E550	**TECHNOLOGY INVESTMENT REQUEST**				
	This Technology Investment Request proposes to replace the existing Collection and Distribution System with a Software-as-a-Service solution. The desired solution will capture incoming checks from non-custodial parents (NCPs) and organizations collecting payments from NCPs and supporting documents by scanning them in batches, assigning them a unique control number, placing them in a queue for verification, and posting them to the mainframe-based NOMADS application.

E249 EFFICIENT AND RESPONSIVE STATE GOVERNMENT

Recommendations made by the Nevada Supreme Court Regional Facility Planning Subcommittee, a Subcommittee of the Commission on Statewide Juvenile Justice Reform. Specifically, this request is to comply with the subcommittee's recommendation to provide a quality assurance component (much like Red Rock Academy has that reports directly to the deputy administrator) that will ensure compliance with all of the policies, procedures and general health, safety and welfare matters at the facility. Establishment of an advisory committee of community members will assist with achieving good public relations and increasing positive community service involvement of students and staff in the community.

	In an effort to continue participation under the Health Insurance Rate Review Grant Program, the Nevada Division of Insurance has applied for and is expecting to be approved for the Cycle IV funding in the amount of $1,179,000.				
	The Division will continue to focus all necessary resources on maintaining our designation as an Effective Review State. The multi-faceted analysis, from outside consulting actuarial firms, internal qualified health actuarial review, and non-actuarial personnel review by the DOI and/or contracted staffers, should continue to grow our rate review expertise. The Division sees training and experience as vital components to our efforts as an effective rate review program.				
	The Division's efforts in the transparent display of both proposed and approved rates on our website is unsurpassed in its thoroughness and ease of use. The dedication to providing that information to Nevada consumers will remain a primary focus under the Cycle IV term. The Division will be continually up grading the experience for Nevadans on our website.

E225	**EFFICIENT AND RESPONSIVE STATE GOVERNMENT**				
	This request is for a new Admin Assistant III in Las Vegas. At the direction of the Division Administrator, reduced staffing in 2010 was necessary in order to formulate a budget for FY 2012-2013, resulting in staff to only focus on basic essential functions. The result has been the inability to provide adequate support and service to industry and the public, delays in providing needed services, and unacceptable performance. The inability of current staff to be proactive on communicating and educating our constituents has resulted in less than desirable levels of customer service. The addition of an Administrative Assistant III is needed in order for the Division to provide efficient and effective service to industry and the public, relieve existing staff allowing others to provide a higher level of service, performance and education. Now that the Division is significantly more fiscally sound, it is appropriate to add this position to better serve the citizens of Nevada.
