. Its parent institution is the Florence McClure Womens' Correctional Center (FMWCC), forty-five miles away. The inmates housed at this facility support the Nevada Division of Forestry program for conservation and fire suppression. The camp was originally occupied in August 1988. New construction, completed in the spring of 1999, replaced existing housing units and increased capacity from 112 to 240 inmates. JCC was converted to a female institution when the High Desert State Prison opened in September 2000.

NDOC - SILVER SPRINGS CONSERVATION CAMP

PROGRAM DESCRIPTION

The Silver Springs Conservation Camp (SSCC) is a minimum security, female custody facility, located approximately thirty miles east of Carson City. The facility was authorized by the 1989 Legislature and opened in September 1991. Inmates worked primarily for the Nevada Division of Forestry on conservation, fire suppression, and public service projects. The Warden of the Warm Springs Correctional Center (WSCC) administered SSCC with a Correctional Lieutenant and Sergeant providing on-site management. With a declining female inmate population, SSCC closed in July 2008 and the remaining inmates were transferred to other institutions.

PROGRAM DESCRIPTION

The Carlin Conservation Camp (CCC) located approximately one mile east of Carlin, was opened in July 1988 and houses an all male minimum custody population in an open facility. Inmates can obtain credit by attending General Education Diploma or high school classes. Self help programs such as anger management and substance abuse are also available. The inmate crews support the Nevada Division of Forestry program by working on conservation projects and fire suppression activities.

PROGRAM DESCRIPTION

The Tonopah Conservation Camp (TCC) was opened in 1990 as a minimum custody camp with a capacity of seventy-two to house male inmates. The facility was later expanded to house a capacity of 150 inmates. Inmate work crews support the Nevada Division of Forestry's program of conservation, fire suppression, and public service projects within an immediate geographical area. TCC currently offers some adult basic educational services. The Warden of High Desert Correctional Center administers TCC with a Correctional Lieutenant providing on-site management.

PROGRAM DESCRIPTION

The Offenders' Store Fund (OSF) is a special revenue fund generated by proceeds from the inmate stores and coffee shops, located at most of the institutions, as well as, the inmate telephone system. The account funds its own inventory, operating costs, data processing costs, travel, and equipment. Profits from the operations are transferred to the Inmate Welfare Fund, budget account 240-3763, to maintain the inmate law libraries and for the welfare and benefit of all inmates. In addition, costs absorbed by the Medical Division and the Director's Office on behalf of indigent inmates are reimbursed by the profits from the Store Fund. Statutory Authority: NRS 209.221.

PROGRAM DESCRIPTION

The Inmate Welfare Fund (IWF) is a fiduciary fund that is supplemented by profits transferred from the Offender's Store Fund (OSF), budget account 240-3708. The IWF provides funding for the benefit of all inmates, such as the law libraries, recreational programs, satellite television, drug/alcohol rehabilitation programs, and costs associated with the Medical Division and the Director's Office on behalf of indigent inmates. Statutory Authority: NRS 209.221.

NDOC - PRISON INDUSTRY

525-3719

PROGRAM DESCRIPTION

The mission of Prison Industries (Silver State Industries) is to reduce government operating costs, provide inmates the skills necessary to successfully re-enter society, and enhance the safe operation of correctional facilities. To fulfill its mission, Prison Industries operates as a self-supporting operation, providing meaningful work and job training for prison inmates in the production of goods and services, at little or no direct cost to the taxpayer. Operations include furniture and metal fabrication shops at Northern Nevada Correctional Center (NNCC), a printing/bindery shop at Nevada State Prison (NSP), a garment sewing factory and mattress factory at Lovelock Correctional Center (LCC), a drapery sewing shop at Ely State Prison (ESP), and an automobile refurbishing/repair and motorcycle manufacturing/repair shop at Southern Desert Correctional Center (SDCC). Prison Industries also operates used playing card recycling operations at Warm Springs Correctional Center (WSCC), High Desert State Prison (HDSP), and SDCC. Private businesses include Vinyl Products, Inc. at NNCC, Jacobs Trading Company at Florence McClure Women's Correctional Center (FMWCC), Alpine Steel at HDSP, and M-Truss at SDCC, which work inmates as part of the Prison Industries program. In addition, the state's Department of Motor Vehicles has a license plate plant at NSP. Approximately 500 inmates work in Prison Industries.

PROGRAM DESCRIPTION

The mission of Prison Industries (Silver State Industries) is to reduce government operating costs, provide inmates the skills necessary to successfully re-enter society, and enhance the safe operation of correctional facilities. To fulfill its mission, Prison Industries operates as a self-supporting operation, providing meaningful work and job training for prison inmates, in the production of goods and services, at little or no direct cost to the taxpayer. One of Prison Industries' operations is the Prison Ranch. The Prison Ranch is self-supporting, operating from revenue derived from processed milk sold to the Department of Corrections and other state agencies, as well as from the sale of cream and surplus raw milk to private vendors. Additional income is generated from the sale of livestock, hay grown on-site, renting unused grazing land and boarding of both estray horses (Department of Agriculture) and wild horses (Bureau of Land Management), until they have been adopted or sold to private individuals or moved to another holding facility. The Ranch currently provides work for forty-six inmates.

PROGRAM DESCRIPTION

The mission of the Department of Motor Vehicles (DMV) is to provide progressive and responsive service to our citizens; maintain strict controls to ensure the accurate collection and timely distribution of all revenues; contribute to the safety of those driving our highways through licensing, monitoring, and intervention practices; assist Nevada in meeting its federally mandated air quality standards; protect state consumers and businesses against fraud and unfair business practices; and ensure the integrity and privacy of our records. The Director's Office establishes policy for the department and directs and controls the operations of the agency. The Director's Office handles all media inquiries through the Public Information Officers. Additionally, internal controls, review of operations, policies and procedures, and the Personnel and Training Units fall under the responsibility of this office. Statutory Authority: NRS 481.031; 481.035; 481.047; 481.0473; 481.051; 481.052; and 481.055.

E680 NEW REVENUE OR EXPENDITURE OFFSETS

This request changes the funding source for self-service terminals (kiosks) from Highway Fund to fees. This convenience fee is a non-refundable fee paid by the customer for the use of alternative methods to complete select DMV transactions via kiosks. This fee is not intended to recover credit or debit card merchant fees; it is a fee to be used to cover the costs of self-service terminals. A bill draft request has been submitted to support this request.

DMV - REAL ID**201-4746****PROGRAM DESCRIPTION**

During the 2007 Legislative Session, the REAL ID budget account was established for tracking expenditures related to the implementation of the REAL ID Act. Since that time, several grants have been awarded for improving the security and integrity of data collected during the drivers license and identification card issuance process. Grant funds will be used to work towards meeting full compliance with Department of Homeland Security (DHS) regulations, to further enhance information technologies and processes, and improve the efficiencies of the drivers license and identification card issuance process. All grant funds awarded will assist Nevada in meeting state laws, federal laws, and DHS regulations.

BASE

This request continues funding for program operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

DMV - HEARINGS

201-4732

PROGRAM DESCRIPTION

The Department of Motor Vehicles, Hearings Office ensures the public's right to an administrative hearing on issues that range from the suspension or revocation of a citizen's driving privilege or vehicle registration, to the revocation or suspension of a license to conduct business involving motor vehicles in the State of Nevada. Administrative law judges assigned to this division are the presiding officers in the adjudicative proceedings. Their decisions may significantly affect public interest and the lives and property of thousands of Nevadans. The department initiates and conducts all hearings in a timely, fair, and impartial manner. The program is supported primarily from Highway Fund revenues. The Statutory Authority for these hearings are found in: NRS 366, 445B, 481, 482, 483, 484, 485, 487, and 706. All administrative hearings are conducted in accordance with and pursuant to the provisions in the Nevada Administrative Procedures Act, Chapter 233B.

E680 NEW REVENUE OR EXPENDITURE OFFSETS

This request for funding is in conjunction with a bill draft request (i.e., convenience fee paid by customer for use of self-service terminals/kiosks). The department is responsible for paying merchant services fees for all debit and credit card transactions. The department's merchant services fee liability for kiosks will increase with the implementation of the kiosk convenience fee.

PROGRAM DESCRIPTION

The Compliance Enforcement Division is the regulatory arm of the Department of Motor Vehicles. The division serves as the umbrella organization for Pollution Control, budget account 4722. Administrative and operational oversight is funded through this budget account. The main function of this account is to support the activities of division investigators whose primary purpose is to regulate the automobile industry as it relates to the sale or transfer of ownership of vehicles and to investigate fraudulent issues relating to department documents. In addition, this account is responsible for licensing and registering wreckers, salvage pools, and body shops as well as registering automobile repair garages. By conducting investigations, taking enforcement actions, and providing advice to members of the industry, investigators seek to gain voluntary compliance with the various laws and regulations governing the business practices of vehicle manufacturers, distributors, dealers, lessors, and salesmen, as well as preventing identity and other related fraud. Through education, audit and enforcement, the Compliance Enforcement Division protects the interests of regulated businesses by eliminating unfair competitive and business practices while safeguarding the financial well-being of Nevada citizens by protecting property interests in vehicles and reducing instances of fraud and misrepresentation in connection with repairs, salvage, and disposal of motor vehicles. Division activities in this account for the biennium are primarily funded through a direct appropriation from the Highway Fund. Statutory Authority: NRS 481.0473, 481.0475, 481.048, Chapters 108, 482, 483, and 487.

DMV - MOTOR VEHICLE POLLUTION CONTROL

101-4722

PROGRAM DESCRIPTION

The Compliance Enforcement Division, through budget account 4722, is responsible for ensuring compliance with Nevada's laws and regulations (Chapter 445B of the Nevada Revised Statutes and Nevada Administrative Code) as they relate to the vehicle emission standards in Clark and Washoe Counties. The division implements and enforces the on-road vehicle emissions portion of the state's Air Quality Program. The division carries out its role by providing training and certification of applicants seeking employment as Emission Inspectors; conducting audits and inspections at licensed emission stations; investigating potential program evaders; and applying appropriate sanctions against program violators. Additionally, the division cooperates with the various planning agencies (state and local) involved in the Air Quality Program to evaluate air quality standards and identify strategies to improve them; participates in the Advisory Committee on the control of emissions from motor vehicles; and conducts periodic public information programs regarding motor vehicle emissions. Statutory Authority: NRS Chapter 445B, 481.0475, 481.0477, 481.0481, 482.461, and 482.465.
