B&I - MINE SAFETY & TRAINING

210-4686

PROGRAM DESCRIPTION

The Mine Safety and Training Section (MSATS) provides mine inspection, technical assistance, consultation, and safety training to protect Nevada's miners pursuant to the Nevada Revised Statutes, Chapter 512. The section's mission is to reduce the frequency of accidents, reduce the severity of accidents, and assist Nevada's mining industry in complying with state and federal standards. Statutory Authority: NRS 512.

BASE

This request continues funding for fourteen positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

E720 NEW EQUIPMENT

This request funds new equipment to include industrial hygiene equipment of noise dosimeters and a Jerome mercury analyzer. The agency is also requesting a GPS because mine operators are required to submit a commencement of operation, which requires a physical location of the mining operation. Past practices were to provide the Township, Range and Section of the mining operation. The modern GPS system will allow the mine inspector to readily and effectively locate remote mining operations throughout the state.

B&I - SPECIAL HOUSING ASSISTANCE**101-3839****PROGRAM DESCRIPTION**

The Housing and Economic Recovery Act of 2008 established the Neighborhood Stabilization Program to purchase foreclosed or abandoned homes and to rehabilitate, resell or redevelop these homes in order to stabilize neighborhoods and stem the decline of house values of neighboring homes.

BASE

This request continues funding in fiscal year 2014 for associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized. Funding in fiscal year 2015 is reduced due to the Federal Grant for Stabilization Program ending March 9, 2014.

B&I - LOW INCOME HOUSING TRUST FUND

101-3838

PROGRAM DESCRIPTION

The Low Income Housing Trust Fund assists and encourages the private sector and other governmental entities in creating and maintaining affordable housing throughout the state and serves as the main source of matching funds for federal housing programs. This program supports bricks and mortar initiatives or rental assistance for families whose incomes fall at or below sixty percent of median income. Additionally, the fund provides down payment assistance for first time home buyers. Statutory Authority: NRS 319.500.

BASE

This request continues funding for one position and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

B&I - WEATHERIZATION

101-4865

PROGRAM DESCRIPTION

The Weatherization Program works in combination with the federal Department of Energy's (DOE) Weatherization Grant Program and the state's Universal Energy Charge (tax) to help low-income families improve energy efficiency for their homes, minimizing utility costs. Most funds are expended through subcontractors who are carefully trained and monitored in their efforts to test for weather-related air and water leakages in homes and multifamily projects of low income families. Once a dwelling unit is determined to need specific assistance, insulation, windows, doors, heaters, or water heaters are procured and installed. The staff conduct quality control audits, training programs, and assist in outreach efforts. Statutory authority: NRS 702.250.

BASE

This request continues funding for three positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

B&I - EMPLOYEE MANAGEMENT RELATIONS BOARD

101-1374

PROGRAM DESCRIPTION

The Local Government Employee-Management Relations Board (EMRB) was created by the Local Government Employee Management Relations Act of 1969 (NRS 288) to provide for collective bargaining between local government employers and the organizations representing their employees and, as necessary, to hear and decide disputes arising out of the interpretation of NRS 288. The board has jurisdiction over 75 city, county, school, hospital, and special district employers engaged in collective bargaining with employee organizations representing 213 bargaining units and involving in excess of 72,000 employees.

BASE

B&I - REAL ESTATE ADMINISTRATION

101-3823

PROGRAM DESCRIPTION

The Nevada Real Estate Division safeguards and promotes the public interest in real estate transactions by developing an informed public and a professional real estate industry. The division carries out the statutory duties of administration and enforcement of laws and regulations governing real estate licensees, appraisers of real estate, appraisal management companies, community managers for homeowner associations, timeshare agents and representatives, property managers, asset management companies and asset managers for real property before a foreclosure sale or in preparation for liquidation of real property pursuant to a foreclosure sale, inspectors of structures, energy auditors, and business brokers. In addition, the division registers and regulates the sale of subdivided land, timeshare development and sales, campground sales, reserve study specialists, and common-interest communities and condominium hotels.

Statutory Authority: NRS 119.114; NRS119A.652 and .660; NRS119B.380; NRS116.615; NRS 116A.200; NRS 116B.805; NRS 645.045; NRS 645C.170; NRS 645D.110, and 645H.280.

BASE

This request continues funding for 17.20 positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

B&I - REAL ESTATE EDUCATION AND RESEARCH
216-3826

PROGRAM DESCRIPTION

The real estate education and research program promotes and ensures awareness of relevant laws and practices required of real estate licensees, and provides information to the public regarding laws, requirements of licensees, and all parties in a real estate transaction. The program also prepares and distributes statutorily mandated disclosure information to both sellers and buyers in residential real estate transactions. The duties and mission of the real estate education and research program are accomplished through publication of printed materials, proactive oversight of real estate education offerings to licensees, the division website, public information initiatives, contracted education programs, and research contracts. This program processes pre-licensing, post-licensing, and continuing education courses in order to assure the highest standard quality of education for licensees; conducts audits of approved courses; develops educational programs; and provides immediate accessibility for licensees and the public to division forms and information through internet access. Statutory Authority: NRS 645.842.

BASE

This request continues funding for seven positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

B&I - COMMON INTEREST COMMUNITIES

101-3820

PROGRAM DESCRIPTION

The Common-Interest Communities program assists and educates boards and owners who live within common-interest communities to understand and properly apply laws. The program also assists in resolving disputes within homeowner associations by attempting to facilitate resolution through the ombudsman's conferencing program and by investigating unresolved issues through the Compliance Section of the program. The Alternative Dispute Resolution program under NRS 38 is facilitated through the Office of the Ombudsman. The seven-member Commission for Common-Interest Communities and Condominium Hotels was created in 2003 to conduct disciplinary hearings, adopt regulations, and act in an advisory capacity for the program. Statutory Authority: NRS 38.300 through 38.360; NRS 116.600 through NRS 116.795; NRS 116A.200 through NRS 116A.470; NRS 116B.870 through NRS 116B.915.

BASE

This request continues funding for seventeen positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

B&I - ATHLETIC COMMISSION

101-3952

PROGRAM DESCRIPTION

The Athletic Commission regulates all contests or exhibitions of unarmed combat, including the licensure and supervision of promoters, boxers, mixed martial artists, kick boxers, seconds, ring officials, managers, and matchmakers.

In 1941, the Nevada Athletic Commission was established by an act of the Nevada legislature. Since that time, the Commission has regulated professional unarmed combat (e.g., boxing, kick boxing and mixed martial arts/MMA) in Nevada. The conduct and regulation of unarmed combat in Nevada are governed by NRS Chapter 467, and are further clarified by the Regulations of the Commission (Chapter 467 of the Nevada Administrative Code). The Commission administers the State laws and regulations governing unarmed combat for the protection of the public and to ensure the health and safety of the contestants.

BASE

This request continues funding for five positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

B&I - TAXICAB AUTHORITY

245-4130

PROGRAM DESCRIPTION

The Taxicab Authority is responsible for regulating the taxicab industry in counties whose population is 400,000 or more. The authority is governed by a board of five members appointed by the Governor. The board conducts hearings and makes final decisions regarding the administration and enforcement of NRS 706.881 to NRS 706.885, inclusive. The mission of the Taxicab Authority is to provide for the safety, comfort, and convenience of the taxicab users through the regulation of the taxicab industry in Clark County, including issuing and transferring Certificates of Public Convenience and Necessity to and between taxicab companies; determining the number of taxicabs authorized per certificated company; issuing, suspending and revoking drivers' permits; determining the safety, mechanical operation, and comfort standards of taxicabs; determining the fares to be charged, and conducting criminal investigations in conjunction with other law enforcement agencies. The goals and objectives of the authority are to ensure an adequate and more efficient supply of taxicabs to meet the demand.

BASE

This request continues funding for fifty-six positions, five commissioners, and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

E240 EFFICIENT AND RESPONSIVE STATE GOVERNMENT

This request funds the relocation of the Taxicab Authority to a development near the airport, which is centrally conducive to the constituents served by the Taxicab Authority.

The preferred new location will provide additional space to support industry growth, facilitate hearings and training with separate public access, reduce daily operational interruptions, and provide a secure environment for confidentiality. The additional space will also allow for the storage of driver and investigation files, which are currently at maximum capacity. The new layout will enable the segregation between the licensing and testing sections, prohibiting public access to confidential files.

ENHANCEMENT

E350 SAFE AND LIVABLE COMMUNITIES

This request funds uniform items other than clothing items and are standard issue for public safety investigators. These items have historically been provided by the agency outside of the uniform schedule. In an effort to appropriately reflect the actual uniforms provided, the agency is requesting to add these additional items to the uniform schedule through an enhancement.

B&I - MANUFACTURED HOUSING

271-3814

PROGRAM DESCRIPTION

The Manufactured Housing Division's principal responsibility is to ensure that manufactured homes, mobile homes, travel trailers, commercial coaches, manufactured buildings, and modular components are constructed and installed in a manner which provides reasonable safety and protection to owners and consumers (NRS 489). The division licenses the various professionals including manufacturers, dealers, responsible managing employees, salespersons, general servicemen, and specialty servicemen (NRS 489). The division investigates consumer complaints against licensees on service and products, including manufacturer home warranty issues. The division maintains mobile and manufactured home title records, issues certificates of ownership, and conversions to real property, and property liens (NRS 489).

Revenue for this budget is generated by user fees including licensing fees to industry professionals, fees charged for issuance of certificates of ownership, liens, conversions to real property and title searches. The division also receives revenues from the installation and safety seals for inspections of mobile and manufactured homes, commercial coaches, and factory-built housing, manufacturing, construction and/or modification plan review, and non-grant federal (H.U.D) funds.

BASE

This request continues funding for ten positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

ENHANCEMENT

E226 EFFICIENT AND RESPONSIVE STATE GOVERNMENT

This request funds additional travel for Manufactured Housing Inspectors to conduct inspections in the rural areas of Nevada. The increase in number of inspections of structures in the Tonopah and Round Mountain area is largely due to increased mining in the area and necessity to inspect the placement of temporary buildings used as office areas at the mining sites.

B&I - MOBILE HOME LOT RENT SUBSIDY

630-3842

PROGRAM DESCRIPTION

The Lot Rent Subsidy program provides financial aid to qualifying low-income mobile home park residents by paying up to 20 percent of their monthly space rent, not to exceed \$100.00. To qualify for assistance, an eligible applicant must meet requirements such as residency and income. The sole source of revenue for this program is the mobile home trust fund fees that the division collects annually from the manufactured and mobile home communities in Nevada. Statutory Authority: NRS 118B.211.

BASE

This request continues funding for one position and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

B&I - MOBILE HOME PARKS

271-3843

PROGRAM DESCRIPTION

The Landlord/Tenant program handles complaints and disputes between the landlord/owner and the tenants who rent space but own their own manufactured home. Complaints range from improper eviction notices, violation of park rules and regulations, unequal enforcement of park rules, and lease agreements. The program is supported by annual fees paid by the park owners per NRS 118B.185. Fees are collected based on the number of spaces in the park at \$5.00 per space, less spaces with park-owned homes.

BASE

This request continues funding for two positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

B&I - MFG HOUSING EDUCATION/RECOVERY

271-3847

PROGRAM DESCRIPTION

The Manufactured Housing Education and Recovery Program administers, monitors, and maintains educational and training programs for the manufactured housing industry. The recovery fund is used to compensate consumers who incur losses based on the actions of individuals and/or businesses licensed by the division. Payments are made through the recovery of court ordered payments to consumers in legal actions against licensees for fraud, misrepresentation, or deceit. The revenue source for this budget comes from a portion of the licensing fees paid to the division by industry professionals. Statutory Authority: NRS 489.4979 and 489.4971.

BASE

This request continues funding for one position and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

B&I - MORTGAGE LENDING

101-3910

PROGRAM DESCRIPTION

The Division of Mortgage Lending licenses and regulates mortgage brokers, agents, bankers, escrow agencies, and covered service providers. Through examinations of licensees, investigations of consumer complaints, and actions taken to curtail unlicensed activity, the division safeguards public interests and promotes professionalism, education, and ethics in the mortgage lending and escrow industries. NRS 645A, 645B, 645E, 645F.

BASE

This request continues funding for fifteen positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

GOVERNOR'S OFFICE OF ECONOMIC DEVELOPMENT - The mission of the Governor's Office of Economic Development is to foster the creation of high-quality jobs in private industry for Nevadans.

Department Budget Highlights:

- 1. **Encourage Intellectual Property Licensing** - The Knowledge Fund, established by AB 449 of the 2011 Session, receives \$10M over the biennium to encourage intellectual property licensing and increase the number of start-up companies in Nevada by funding research in areas targeted for economic growth.
- 2. **Recruit Companies to Nevada** - The Catalyst Fund created by AB 449 of the 2011 Session receives an additional \$3.5 million to spur the recruitment of companies to Nevada from outside the state and expansion of companies in the state. The goal is 2500 new jobs associated with grants of funding from the Fund.
- 3. **Increase Marketing Activities** - Funding is added to increase marketing activities that will expand Nevada's presence at key high-traffic venues, promote foreign direct investment and export growth, direct marketing, and collateral public relations campaigns.

Activity: Business Development

Business Development conducts outreach to potential businesses in order to grow businesses in Nevada.

GOED - GOVERNOR'S OFFICE OF ECONOMIC DEV
101-1526

PROGRAM DESCRIPTION

The Nevada Governor's Office of Economic Development (GOED) works to diversify and strengthen the state's economy by: attracting companies, subsidiaries, and divisions to locate into the state; assisting in the retention and expansion of existing Nevada companies; and helping new companies to start up in the state. GOED works closely with regional development authorities to identify, pursue, and achieve the goals of the GOED State Economic Development Plan released in February 2012. The GOED Plan focuses on seven sectors: aerospace and defense, energy, healthcare information technology, hospitality, tourism, and logistics and operations. Through the plan, GOED is also tasked with expanding global exports and foreign investment. To build the workforce required today and tomorrow, GOED closely collaborates with the Department of Education, Training and Rehabilitation; the Nevada System of Higher Education; and other organizations to identify opportunities to expand Nevada's workforce and provide the qualified people needed by the state's businesses.

BASE

This request continues funding for twenty-six positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

GOED - NEVADA FILM OFFICE
101-1527

PROGRAM DESCRIPTION

The Nevada Film Office's mission is to facilitate the diverse needs of film, television, entertainment, and multimedia productions that take place in Nevada; promote and increase the use of Nevada as a "filming location of choice" nationwide and around the world; solidify and enhance credibility, and raise visibility as a prime resource for film, television, music, and other production industries; and serve the citizens of the state through advancing the growth and success of these industries in Nevada. Statutory Authority: NRS 231.

BASE

This request continues funding for five positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

GOED - RURAL COMMUNITY DEVELOPMENT

101-1528

PROGRAM DESCRIPTION

The mission of Rural Community Development is to build rural Nevada communities where current and future generations can choose to live healthy, productive, and prosperous lives. Through collaboration with various government agencies, businesses, and non-profit groups, Rural Community Development assists rural communities to remain economically viable by improving living conditions and providing economic opportunities through the administration of the State Community Development Block Grant Program, training activities, and technical assistance. Rural Community Development helps provide communities with adequate infrastructure, suitable housing and living environments, and encourages sustainable community and economic development. Activities are focused primarily for the benefit of low-to-moderate income persons. Statutory Authority: NRS Chapter 231 , 24 CFR Part 570, 24 CFR Part 91.

GOED - PROCUREMENT OUTREACH PROGRAM

101-4867

PROGRAM DESCRIPTION

The Procurement Outreach Program (POP) under the Governor's Office of Economic Development (GOED) provides assistance to Nevada businesses to enable them to identify potential contractual opportunities with federal and/or state and local governments, government prime contractors, and to obtain or perform under contracts with these entities. Specialized assistance from POP may include locating marketing opportunities for Nevada businesses, educating clients about electronic commerce with government entities, various registrations and certification requirements, as well as bid/proposal preparation for submission to government entities. The result is creating jobs for Nevadans through businesses successfully contracting with government. This will bring federal dollars to the state and/or keep local tax dollars in Nevada. Statutory Authority: NRS Chapter 231 and Title 10 USC Chapter 142.

BASE

This request continues funding for six positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

GOED - NEVADA CATALYST FUND

101-1529

PROGRAM DESCRIPTION

The Nevada Catalyst Fund is a newly formed grant program to be administered through a non-profit corporation. It is primarily designed to bolster efforts to attract new businesses to the state or assist with the substantial expansion of an existing business. The fund is designed to provide a discretionary grant to close a competitive gap for projects thereby creating jobs and investment in Nevada. To be eligible for Nevada Catalyst funds, a project must demonstrate a significant return on the state's investment and strong local support. The review process will consider a variety of factors including job creation, wages and benefits, capital investment, financial strength of the applicant, applicant's business history, analysis of the relevant business sector, and public and private sector financial support.

GOED - NEVADA SSBCI PROGRAM

101-1521

PROGRAM DESCRIPTION

On September 27, 2010, President Obama signed into law the Small Business Jobs Act of 2010 to help increase credit availability for small businesses. The Act created the State Small Business Credit Initiative and appropriated \$1.5 billion to be used by the U.S. Department of the Treasury to provide direct support to states for use in programs designed to increase access to credit for small businesses. Pursuant to the Act, Treasury allocated funds to all fifty states according to a statutory formula that takes into account a state's job losses in proportion to the aggregate job losses of all states. Under the Act, each state or territory was guaranteed a minimum allocation of 0.9 percent of the \$1.5 million.

GOED - NEVADA KNOWLEDGE FUND

101-1533

PROGRAM DESCRIPTION

The Knowledge Fund was created through the passage of AB 449 during the 2011 legislative session in conjunction with the restructuring of Nevada's economic development.

The purpose of the Knowledge Fund is to spur research and the commercialization of that research in areas in which the state has targeted for economic growth. Commercialization in knowledge-based industries creates high-paying jobs that support families and generate tax revenue.

The Fund is an investment in the state's economic future and provides grants of funds in five allowable areas, including:

1. Establishing technology outreach programs throughout the state;
2. Recruiting, hiring, and retaining research teams and faculty;
3. Research laboratories and related equipment;
4. Construction of research facilities; and
5. Matching funds for federal and private sector grants and contract opportunities.

ENHANCEMENT

DEPARTMENT OF TOURISM AND CULTURAL AFFAIRS - The Department of Tourism and Cultural Affairs (DTCA) creates sustainable financial vitality for the State of Nevada and the businesses and individuals engaged in the tourism and cultural industries.

Department Budget Highlights:

- 1. **Enhance Marketing & Public Relations** - The Commission on Tourism (NCOT) has a performance-driven budget funded through lodging taxes. Its marketing programs deliver a 20:1 return on investment (ROI). This biennium, NCOT will launch a new brand and boost its social media and international sales and marketing.
- 2. **Increase Marketing & Public Relations Funding** - NCOT is increasing its marketing funds to ensure dollars provided to the agency are used in maximum ROI-generating activities. Several new marketing programs, including the launch of a statewide brand, will require all available funding to optimize ROI.
- 3. **Restore Museum Positions to Full-Time** - Previous budget reductions resulted in museum staff being reduced to part-time and museums being closed 3 days a week. Restoring personnel to full-time will enable a partial restoration of service, open museums to the public 5 or 6 days per week while increasing revenue and better serving Nevadans.
- 4. **Increase Arts Grant Funding** - To support the Nevada Art Council's grant program and to mitigate agency cuts from the past two biennia, an additional \$250,000 for the biennium has been included in the Governor's Recommended Budget and is intended to grow public access to arts and cultural activities across the state.
- 5. **Increase Rural Marketing Grants** - NCOT provides marketing grants to entities in rural communities. Many rural partners rely on these matching funds to execute marketing campaigns and drive essential revenue. These are competitive grants and this increase will help ensure funding to more valuable projects.

DTCA - COMMISSION ON TOURISM - The mission of the Nevada Commission on Tourism (NCOT) is to enhance the economic vitality of the State of Nevada and its statewide tourism industry entities.

Division Budget Highlights:

- 1. Enhance Marketing & Public Relations** - The Commission on Tourism (NCOT) has a performance-driven budget funded through lodging taxes. Its marketing programs deliver a 20:1 return on investment (ROI). This biennium, NCOT will launch a new brand and boost its social media and international sales and marketing.
- 2. Increase Marketing & Public Relations Funding** - NCOT is increasing its marketing funds to ensure dollars provided to the agency are used in maximum ROI-generating activities. Several new marketing programs, including the launch of a statewide brand, will require all available funding to optimize ROI.
- 3. Increase Rural Marketing Grants** - NCOT provides marketing grants to entities in rural communities. Many rural partners rely on these matching funds to execute marketing campaigns and drive essential revenue. These are competitive grants and this increase will help ensure funding to more valuable projects.
- 4. Add New Management Analyst** - This new position will serve all DTCA agencies to ensure adequate resources are available to maintain segregation of duties and meet the demands of workload increases realized with the formation of the DTCA.
- 5. Transfer Personnel Analyst to DHRM** - DTCA will transfer a Personnel Analyst position to the Division of Human Resources Management (DHRM) to streamline its operation through utilizing DHRM's centralized services. DTCA believes this transition will provide staff with more efficient and cost-effective human resource services.
- 6. Nevada Magazine** - A self-funded enterprise fund with subscription sales, advertising sales, and editorial/print functions for DTCA. Our budget's expenses are flat, with some slight revenue increases due to increasing advertising sales into our Las Vegas Events & Shows magazine.
- 7. Publish Nevada Magazine** - Nevada Magazine, the Publishing Division of DCTA, produces Nevada Magazine, to educate the general public about Nevada and foster an awareness and appreciation of the state's recreational activities, history, heritage, special events, culture, natural resources, and natural wonders.

Division Budget Highlights (continued):

- 8. **Events & Shows Magazine** - In addition, we publish two Events & Shows Magazines, one for Las Vegas and the other for Northern and Rural Nevada, as well as the state's official visitor's guide distributed by DTCA.
- 9. **Sponsor Nevada's Sesquicentennial Book** - New this budget period will be a pictorial book for the state's sesquicentennial, a newsletter for school children, and a radio show based on Nevada magazine.
- 10. **Nevada's Ride Guide** - We also produce and print small niche publications such as Nevada's Ride Guide for motorcycle enthusiasts.

Activity: Tourism Marketing and Advertising

This team's marketing campaigns create brand excitement through an integrated marketing strategy that reaches travelers through traditional and social media channels. The Commission collects and analyzes economic data and conducts ROI research studies to measure the impact of the advertising.

TOURISM - TOURISM DEVELOPMENT FUND

225-1522

PROGRAM DESCRIPTION

The primary mission of the Nevada Commission on Tourism (NCOT) is to generate revenue for the State of Nevada through tourism activities that encourage overnight stays. NCOT accomplishes this through administering a strategic integrated marketing plan that consists of a robust research program measuring visitation and identifying salient consumer purchase behavior; public relations, public affairs and social media outreach; traditional and digital advertising and customer engagement programming including customer relationship management, fulfillment and call center operations; web and mobile application development; domestic and international sales, including a presence at key consumer and travel trade shows; and grants and educational programs and conferences designed to enhance business opportunities for Nevada's tourism industry. Statutory Authority: NRS 231.160 to NRS 231.360.

BASE

This request continues funding for twenty-five positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

ENHANCEMENT

E125 SUSTAINABLE AND GROWING ECONOMY

This request adds funding to increase the overall presence of the Nevada Commission on Tourism and to strengthen Nevada's economy by increasing the agency's efforts to increase travel to and within Nevada. The additional funding provides for increased marketing and advertising; increased funding for the Rural Matching Grants program; increased transfer to Tourism Development, budget account, 1523, to provide additional funding for the Tourism Development Grants; and increased funding for additional out-of-state and in-state travel needs.

TOURISM - TOURISM DEVELOPMENT

225-1523

PROGRAM DESCRIPTION

This budget account provides grant funds for the Tourism Development Grant Program, which was created to stimulate rural tourism infrastructure development that will support and attract visitors to the state. Funds go to local private and public organizations and are awarded on a competitive basis, with local matches required. Typical projects include visitor centers, kiosks and improving rest stops.

BASE

This request continues funding for the Tourism Development Grant Program, as established in the 2001 Legislative Session. One-time expenditures have been eliminated and partial year costs have been annualized.

This request increases funding subscription revenue by conducting two Groupon and one Living Social drives per year to grow circulation. The magazine will also continue to trade advertising with Casino Player and Strictly Slots magazines focusing solely on subscriptions. In addition, the magazine added two new trade advertising sources, Fox News Radio and Drive + Fly, to reach a new base of potential advertisers and subscribers.

TOURISM - INDIAN COMMISSION

101-2600

PROGRAM DESCRIPTION

The mission of the Nevada Indian Commission (NIC) is to ensure the well-being of American Indian citizens statewide through development and enhancement of the government-to-government relationship between the State of Nevada and Indian Tribes, and through education for a greater cultural understanding of the State's first citizens. The NIC strives for social and economic equality for all American Indian people living in the state, while embracing traditional, cultural, and spiritual American Indian values. The Indian Commission serves as the liaison between the state and the twenty federally-recognized tribes comprised of twenty-seven separate tribes, bands, and community councils. Statutory Authority: NRS 233A.

BASE

This request continues funding for two positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

TOURISM - NEVADA HUMANITIES

101-2894

PROGRAM DESCRIPTION

Nevada Humanities is a non-profit, nationally-recognized program that works in partnership with local communities to develop and fund humanities activities and educational programs. Established under provisions contained in the federal legislation creating the National Endowment for the Humanities, Nevada Humanities creates an environment conducive to economic development, heritage tourism, and quality education by fostering humanities activities such as lectures, exhibits, publications, book festivals, historic performances, teacher institutes, documentary films, interpreted art presentations, and a humanities grants program. After four consecutive biennia of legislative provision of one-shot funding to support a southern Nevada office, the 2005 Legislature converted the one-shot funding request to an on-going appropriation.

BASE

This request continues funding for a private, non-profit organization engaged in the implementation and support of activities and studies in the humanities. Nevada Humanities uses these funds to partially support the operations and staffing of its southern Nevada office and humanities programs implemented in southern Nevada.

DTCA - MUSEUMS AND HISTORY DIVISION - The mission of the Division of Museums and History is to engage people in the cultural and natural history of Nevada so they may celebrate the past, learn from it, and develop perspective for present and future generations.

Division Budget Highlights:

- 1. **Restore Museum Positions to Full-Time** - Previous budget reductions resulted in museum staff being reduced to part-time and museums being closed 3 days a week. Restoring personnel to full-time will enable a partial restoration of service, open museums to the public 5 or 6 days per week while increasing revenue and better serving Nevadans.
- 2. **Partial Restoration of Personnel** - Previous budget reductions resulted in partial museum closures. To restore public services, two half-time positions are included. At the Nevada State Museum in Carson City, a half-time security officer will be restored and at the East Ely Railroad Museum, a half-time museum attendant will be added.
- 3. **Install New Interactive Visitor Kiosks** - In order to capture critical data on who is visiting museums, two interactive visitor kiosks will be developed and installed at The Lost City Museum and the Nevada State Museum. These units will provide verifiable statistical data to direct marketing and programming efforts.

Activity: Exhibition of Museum Collections

Exhibits are vital to museums by describing events, places and people and providing understandings of what, where, and why. Artifacts in exhibits illustrate and explain interpretive messages and are able to provide many points of view. Museum exhibit programs are educational while presenting the State's unique cultural and heritage experiences.

Activity: Museums Collections

Museum collections are acquired according to policies defined in the institution's collection management policy and are defined as permanent or expendable. This activity supports statewide efforts to protect resources for use and study. Strong depth of collections enhances museum viability in attracting new and diverse audiences.

PROGRAM DESCRIPTION

The Lost City Museum in Overton, Nevada located near the Moapa Paiute Indian Reservation, serves the public by studying, preserving, and protecting prehistoric Anasazi Pueblo sites and artifacts found in the Moapa Valley area, and interpreting these collections through exhibits, public programs, and publications. The Lost City Museum facility is itself an artifact, a Civilian Conservation Corps reproduction of an adobe pueblo dwelling complex and is preserved for future generations. An active archaeological program sponsors pottery workshops and other educational programs as well as occasional archeological digs. Interior and exterior exhibits on the grounds attract numerous tourists interested in topics relating to the Anasazi Pueblo complex, other early Native American cultures of southern Nevada, and the later history of the Moapa Valley, including Mormon settlement, mining, and railroads. The museum serves regional audiences of Native Americans, youth, students, families, adults, and a wide-reaching network of scholars and researchers interested in Native American cultures. Statutory Authority: NRS 381.

BASE

This request continues funding for 5.85 positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

TOURISM - MUSEUMS & HIST-NEVADA HISTORICAL SOCIETY

101-2870

PROGRAM DESCRIPTION

The Nevada Historical Society collects and preserves Nevada's historically-significant manuscripts, photographs, books, maps, newspapers and other artifacts; making them available to the public through library/archives and through educational formats including on-site and off-site exhibit galleries, educational programs and publications, such as the Nevada Historical Society Quarterly. The agency provides researchers with the most comprehensive collections of Nevada-related historical documents available in a single location and presents an active public events and exhibits schedule to include school, youth, adult, and family programs. Statutory Authority: NRS 381.

BASE

This request continues funding for 5.8 positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

PROGRAM DESCRIPTION

The Nevada State Museum, located in the state capital of Carson City, is the state's largest museum. Housed in the historic 1869 Carson City Mint building, listed on the National Register of Historic Places, the museum is an icon and historical artifact. The museum serves the public through extensive collections, education, and exhibition programs related to Nevada's rich heritage of prehistory, history, and natural history. The museum preserves collections at several locations, including the Marjorie Russell Clothing and Textile Research Center and the Indian Hills Curatorial Center. The museum also provides museum technical assistance for Nevada's non-state museums public history support for a variety of reference and public program requests, and fosters occasional archaeological and natural history fieldwork. America's largest exhibited Imperial Mammoth; Dat So La Lee Baskets; "U.S.S. Nevada" silver service; a replica walkthrough mine and ghost town; and Coin Press No. 1. are all on exhibit. Statutory Authority: NRS 381.

PROGRAM DESCRIPTION

The Nevada State Museum, Las Vegas, located at the Las Vegas Springs Preserve, is a 70,000 square foot facility that serves the public through collecting, preserving, and interpreting artifacts, specimens, and historical documents representing southern Nevada, with emphasis on its relationship to the Mojave Desert. Long-term and short-term exhibit galleries feature prehistory, history, and natural history collections of interest to residents and tourists; public library and archives contain premier southern Nevada historical photographs and records for use by regional residents and researchers. The museum also has an education program that serves schools as well as residents and out-of-state visitors through programs, tours, workshops, and events. Statutory Authority: NRS 381.

BASE

This request continues funding for 15.11 positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

PROGRAM DESCRIPTION

This budget account funds the Nevada State Railroad Museum in Carson City, the East Ely Railroad Depot Museum, and the Boulder City Railroad Museum. The museums collect and display rolling stock, artifacts, memorabilia, photographs, records, and hardware. The Carson and Boulder City museums run weekend train operations seasonally in each fiscal year. Statutory Authority: NRS 381.

BASE

This request continues funding for 12.20 positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

DTCA - NEVADA ARTS COUNCIL - The Nevada Arts Council (NAC) was established by state law in 1967 to enrich the cultural life of the state through leadership and programs that preserve, support, strengthen and make accessible excellence in the arts for citizens and tourists alike. NAC accomplishes this through: (1) awarding grants that support a breadth of arts and cultural activities throughout Nevada such as folklife festivals, youth artwork projects, concerts, lecture series, arts and healing programs, and visual arts exhibits; (2) the design and management of outreach programs and initiatives open to residents in all geographic regions of the state, such as the Folklife Education Initiative and Poetry Out Loud; (3) providing professional development opportunities, such as workshops, webinars and conferences; and (4) maintaining active partnerships with communities and tribal agencies, schools and educators, arts organizations and artists, and nonprofit and for-profit businesses.

Division Budget Highlights:

- 1. **Increase Arts Grant Funding** - To support the Nevada Art Council's grant program and to mitigate agency cuts from the past two biennia, an additional \$250,000 for the biennium has been included in the Governor's Recommended Budget and is intended to grow public access to arts and cultural activities across the state.

Total \$	1,977,540	1,978,618
Total FTE	10.00	10.00

Division Biennium Total by Core Function

Activity: Arts and Cultural Grant Administration, Distribution and Management

The NAC invests federal and state dollars in Nevada's rural towns and urban neighborhoods through the annual distribution of hundreds of direct grants to arts, community, social service and healthcare nonprofits; public institutions; tribal agencies; schools; and the cultural workforce of administrators, artists, and educators.

PROGRAM DESCRIPTION

The Nevada Arts Council (NAC) is the sole and official agency of the state to receive and distribute funds from the National Endowment for the Arts. The NAC was established in 1967 to "enrich the cultural life of the state through leadership and programs that preserve, support, strengthen and make accessible excellence in the arts for citizens and tourists alike." NAC accomplishes this through: (1) awarding grants that support a breadth of arts and cultural activities throughout Nevada; (2) the design and management of outreach programs and initiatives available to all geographic regions of the state; (3) providing professional development opportunities; and (4) maintaining active partnerships with communities and tribal organizations, schools and educators, arts organizations and artists, and nonprofit and profit businesses. A professional staff manages the agency's six program areas designed to advance the agency's mission and serve a diverse client base - Grants, Arts Education, Community Arts Development, Public Awareness and Arts Initiatives, Folklife, and Artist Services. Statutory Authority: NRS 233C.

DEPARTMENT OF HEALTH AND HUMAN SERVICES - The Department of Health and Human Services (DHHS) promotes the health and well-being of Nevadans through the delivery of essential services to ensure families are strengthened, public health is protected and individuals achieve their highest level of self-sufficiency. The department consists the following divisions: Aging and Disability Services, Child and Family Services, Health Care Financing and Policy, Public and Behavioral Health and Welfare and Supportive Services; and the Public Defender's Office. Programs managed within the Director's Office include: Office of Suicide Prevention, Head Start State Collaboration Office, and the Grants Management Unit. Statutory Authority: NRS 232.290-465.

Department Budget Highlights:

1. **Consolidate Disability Services** - Transfers Developmental Services (DS) from the Mental Health and DS Division, and Early Intervention Services from the Health Division to create a continuum of services across the lifespan in one agency.
2. **Medicaid Expansion - Affordable Care Act (ACA)** - The expansion of Medicaid under ACA covers approximately 78,000 new lives. ACA mandate for health insurance increases Medicaid by an additional 68,000 lives. Total computable (state and federal) cost for medical expenditures for the biennium is \$702 million/\$80 million in General Funds.
3. **Indigent Accident and Supplemental Fund (IAF)** - The IAF/Supplemental Fund has been transferred to the General Funds for the past 5 fiscal years, totaling more than \$100 million. Few claims have been paid to hospitals and other providers over this period. The Governor Recommends budget ends the transfer of these funds to the General Funds.
4. **Consolidation of Public & Behavioral Health** - This consolidation will integrate public and behavioral health services by leveraging existing capacity. Implementing a patient centered system of care for prevention, early intervention and access to treatment.
5. **Field Services Caseload Growth** - Field Services includes staff that determine eligibility for public assistance, health care, and social services programs. The division is requesting 460.5 new/transferred positions and four new field offices to support caseload growth.
6. **Consolidate Juvenile Justice Budgets** - The three juvenile justice correctional centers budgets are combined into a single Correctional Facilities budget to provide the flexibility needed to operate the facilities based on the needs of the youth committed by the courts for correctional care.
7. **Affordable Care Act (ACA) Savings** - The ACA will save the state substantial General Fund for pharmacy expenditures, outpatient services, and substance abuse prevention and treatment (SAPTA) because Medicaid can be billed for more of the services currently provided.

Department Budget Highlights (continued):

8. **Reopen Summit View Correctional Center (SVCC)** - Reopening will occur October 2013. Funding is included for up to fifty state correctional beds and necessary start-up costs for equipment/services to bring the facility to an operational level. Savings from Elko Youth Training Center due to low capacity is being reinvested for the reopening of SVCC.
9. **Expand Nevada Early Intervention Services** - Substantial increases have been included to serve additional children. Projections estimate children served will increase from approximately 2800 on June 30, 2012 to just over 3600 children by the end of this biennium.

DHHS - HEALTH AND HUMAN SERVICES DIRECTOR'S OFFICE - The Department of Health and Human Services (DHHS) promotes the health and well-being of Nevadan's through the delivery or facilitation of essential services to ensure families are strengthened, public health is protected and individuals achieve their highest level of self-sufficiency.

Division Budget Highlights:

- 1. **Indigent Accident and Supplemental Fund (IAF)** - The IAF/Supplemental Fund has been transferred to the General Funds for the past 5 fiscal years, totaling more than \$100 million. Few claims have been paid to hospitals and other providers over this period. The Governor Recommends budget ends the transfer of these funds to the General Funds.
- 2. **Reduced Grant Funding** - In the second year of the biennium, the Governor's Office of Consumer Health Assistance will be reduced from 15.5 positions to 11.5 positions as a result of the loss of Health Insurance Exchange and United Health Settlement funding.
- 3. **Restored Slot Tax Funding** - Problem Gambling Program is funded from a \$2 per machine slot tax. In the previous biennium, \$1 of the \$2 tax had been transferred to the General Fund to help offset budgetary shortfalls. Funding will be restored to \$2 during this biennium and used to provide treatment and prevention programs.
- 4. **Office of Suicide Prevention** - Four positions will transfer to the Division of Public and Behavioral Health within Maternal Child Health Services. Approximately \$500,000 per year in Healthy Nevada Funds will be used to replace expiring Suicide Prevention Grant funding and provide budget stability to the program.
- 5. **Health Information Exchange (HIE)** - Federal grant funding for the HIE will end in February 2014 eliminating four positions associated with this project at the end of first year of the biennium. The activities associated with the Nevada HIE will shift to the private self-sustaining non-profit HIE created per NRS 439.588.

Activity: Public Defense Client Services

The Office of the State Public Defender represents indigent adults and juveniles prosecuted either by the State Attorney General or by county District Attorneys whose county has not created a county public defender office. Representation starts at appointment by a court and continues through direct appeal, including probation and parole violations. The office also represents persons convicted of a crime seeking leniency at the Pardons Board and persons filing an appeal of a post conviction habeas petition denial.

HHS-DO - GRANTS MANAGEMENT UNIT

101-3195

PROGRAM DESCRIPTION

The Grants Management Unit consolidates the function and management of grant programs that pass funds through to community level and state sub-recipients. The Grants Management Unit was created to ensure the standardization of procedures, simplification of accounting, and co-location of staff. The efficiencies realized allow the department to use fewer funds for administrative purposes and to pass more funds to grantees providing direct services. Grantees have also benefited from the standardized procedures used to request funding.

BASE

This request continues funding for 8.51 positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-DO - CHILDREN'S TRUST ACCOUNT

101-3201

PROGRAM DESCRIPTION

Effective July 1, 1985, Chapter 432 of the Nevada Revised Statutes (NRS) was amended to create the Children's Trust Account. Revenues for this account are derived from a \$3.00 fee on Nevada birth and death certificates. Additionally, Nevada has received a federal grant that was awarded in accordance with section 201 of Title II of the Child Abuse Prevention and Treatment Act (Community-Based Family Resource Program) Public Law 103-252. Funds in the Children's Trust Account are to be used to support programs and services designed to prevent abuse and neglect of children. Statutory Authority: NRS 432.131 - NRS 432.133.

HHS-DO - CONSUMER HEALTH ASSISTANCE

101-3204

PROGRAM DESCRIPTION

The Office for Consumer Health Assistance, which includes the Bureau of Hospital Patients and the Office of Minority Health, provides a single point of contact for consumers, including members of minority groups and injured workers regarding healthcare issues. The objective is to assist them in understanding their rights and responsibilities under Nevada law and health care plans, including industrial insurance policies. In addition, the office disseminates information through outreach activities including counseling, education and advocacy to increase awareness of and access to health care services. Statutory Authority: Nevada Revised Statute 223.550 and 232.467.

BASE

This request continues funding for 15.51 positions and associated operating costs. One-time expenditures have been eliminated, partial year costs have been annualized.

DHHS - AGING AND DISABILITY SERVICES DIVISION - The Aging and Disability Services Division provides leadership and advocacy in the planning, development and delivery of a high quality, comprehensive support service system across the lifespan to allow all of Nevada's elders, children and adults with disabilities or special health care needs, to live independent, meaningful, and dignified lives in the most integrated setting appropriate to their needs.

Division Budget Highlights:

1. **Consolidate Disability Services** - Transfers Developmental Services (DS) from the Mental Health and DS Division, and Early Intervention Services from the Health Division to create a continuum of services across the lifespan in one agency.
2. **Fund Dental Services** - Changes in the Affordable Care Act will reduce the need for Pharmacy (Rx) coverage and allow the Senior and Disability Rx Program to implement a Dental Benefit Plan to serve 845 persons over the biennium.
3. **Expand Autism Treatment Assistance** - General Fund support of \$2 million is added for Autism Services. The number of children served will double, increasing from 137 in fiscal year (FY) 13 to 236 in FY14 and 341 in FY15.
4. **Expand Nevada Early Intervention Services** - Substantial increases have been included to serve additional children. Projections estimate children served will increase from approximately 2800 on June 30, 2012 to just over 3600 children by the end of this biennium.
5. **Increase Developmental Services** - This request adds funding for Supported Living Arrangements and Jobs and Day Training placements. 55.5 employees were added to support caseload growth.

HHS-ADSD - TOBACCO SETTLEMENT PROGRAM

262-3140

PROGRAM DESCRIPTION

The Aging and Disability Services Division supports the Independent Living Grants of the Fund for a Healthy Nevada. The Independent Living Grants enhance the independent living of older Nevadans through services enabling older persons to remain at home and avoid institutional placement. The services provided include transportation, information assistance and advocacy, adult day care, legal assistance, homemaker services, companion, respite, home repair, and caregiver support services.

BASE

This request continues funding for sub-grantees and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

PROGRAM DESCRIPTION

The mission of the Aging and Disability Services Division (ADSD) is to provide leadership and advocacy in the planning, development, and delivery of a high quality, comprehensive support service system across the lifespan, to allow all of Nevada's elders, children, and adults with disabilities, or special health care needs to live independent, meaningful, and dignified lives in the most integrated setting appropriate to their needs. This budget account includes the Resource Development Unit which is part of the Supportive Services Unit, the Long-Term Care Ombudsman Program which is part of the Elder Rights Unit, and agency administration. The Resource Development Unit is responsible for grants administration, community resource development, as well as the Taxi Assistance Program, formerly Senior Ride, and the Community Advocates for Elders Program. The Community Advocates for Elders Program, authorized by NRS 427A.300, provides coordination of resources and assistance to persons who are sixty years of age or older and do not reside in facilities for long-term care. The Long-Term Care Ombudsman Program is established under Title III and Title VII of the Older Americans Act and NRS 427A.125. This program receives, investigates, and resolves complaints made by or on behalf of residents 60 years of age or older living in long-term care facilities. Elder Rights Specialists i.e. Long-Term Care Ombudsmen ensure the health, safety, and civil rights of residents are protected. Agency administration includes general administration, fiscal services, information technology, personnel services, and the Elder Rights Attorney. Statutory Authority: NRS 427A.122.

BASE

This request continues funding for eighty-eight positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

PROGRAM DESCRIPTION

The Nevada Senior Rx and Disability Rx programs assist eligible applicants to obtain essential prescription medications. Members who are not eligible for Medicare pay ten dollars for generic drugs and twenty-five dollars for brand name drugs. Members who are eligible for Medicare receive help with the monthly premium for their Medicare Part D plan and may use the program as a secondary payer for prescription medication during the Medicare Part D coverage gap. Senior Rx statutory authority: NRS 439.635 - 439.795 and NAC 439.750 - 439.790; Disability Rx statutory authority: NRS 439.705 - 439.795 and NAC 439.750 - 439.790; RX Programs funding authority: Tobacco funding - NRS 439.630.

BASE

This request continues funding for three positions and associated operating costs. One-time expenditures have been eliminated and partial year cost have been annualized.

HHS-ADSD - HOME AND COMMUNITY BASED SERVICES

101-3266

PROGRAM DESCRIPTION

The mission of the Aging and Disability Services Division is to provide leadership and advocacy in the planning, development, and delivery of a high-quality, comprehensive support service system across the lifespan to allow all of Nevada's elders, children, and adults with disabilities or special health care needs, to live independent, meaningful, and dignified lives in the most integrated setting appropriate to their needs.

This budget account includes Disability Services unit, Community Based Care, and Elder Protective services. The Disability Services unit provides resources at the community level that assist people with severe disabilities and their families in helping them to live as independently as possible, and to live in an integrated setting. The Community Based Care (CBC) unit provides service to those seniors and persons with disabilities most at risk through the Home and Community Based Waiver (HCBW) for the Frail Elderly, Assisted Living Waiver (AL), Community Service Options Program for the Elderly (COPE), Homemaker Program, and Personal Assistance Services (PAS) to provide alternatives to nursing home placement. The Elder Protective Services (EPS) Program, which is part of the Elder Rights Unit, receives and investigates reports of abuse, neglect, self neglect, exploitation, and isolation of persons aged 60 years and older.

BASE

This request continues funding for 134 positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

M200 DEMOGRAPHICS/CASELOAD CHANGES

This request increases caseload for the Home and Community Based Services (CBC) waiver programs based on demographic growth. In fiscal year 2014, the Home and Community Based Waiver (HCBW) slots increase from 1,713 to 1,771. In fiscal year 2015 the slots will increase from 1,771 to 1,830. For the Community Service Options Program for the Elderly (COPE) the fiscal year 2014 slot increases from the 2012 actual budget caseload (as of June 30, 2012) based on demographic growth. For fiscal year 2014 the case load increases from 51 to 59. The fiscal year 2015 caseload increases from 59 to 61. The slots for the Assisted Living Waiver remain flat. An additional six Social Worker II positions and one Social Worker Supervisor I are requested to support infrastructure and allow the division to meet regulatory compliance outlined by the Centers for Medicare and Medicaid Services.

M540 MANDATES - OLMSTEAD

The Olmstead Decision of 1999 is a Federal Supreme Court ruling which mandates that states serve people with disabilities in community settings whenever possible. In addition, it calls for waiting lists to move at a "reasonable pace", which has been defined as ninety days in Nevada. Cases are prioritized to serve individuals at risk of institutional placement before all others. Fiscal year 2014 caseload for the Independent Living Program increases from 244 to 300, and the waitlist decreases from 205 to 180. Fiscal year 2015 caseload increases from 300 to 360, and the waitlist decreases from 180 to 156.

HHS-ADSD - IDEA PART C

101-3276

PROGRAM DESCRIPTION

The IDEA Part C Office monitors quality, compliance, and outcomes of programs and activities conducted by agencies, institutions, organizations, and providers for infants and toddlers with disabilities and their families. This includes facilitating the coordination of payment by federal, state, local, and private sources; enhancing the state's capacity to provide quality services; expanding and improving existing services; and enhancing the capacity of state and local agencies to identify, evaluate, and meet the needs of historically under-represented populations. Statutory Authority: Part C of IDEA established in 1986.

BASE

This request continues funding for eight positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-ADSD - EARLY INTERVENTION SERVICES

101-3208

PROGRAM DESCRIPTION

Nevada's Early Intervention Services identifies infants and toddlers who are at risk for or have developmental delays; provides services and support to families to meet the individualized developmental needs of their child; and facilitates the child's learning and participation in family and community life through the partnership of families, caregivers and service providers. Nevada Early Intervention Services has offices in Carson City, Reno, Elko, Las Vegas, and Ely. In addition, the program uses General Fund and Part C Individuals with Disabilities Education Act (IDEA) funds to contract for early intervention services. Statutory Authority: NRS 439.200 and NRS 442.

BASE

This request continues funding for 169.62 positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-ADSD - FAMILY PRESERVATION PROGRAM

101-3166

PROGRAM DESCRIPTION

The Family Preservation Program (FPP) provides financial assistance on a monthly basis to low-income families residing in Nevada who are providing care in their home for family members with profound or severe mental retardation. Also covered are children under six years of age who have developmental delays that require support equivalent to that required by a person with profound or severe mental retardation or a related condition. The purpose of this assistance is to help offset expenses necessary to meet the special needs of the person with mental retardation and to help strengthen and support families, thereby keeping families intact and reducing the need for out-of-home placement. Families use assistance payments to obtain specialized supplies or equipment (wheelchairs, clothing, diapers, therapy services, special diets, transportation services) and general income supplementation. Statutory Authority NRS 435.365.

BASE

This request continues funding for program operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-ADSD - RURAL REGIONAL CENTER

101-3167

PROGRAM DESCRIPTION

Rural Regional Center operates six Developmental Services Centers that provide or purchase services for people with developmental disabilities and related conditions and their families. The centers serve Nevada counties with the exception of Washoe, Clark, and parts of Nye, Lincoln, and Esmeralda. Most services are funded by Medicaid Title XIX through the Home and Community Based Waiver and Targeted Case Management. Services purchased or provided include: service coordination, family supports, residential supports, jobs and day training, clinical services, and quality assurance. Statutory Authority: NRS 433 and 435.

BASE

This request continues funding for 37.28 positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-ADSD - DESERT REGIONAL CENTER

101-3279

PROGRAM DESCRIPTION

Desert Regional Center operates a full-service developmental disabilities center that provides or purchases services for people with developmental disabilities and related conditions and their families. The center serves Southern Nevada counties, including Clark and parts of Nye and Lincoln counties. Most services are funded by Medicaid Title XIX through the Home and Community Based Service (HCBS) Waiver and Targeted Case Management. Services purchased or provided include: service coordination, family supports, residential supports, jobs and day training, clinical services, and quality assurance. Statutory Authority: NRS 433 and 435.

BASE

The request continues funding for 260.11 positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-ADSD - SIERRA REGIONAL CENTER

101-3280

PROGRAM DESCRIPTION

The Sierra Regional Center provides a full-service developmental disabilities center which provides or purchases services for people with developmental disabilities and related conditions and their families. The center serves Washoe County and provides backup services to northern rural counties. Most services are funded by Medicaid Title XIX through the Home and Community Based Waiver and Targeted Case Management. Services purchased or provided include: service coordination, family supports, residential supports, jobs and day training, autism specific services, and quality assurance. Statutory Authority: NRS 433 and 435.

BASE

This request continues funding for 67.53 positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

DHHS - HEALTH CARE FINANCING & POLICY - The mission of the Nevada Division of Health Care Financing and Policy (DHCFP) is to purchase and provide quality health care services to low-income Nevadans in the most efficient manner; promote equal access to health care at an affordable cost to the taxpayers of Nevada; restrain the growth of health care costs; and review Medicaid and other state health care programs to maximize potential federal revenue.

Division Budget Highlights:

1. **Replace Information Technology** - Plan to replace the Medicaid Management Information System (MMIS). NV is one of two states that remains with an antiquated system. Contract funding to program MMIS to interface with the Health Information Exchange and the Transformed Medicaid Statistical Information System.
2. **Medicaid Expansion - Affordable Care Act (ACA)** - The expansion of Medicaid under ACA covers approximately 78,000 new lives. ACA mandate for health insurance increases Medicaid by an additional 68,000 lives. Total computable (state and federal) cost for medical expenditures for the biennium is \$702 million/\$80 million in General Funds.
3. **Transfer Nevada Check Up (NCU) Eligibility Staff** - Eligibility staff is being transferred from DHCFP to Welfare creating a one-stop eligibility shop model and making it easier for residents to access public programs. The medical claims process and benefit coverage for NCU remains with the DHCFP.
4. **Increase Primary Care Physician Rates** - Due to ACA mandate, Medicaid primary care physician reimbursement rates increase in 2013 and 2014 to Medicare rates and is 100% federally funded for 18-months for the Medicaid Program. General Funds are needed for the remaining six months and for the increase in Nevada Check Up rates.
5. **Cost Sharing** - Additional proposed cost sharing method to Medicaid recipients to promote recipient accountability for medical expenditures.
6. **Expand Waiver Slots** - Expansion of waiver slots will allow an additional 562 Nevadans access to one of three Home and Community Based Waivers as an alternative to in-patient long-term care facilities.

HHS-HCF&P - HIFA HOLDING ACCOUNT

101-3155

PROGRAM DESCRIPTION

The Health Insurance Flexibility Accountability (HIFA) Waiver uses Federal Title XXI State Children Health Insurance Program (SCHIP) funds to extend Medicaid coverage to pregnant women whose income is between 133% and 185% of the federal poverty level (FPL), and the Employer Insurance Program (EIP) for small businesses. This program subsidizes insurance premiums for individuals who have children and provides pregnancy related medical coverage for pregnant women with incomes less than 200% of FPL; employed by a small business (2-50 employees) and enrolled in their employer's health plan. The HIFA Holding Account includes General Fund appropriations and a matching transfer from the Supplemental Account for Medical Assistance to Indigent Persons to pay the state share of HIFA program costs.

Statutory Authority: NRS 422A.015, 422.2726, 422.2727, 422.2728 and 428.305.

BASE

The Health Insurance Flexibility Accountability waiver program was eliminated as the waiver expired November 30, 2011.

HHS-HCF&P - INTERGOVERNMENTAL TRANSFER PROGRAM

101-3157

PROGRAM DESCRIPTION

The Intergovernmental Transfer (IGT) account collects payments from counties to be used as state matching funds for Medicaid expenditures, thus reducing the need for state General Fund appropriations. Payments are collected from Clark and Washoe counties in support of supplemental Disproportionate Share Hospital (DSH) payments to hospitals. DSH payments support facilities that serve a disproportionate share of Medicaid, indigent, or other low-income patients. This reduces the burden of uncompensated costs for these facilities. The IGT also collects payments from counties to support supplemental Upper Payment Limit (UPL) payments to non-state public hospitals. The UPL program allows supplemental payments to non-state public hospitals so that their overall Medicaid payments approximately equal what they would have been paid under the federal Medicare program. The proceeds are deposited to this account and transferred as needed to Nevada Medicaid, budget account 3243, for the DSH and UPL payments, to Health Care Financing and Policy, budget account 3158, for related administrative costs, to Nevada Check-Up, budget account 3178, to defray expenses, and the remainder balanced forward to reserve.

Statutory authority: NRS 422.380 through 422.390 and the Nevada State Plan under Title XIX of the Social Security Act.

BASE

This request continues funding for categorical expenditures.

PROGRAM DESCRIPTION

This budget account represents administrative support for the Division of Health Care Financing and Policy. The division's mission is to purchase and ensure the provision of quality health care services, including Medicaid and Nevada Check Up, to low-income Nevadans in the most efficient manner; promote equal access to health care at an affordable cost to the taxpayers of Nevada; restrain the growth of health care costs; and review Medicaid, Nevada Check Up, and other State Health Care programs to maximize federal revenue to the state.

Statutory Authority: NRS 422, NRS 439B, Title XIX and Title XXI of the Social Security Act and Section 42 of the Code of Federal Regulations.

BASE

This request continues funding for 262.51 employees and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-HCF&P - INCREASED QUALITY OF NURSING CARE

101-3160

PROGRAM DESCRIPTION

The 2003 Legislature instituted a Long Term Care (LTC) provider tax on freestanding long term care facilities to increase the quality of long term nursing care in Nevada. The tax rate is based on 6% of net patient revenues (42 CFR 433.68). The proceeds of the tax are deposited to this account and then transferred, as needed, to Nevada Medicaid, budget account 3243, to make monthly supplemental payments to skilled nursing facilities caring for Medicaid recipients, up to one percent to Health Care Financing & Policy Administration, budget account 3158, for administrative costs; and the remainder is balanced forward to reserve.

Statutory authority: NRS 422.3755 through 422.379.

BASE

This request continues funding for categorical expenditures.

HHS-HCF&P - NEVADA CHECK-UP PROGRAM

101-3178

PROGRAM DESCRIPTION

Nevada initiated a Children's Health Insurance Program (CHIP) in 1998, known as Nevada Check Up. Under Title XXI of the Social Security Act, CHIP provides options for states to cover health care costs for low-income, uninsured children not eligible for Medicaid, whose family income is at or below 200% of the federal poverty level (FPL). The Nevada Check Up Program is a stand-alone program. It is not an entitlement program nor is it part of the Medicaid Program. Families are assessed quarterly premiums based on family size and income. Statutory Authority: NRS 432A.300, NRS 422, Federal Title XXI of the Social Security Act, and Section 43 of the Code of Federal Regulations.

BASE

This request continues funding for 25.51 positions and associated operating costs and medical services costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-HCF&P - NEVADA MEDICAID, TITLE XIX

101-3243

PROGRAM DESCRIPTION

This budget account represents Medicaid medical costs for the Division of Health Care Financing and Policy as authorized by Federal Title XIX of the Social Security Act. The mission of the division is to purchase quality, accessible, and economical health care services for eligible Nevadans. Federal regulations define mandatory recipient groups to be covered; Nevada generally covers only those mandatory groups. The Welfare and Supportive Services Division and the Department of Health and Human Services provide caseload forecasts. Cost-per-eligible data is produced from the Medicaid Management Information System (MMIS) and is based on paid medical claims history. This data is factored with the caseload projections to produce budgeted medical expenditures. Statutory Authority: NRS 422, NRS 439B, Federal Title XIX of the Social Security Act, Section 42 Code of Federal Regulations, and the Nevada State Plan.

BASE

This request continues funding for medical payments.

M511 MANDATES

This request expands the Mental Retardation and Related Condition (MRRC) Waiver by an additional 250 slots for fiscal years 2014 and 2015 in order to reduce the wait list and wait time which have developed as all current waiver slots are full. The MRRC Waiver is limited by legislative authority to a specific number of recipients who can be served through the waiver per year. The number of days individuals spend on the wait list is significant because the waiver is at capacity and has been for some time.

M514 MANDATES

This request expands the Division of Aging and Disability Services Community Home Based Initiative Program (CHIP) Waiver for the Frail Elderly by an additional 120 slots for fiscal years 2014 and 2015 in order to reduce the wait list and wait time which have developed as all current waiver slots are full. The CHIP Waiver is limited, by legislative authority to a specific number of recipients who can be served through the waiver per year. The number of days individuals spend on the wait list is significant because the waiver is at capacity and has been for some time.

M741 ACA CASELOAD

This request includes medical costs for recipients who are currently enrolled in Nevada Check Up (NCU), or who are currently eligible for NCU but not enrolled, that will become eligible for Medicaid due to changes made through the passing of the Affordable Care Act. It is anticipated changes to how income is counted in the eligibility determination, specifically using the Modified Adjusted Gross Income (MAGI) up to 138% of the federal poverty level, will transfer numerous NCU recipients from the NCU program to the Medicaid program. This population will be eligible for Medicaid at the Enhanced NCU Federal Medical Assistance Percentages rate.

HHS-HCF&P - HIFA MEDICAL

101-3247

PROGRAM DESCRIPTION

This budget account funds medical services under the Health Insurance Flexibility and Accountability (HIFA) waiver. The HIFA waiver uses Federal Title XXI State Children's Health Insurance Program (SCHIP) funds to expand insurance coverage to pregnant women whose income is between 133% and 185% of the federal poverty level (FPL) and to provide monthly Employee Subsidies for Insurance (ESI) to employees of small business whose income is below 200% FPL. The state share of the funding is provided by a transfer from budget account 3155 - HIFA Holding Account. Statutory authority: NRS 422.2726 through 422.2729.

BASE

The Health Insurance Flexibility Accountability waiver program was eliminated as the waiver expired November 30, 2011.

HHS-WELFARE - ADMINISTRATION

101-3228

PROGRAM DESCRIPTION

The Welfare Administration budget account funds the administrative expenses associated with ensuring public assistance programs are administered in accordance with federal and state regulations. This includes providing the necessary support to allow field staff to provide quality, timely, and temporary public assistance enabling Nevada families, the disabled, and the elderly to achieve the highest levels of self-sufficiency. This support includes but is not limited to:

- * Fulfill federal reporting requirements
- * Development and adoption of state plans and regulations
- * Implementation of consistent policies and regulations and issuance of policy manuals
- * Conduct federally mandated quality control and management evaluations
- * Participation with field and program operations in the development of meaningful business practices
- * Development and monitoring of meaningful performance measures consistent with Legislative intent
- * Provide personnel support for recruitment, retention, employee development, work performance measurement, as well as compliance with non-discrimination, Americans with Disabilities Act, and Family and Medical Leave Act
- * Development and implementation of effective organizational training
- * Sustain a robust Information Systems operations, maintenance, and enhancements
- * Provide meaningful fiscal, statistical, contract, and facility oversight
- * Conduct timely and objective Administrative Fair Hearings
- * Coordination of collaborative partnerships with public, private, and non-profit entities to maximize service delivery
- * Development of a medical subsidy eligibility engine designed to accommodate the provisions of Health Care Reform as federally mandated by the Patient Protection and Affordable Care Act (PPACA) in order to implement by January 1, 2014.

There are currently 193 positions in this budget, located primarily in the Carson City central office.

Statutory authority for the Welfare Administration budget account is provided in the Nevada Revised Statutes, Chapter 422A.

BASE

This request continues funding for 193 positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-WELFARE - TANF

101-3230

PROGRAM DESCRIPTION

The Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (PRWORA) replaced the entitlement for Aid to Families with Dependent Children (AFDC) with a Temporary Assistance for Needy Families (TANF) block grant covering cash assistance, employment and training activities and other activities meeting the four goals of TANF:

1. Provide assistance to needy families so children may be cared for in their homes or in the homes of relatives.
2. End the dependence of needy parents on government benefits by promoting job preparation, work and marriage.
3. Prevent and reduce the incidence of out-of wedlock pregnancies.
4. Encourage the formation and maintenance of two-parent families.

Although significantly curtailed by the Deficit Reduction Act of 2005, PRWORA gave Nevada the flexibility to design its own self-sufficiency program to assist recipients in finding and keeping jobs. The program uses elements such as capped funding, work requirements and time limits on program eligibility to limit long-term dependency.

There are currently three different types of TANF benefit programs offered to new applicants:

1. New Employees of Nevada (NEON)
2. Child Only for households containing no-work eligible individuals
3. Temporary Program (TEMP) providing short term assistance limited to an episode of need as a result of unforeseen circumstances, which includes a natural disaster such as a flood, earthquake, etc.

There is also a small residual caseload of the previously offered TANF Loan Program which provides monthly benefits to a family anticipating a future lump sum payment.

TANF is federally funded through a block grant from the Department of Health and Human Services. The annual federal TANF block grant is \$43.9 million and is anticipated to remain at that level. Under the maintenance of effort (MOE) provision in the federal regulations, states are required to contribute money equal to 80 percent of the amount spent on Aid to Families with Dependent Children (AFDC) and AFDC-related programs during fiscal year 1994. The 80 percent MOE can be reduced to 75 percent for each year the work participation rates are met. For Nevada, the total TANF MOE is \$27 million of which \$24.6 million is in the TANF budget account. The remaining \$2.5 million is spent in the Child Care budget (3267), which is counted as MOE for both TANF and Child Care.

The TANF program mandates the state to participate in a Child Support Enforcement Program (CSEP) which is funded through Budget Accounts 3238 and 3239.

Statutory authority for the Temporary Assistance for Needy Families (TANF) budget account is provided in the Nevada Revised Statutes, Chapter 422A.

HHS-WELFARE - ASSISTANCE TO AGED AND BLIND

101-3232

PROGRAM DESCRIPTION

The State Supplemental Assistance Program provides an additional payment to low-income aged and blind individuals; receiving Supplemental Security Income (SSI), and provides adult group care facilities with a greater supplement to assist recipients in avoiding or delaying institutionalization. The federal government started the SSI program on January 1, 1974. The program is administered by the Social Security Administration (SSA), and states were given the option to make payments in addition to the amount paid by the federal government. Nevada has paid a state supplement to the aged and blind since the start of the program. The prevention of, or delay in, institutionalization results in cost savings for the Medicaid program.

The Division of Welfare and Supportive Services contracts with the SSA to determine eligibility and issue the state supplement. States pay a per check charge for each SSI payment made. The cost per check is \$10.94 in federal fiscal year 2012 and \$11.12 in federal fiscal year 2013. The state supplement and federal payment are paid monthly to the recipient and combined in one check from the SSA.

Statutory authority for the State Supplemental Assistance Program is provided in the Nevada Revised Statutes, Chapter 422A.

HHS-WELFARE - FIELD SERVICES

101-3233

PROGRAM DESCRIPTION

The Field Services budget provides staff salaries and operating expenses for the various programs administered by the Division of Welfare and Supportive Services (DWSS). This budget account primarily consists of Family Services Specialists who determine eligibility for the major program areas which include: Temporary Assistance for Needy Families, Supplemental Nutrition Assistance Program, and various Medicaid programs, including medical assistance to the aged, blind, and disabled. Family Services Specialists and Social Workers provide employment and support services to assist the needy in overcoming barriers to self-sufficiency.

The federal government mandates specific quality and performance measures for eligibility, client support, and periodic reviews of client circumstances. The state is subject to penalties in the form of grant reductions for non-compliance with the performance measures. If penalized, the state is required to replace the grant reductions with General Fund monies restoring the available program funding to the pre-penalty level. Additionally, program integrity and fraud protection is an integral part of Field Service responsibility.

Field Services is required to provide service and appropriate eligibility to anyone seeking access to DWSS administered programs. All requests are provided with a consistent level of quality service. In state fiscal year 2012, composite caseload declined by 0.2 percent over budgeted planned growth. Over the next biennium, composite caseload is projected to increase 12 to 14 percent.

There are currently 999 positions in this budget, located in District Offices throughout the state.

Statutory authority for the Field Services budget account is provided in the Nevada Revised Statutes, Chapter 422A.

BASE

This request continues funding for 999 positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-WELFARE - CHILD SUPPORT ENFORCEMENT PROGRAM

101-3238

PROGRAM DESCRIPTION

The mission of the Child Support Enforcement Program (CSEP) is to help strengthen families and reduce welfare dependency by ensuring parents live up to the responsibility of supporting their children. CSEP promotes the well-being of children, strengthens families, and reduces the demand on public funds by securing support from legally responsible parents. The Temporary Assistance for Needy Families (TANF) mandates the state participate in CSEP.

In Nevada, this program is administered by the Division of Welfare and Supportive Services (DWSS) and jointly operated with participating county district attorneys' offices through cooperative agreements. CSEP provides five basic services:

- 1) Location of absent parents;
- 2) Establishment of parentage;
- 3) Establishment of child support and medical support orders;
- 4) Enforcement of child support and medical support orders;
- 5) Collection and disbursement of child support and medical support payments.

Funding is matched 34 percent by the state and county and 66 percent by the Federal Child Support Enforcement Grant. The 34 percent state share is funded through State Share of Collections (SSC). The SSC is the amount of TANF dollars allowed to be retained by the state according to federal rules, which are collected through assigned child support payments.

There are currently 121 positions in this budget.

Statutory Authority: Nevada Revised Statutes Chapter 425.

BASE

This request continues funding for 121 positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-WELFARE - CHILD SUPPORT FEDERAL REIMBURSEMENT

101-3239

PROGRAM DESCRIPTION

The Child Support Federal Reimbursement budget account is used to pass through federal payments to participating district attorneys' offices for the federal share of costs and incentive payments associated with their local child support enforcement programs. Currently ten of the seventeen Nevada district attorneys participate in the program under contract to provide intake, location of non-custodial parents, paternity establishment, financial and medical support order establishment, and other enforcement activities. The Child Support Federal Reimbursement budget account was created in the 1999 budget process to separate the child support program's state administrative costs in budget account 3238 from the pass-through of federal funds to the local district attorneys.

Statutory Authority: Nevada Revised Statutes Chapter 425.

BASE

This request continues the pass through of federal payments to local district attorney offices and incentive payments associated with local child support enforcement programs. This request also funds the federal share of unclaimed property distributions.

HHS-WELFARE - CHILD ASSISTANCE AND DEVELOPMENT

101-3267

PROGRAM DESCRIPTION

The Child Care Assistance and Development Program provides assistance to Nevada's low-income families in paying for their child care needs. These services assist people to become and remain self-sufficient, thereby reducing long-term dependency and the associated expenditures to public assistance programs.

The Child Care Assistance and Development Program is administered by the Division of Welfare and Supportive Services with service delivery accomplished by Children's Cabinet in Northern Nevada and Urban League in Southern Nevada. The Child Care and Development Block Grant funds the following child care programs:

- 1) New Employees of Nevada (NEON) program child care services are provided to current Temporary Assistance to Needy Families (TANF) clients who are participating in various NEON components such as orientation, education and vocational training, employment seeking and work participation;
- 2) At-Risk category funds child care payments for non-TANF clients who are income eligible for TANF;
- 3) Discretionary category funds child care and related payments for non-TANF eligible clients.

There are currently ten positions in this budget.

Statutory authority: Nevada Revised Statutes, Chapter 422A.

BASE

This request continues funding for ten positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-WELFARE - ENERGY ASSISTANCE PROGRAM

101-4862

PROGRAM DESCRIPTION

The mission of the Energy Assistance Program (EAP), formerly known as Low Income Home Energy Assistance (LIHEA), is to assist eligible Nevada citizens in meeting their heating and cooling needs.

The EAP provides payments for eligible households, which can be applied to either the heating provider, the cooling provider, or split between the two. In addition, the EAP program provides arrearage assistance to eligible households affording them the opportunity to use their annual EAP benefit allotment as a subsidy to meet monthly heating/cooling costs. EAP payment funding is provided by the Low Income Home Energy Assistance block grant and through the Fund for Energy Assistance and Conservation (B/A 6031), which was created as a result of legislation approved during the 2001 Legislative Session to collect a Universal Energy Charge (UEC) from certain electric/gas utilities.

There are currently 12 positions in this budget.

Statutory authority for administering the Energy Assistance Program is provided in the Nevada Revised Statutes, Chapters 422A and 702.

BASE

This request continues funding for twelve positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-DPBH - RADIATION CONTROL

101-3101

PROGRAM DESCRIPTION

The Radiation Control Program (RCP) protects public health and safety and the environment by regulating sources of ionizing radiation and providing general information concerning ionizing radiation sources. The RCP licenses and inspects radioactive material users; registers and inspects radiation producing machines statewide; issues certificates of authorization to operate mammography equipment and inspects mammography radiation producing machines; educates the public on radon hazards in the home and workplace; licenses and provides oversight of the closed low-level waste disposal site near Beatty, Nevada; coordinates with local counties and other agencies to provide radon training; and conducts statewide radiological emergency response activities. Statutory Authority: NRS 457 and NRS 459.

BASE

This request continues funding for twenty-two positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-DPBH - LOW-LEVEL RADIOACTIVE WASTE FUND

251-3152

PROGRAM DESCRIPTION

Low-level Radioactive Waste Maintenance Fund provides a trust fund for the Radiation Control Program to conduct required post-closure activities at the state-owned, low-level radioactive waste disposal site near Beatty, Nevada. This program assures the closed Low-level Radioactive Waste Disposal Site is maintained professionally and safely, creating a foundation of public confidence that encourages economic development in Nevada. Statutory Authority: NRS 459.

BASE

This request continues funding for operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-DPBH - CANCER CONTROL REGISTRY

101-3153

PROGRAM DESCRIPTION

The primary purpose of the Statewide Cancer Registry is to collect and maintain a record of reportable cases of cancer in the state. The data is used to evaluate the appropriateness of measures for the prevention and control of cancer and to conduct comprehensive epidemiological surveys of cancer and cancer related deaths. Statutory Authority: NRS 457.

BASE

This request continues funding for nine positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-DPBH - HEALTH STATISTICS AND PLANNING

101-3190

PROGRAM DESCRIPTION

Vital Statistics are an integral part of the public health infrastructure that collects data and provides information used for policy and decision making. This information is often key in the complicated adoption process, establishment of paternities, and most importantly, the establishment of identities which enable the general population to become eligible to secure benefits and services from both public and private sector agencies. The Office of Vital Records (OVR) issues certified birth and death certificates, maintains and protects all vital records, and processes all legal corrections and amendments to these vital records. OVR participates in the National Vital Statistics System and responds to the data and statistical needs of policy makers, health programs, health care providers, businesses, researchers, media, educational institutions and the public. Statutory Authority: NRS 440

HHS-DPBH - CONSUMER HEALTH PROTECTION

101-3194

PROGRAM DESCRIPTION

Environmental Health Services (EHS) involves those aspects of public health concerned with the factors, circumstances, and conditions in the environment or surroundings of humans that can exert an influence on health and well-being. The EHS section uses tools such as permitting, management, education, enforcement, consultation, and emergency response for the purpose of preventing environmental health hazards, the promotion and protection of the public health and the environment in the following areas: food protection; bottled water plants and distributors; cosmetic plants; public accommodations; recreational vehicle parks; institutional environmental health; recreational swimming areas and waters; solid and liquid waste management; onsite septic systems; water sanitation; and emergency preparedness. All food-borne illness complaints are investigated, as well as truck wrecks and fires that involve food and drugs. Services and public education are provided throughout the state, in a variety of fields including sanitation courses for food service workers and managers. Offices are located in Carson City, Elko, Winnemucca, Ely, Fallon, and Las Vegas.

This program assures safe food and healthful public facilities and institutions, creating a foundation of public confidence that encourages economic development. School students are assured a healthful environment in which to focus their educational achievement; visitors are assured of their health and safety, thus encouraged to come to Nevada to take part in gaming and non-gaming business, and tourist-related industries. Statutory Authority: NRS 432A, NRS 439, NRS 445A, NRS 446, NRS 447, NRS 449, NRS 583, and NRS 585.

BASE

This request continues funding for 20.51 positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-DPBH - WIC FOOD SUPPLEMENT

101-3214

PROGRAM DESCRIPTION

The Special Supplemental Food Program for Women, Infants, and Children, commonly known as WIC, provides nutritious foods to supplement the diets of pregnant, postpartum and breastfeeding women, infants, and children under age five who have limited income and been determined to be at nutritional risk. Participants get food instruments for healthy foods, advice on good nutrition, health screening, information on health care services like immunizations, prenatal care, family planning, and information about other family support services available in their community. Federal Authority: Code of Federal Regulations, Title 7, Chapter II, Part 246, Subparts A through G.

BASE

This request continues funding for twenty positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-DPBH - COMMUNICABLE DISEASES

101-3215

PROGRAM DESCRIPTION

The mission of the HIV/AIDS Section is to work with local health authorities and the general public to prevent and control communicable and sexually transmitted diseases (STD), including HIV, AIDS, chlamydia, syphilis, gonorrhea, and hepatitis in Nevada. The Sexually Transmitted Disease Program, the HIV/AIDS Surveillance Program, and the Hepatitis Program were transferred to budget account 3219, Biostatistics and Epidemiology, in state fiscal year 2012. The base budget includes the Housing Opportunities for Persons with AIDS (HOPWA) program provided by Housing and Urban Development, HIV Prevention program, Federal Ryan White Comprehensive Care Act program and Rebates used to support the program.

The HIV/AIDS Section consists of the following: HIV Prevention, Ryan White CARE Part B, AIDS Drug Assistance Program (ADAP), and Housing Opportunities for People with AIDS. The program's functions are achieved through collaborative relationships with public and community-based organizations, local health authorities, community members, and other key stakeholders.

Primary activities of HIV Prevention include: coordination of statewide HIV community planning and the development of an annual comprehensive HIV prevention plan; the provision of training and technical assistance to local health authorities and community-based organizations that offer screening and testing; risk reduction education and counseling; drug treatment; and other community-based wellness activities. Additionally, the HIV Prevention Program is tasked with ensuring that new Center For Disease Control HIV prevention strategies and initiatives are implemented statewide. This ensures that Nevadans are receiving the latest behavioral interventions available.

Primary activities of Ryan White CARE Part B program include the provision of HIV/AIDS medications and community-based services to individuals infected and affected with HIV/AIDS. Medications, treatments, and other services are provided through agreements with community-based organizations, pharmacies, and HIV/AIDS specialty clinics. Program income consists of 340B drug rebates received on drugs purchased and is used to support the program. This program income remains with the subgrantee and is added to resources committed to the project to further objectives and cover program costs. Rebate revenue has increased significantly in the last three years. Additional services will be added in state fiscal years 14 and 15 and will be funded with this increase in revenue. See the E225 decision unit for additional information.

HOPWA provides housing assistance and supportive services for individuals living with HIV/AIDS. HOPWA funding is utilized to establish, coordinate and develop housing assistance resources or to acquire, maintain or repair facilities. Services are provided through a contract with a community-based organization.

Statutory Authority: NRS 441A and NRS 439.

BASE

HHS-DPBH - HEALTH FACILITIES HOSPITAL LICENSING

101-3216

PROGRAM DESCRIPTION

The mission of the Bureau of Health Care Quality and Compliance (HCQC) is to protect the safety and welfare of the public through regulation, licensing, enforcement and education. The mission of the health facilities section of HCQC is promotion and advocacy of quality health care.

The health facilities section accomplishes its mission by evaluating the quality of health care provided to residents/patients of medical facilities, medical laboratories and facilities for the dependent. This section also evaluates qualifications and issues licenses to certain allied health professionals, such as medical laboratory personnel, dietitians and music therapists. This section has environmental health specialists that conduct kitchen inspections in health facilities and an infection prevention and control team that provides evaluation, consultation and education. Evaluation of health facilities is accomplished through onsite observations, documentation review, interviews and attestations. Initial and periodic inspections are conducted and complaints are investigated or administrative interventions are accomplished for immediate resolution of health care consumer concerns. When necessary, licensees receive appropriate administrative sanctions and fines. The health facilities section also has an agreement with the federal Centers for Medicare and Medicaid Services (CMS) to conduct inspections in certain medical facilities. The health facilities section also has an agreement with CMS to certify certain medical laboratories for compliance with the Clinical Laboratory Improvement Amendments (CLIA). The health facilities section is responsible for dissemination of health facility regulation information and education for the public, other governmental entities, and health facility applicants/providers. This section also partners with several industry groups for ongoing communication and strategies regarding regulatory issues.

BASE

HHS-DPBH - HEALTH FACILITIES-ADMIN PENALTY

101-3217

PROGRAM DESCRIPTION

This account is accounted for separately and includes administrative sanctions collected from health facilities found to be in violation of statutes and regulations. The revenue from sanctions vary from year to year, based on inspection findings and egregious events that are not predictable. Statutes authorize the division to use money in the fund for training and education to employees of Public Health, employees of medical facilities, and members of the general public regarding issues relating to the provision of quality and safe health care.

Statutory Authority: NRS 449.163, NRS 449.447, NRS 449.093, NRS 449.170, NRS 449.2486, NRS 449.210, NRS 449.2496, NRS 449.0308.

BASE

This request continues funding operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-DPBH - PUBLIC HEALTH PREPAREDNESS PROGRAM

101-3218

PROGRAM DESCRIPTION

This budget includes multiple programs that perform the following activities: preparation for and management/mitigation of the response to public health emergencies caused by naturally-occurring disasters or terrorism; primary care health planning and provider recruitment and retention; and emergency medical systems response. These activities are accomplished through combined health care planning, health care systems, and response efforts of various disciplines across the State of Nevada such as public health, primary care providers, emergency management, community services, the healthcare community, law enforcement etc. To ensure consistency with the National Preparedness Response Framework, all activities and capabilities are being developed to be National Incident Management System (NIMS) compliant.

The purpose of these programs is to improve Nevada's public health infrastructure in order to be better prepared to respond to public health emergencies including natural and manmade disasters and to bring medical resources to the State's Health Professional Shortage Areas. These are critical in protecting the life, health and safety of Nevada's citizens and visitors. Statutory Authority: NRS 414, NRS 439, NRS 439A, NRS 440, NRS 441A, and NRS 442

BASE

This request continues funding for nineteen positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-DPBH - BIOSTATISTICS AND EPIDEMIOLOGY

PROGRAM DESCRIPTION

The Biostatistics and Epidemiology budget account serves the Nevada State Health Division's Office of Public Health Informatics and Epidemiology (OPHIE). The mission of the OPHIE is to conduct disease surveillance, investigate disease outbreaks, and provide quality, timely, and relevant data and statistics to supportive public health stakeholders.

To carry out this mission, the OPHIE records and analyzes reportable disease information; conducts interviews with infected individuals and their contacts; refers individuals for medical treatment; analyzes data from disease investigations; identifies risk factors; provides education and recommendations on disease prevention; and works in conjunction with appropriate agencies to enforce communicable disease laws. Staff in the OPHIE also performs data management, quality assurance, analysis, and reporting in a broad spectrum of public health areas.

The OPHIE houses many core public health datasets, including communicable disease registries, inpatient hospital discharge data, births, deaths, fetal deaths, abortions, marriages, divorces, and others. Common elements between databases enable matching or linking of these databases in order to provide newly accessible and standardized information for analytical and programmatic purposes. Extracted databases derived from each database and linked databases are available for statistical data analysis. Analyses are compiled in a variety of reports, which are posted on the Public Health's website, making the data available for program evaluation and planning and policy development.

Statutory Authority: NRS 439, 440, 441A, 442, 450B, and 457.

BASE

HHS-DPBH - CHRONIC DISEASE

101-3220

PROGRAM DESCRIPTION

There are six long-term programs/funding sources in this budget account: Preventive Health and Human Services Block Grant, Women's Health Connection, Comprehensive Cancer Control, Colorectal Cancer Screening Program, Tobacco Prevention and Education, and Diabetes Prevention and Control Programs. Two new programs were added in state fiscal year 2012 for Chronic Disease Prevention and Health Promotion. The Coordinated Chronic Disease Prevention and Health Promotion Program, which strives to enhance program capacity and integration. Secondly, the Oral Health Program (OHP) will be transferred from Maternal Child Health Services, budget account 3222 to budget account 3220 to integrate and align with Chronic Disease Management and PPBB Activities. OHP is a vital part of the Chronic Disease Program mission. This request includes the transfer of four full time positions.

BASE

This request continues funding for 17.51 positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

PROGRAM DESCRIPTION

The Maternal and Child Health program works to improve the health of Nevada's families, with emphasis on women of childbearing age, infants, children and adolescents, including children with special health care needs by promoting, assuring and providing health education, prevention activities, quality assurance, and access to health care services.

Statutory Authority: NRS 442; Title V of the Social Security Act.

BASE

This request continues funding for twenty positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-DPBH - OFFICE OF HEALTH ADMINISTRATION

101-3223

PROGRAM DESCRIPTION

The Public Health's administration office is responsible for the enforcement of all laws and regulations pertaining to the public's health. Staff in the administrative office provide the support services to the program areas charged with promoting and protecting the health of all Nevadans and visitors to the state. Support services include administrative oversight and program accountability, information technology support, personnel support, public information officer support, and fiscal oversight and accountability. The State Health Officer and State Biostatistician are funded in this budget account. Administrative support for the State Board of Health is also funded in this budget account. Statutory Authority: NRS 439.

BASE

This request continues funding for fifty-two positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-DPBH - COMMUNITY HEALTH SERVICES

101-3224

PROGRAM DESCRIPTION

The Community Health Nursing (CHN) Program provides public health services in fourteen of Nevada's rural counties. Eleven of these counties have community health nursing clinics; Elko, Eureka, and Storey Counties have Federally Qualified Health Centers (FQHC) but no CHN clinics. The CHN program provides public health preparedness (PHP) coverage and epidemiology assistance in twelve counties; Lyon and Douglas Counties began receiving their PHP and epidemiology coverage by Carson City Health and Human Services in the fall of 2011. Essential public health nursing services include adult and child immunizations, Early Periodic Screening Diagnosis and Treatment (EPSDT) examinations, including lead testing; family planning, cancer screening, and identification/treatment of communicable diseases such as Tuberculosis (TB), Sexually Transmitted Infections (STI) and Human Immunodeficiency Virus (HIV). Two Community Health Nurses (CHNs) function as the school health nurse in those rural districts without school nurses (Lincoln and Esmeralda Counties).

In SFY12, the CHN program started formal relationships with the Nevada Statewide Coalition Partnership through subgrants. The goals of these subgrants are to provide outreach and education to the community so that the CHNs can be in the clinics providing direct services.

In SFY12, the CHN program received federal family planning dollars to expand the practice management system software, Lytec, to purchase LytecMD, an electronic health record program that meets the federal requirements for meaningful use. This system is fully operational, and captures time and effort, service reports, accounts receivable documentation and reports, and many other useful features to assure the clinics are individually and collectively maximizing their revenue enhancement opportunities, and complying with federal regulations.

BASE

This request continues funding for 31.25 positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-DPBH - MARIJUANA HEALTH REGISTRY

101-4547

PROGRAM DESCRIPTION

The Nevada Marijuana Health Registry is a state registry program within the Nevada Department of Health and Human Services, Public Health. The role of the program is to administer the provisions of the Medical Use of Marijuana law as approved by the Nevada Legislature and adopted in 2001. Individuals can apply for the registry and, if found eligible, are issued an identification card to show approval for the cultivation and use of the Cannabis plant for personal use, within limitations. Eligibility is determined through physician certification of a qualifying medical condition, acceptable criminal background check, and Nevada residency. Statutory Authority: Nevada Constitution, Article 4, Section 38. Use of plant genus Cannabis for medical purposes and NRS 453A, Medical Use of Marijuana.

BASE

This request continues funding for four positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-DPBH - CHILD CARE SERVICES

101-3149

PROGRAM DESCRIPTION

The Child Care Licensing program is responsible for licensing and monitoring child care facilities and institutions. Child Care Licensing moved to the Health Division as a result of the 2011 Legislative session and became a component of the Bureau of Health Care Quality and Compliance. The Board for Health adopts Regulations and Standards for Child Care and determines license fees for child care facilities.

The program has the responsibility for initial licensing, continued monitoring, and providing technical assistance to child care facilities caring for five or more children not licensed by local entities. Facilities include child care centers, on-site centers, care for ill children, special needs centers, pre-schools, nurseries for infants and toddlers, accommodation facilities, family care homes, group care homes, institutions, and outdoor youth programs. These functions are statewide and jurisdiction includes all rural counties and the incorporated areas of Clark County. The program covers designated federal, state, city, and county operated programs for children. All areas of responsibility are also monitored for illegal, unlicensed child care operations with complaints investigated to bring facilities into compliance with state laws by licensing or reducing the number of children in care. Child care training is delivered mainly through contracted services.

BASE

This request continues funding for 20.29 positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

DHHS - BEHAVIORAL HEALTH - The mission of the Division of Public and Behavioral Health is to develop and operate programs that assist individuals who have mental illness or developmental disabilities to live as independently as possible.

Division Budget Highlights:

- Consolidation of Public & Behavioral Health** - This consolidation will integrate public and behavioral health services by leveraging existing capacity. Implementing a patient centered system of care for prevention, early intervention and access to treatment.
- Affordable Care Act (ACA) Savings** - The ACA will save the state substantial General Fund for pharmacy expenditures, outpatient services, and substance abuse prevention and treatment (SAPTA) because Medicaid can be billed for more of the services currently provided.
- Expanding Urgent Care and Medical Clearance** - To more effectively manage the flow of individuals seeking psychiatric services, Southern Nevada Adult Mental Health facility is co-locating a walk-in clinic to provide medical clearance and urgent care services. Northern Nevada Mental Health facility is expanding medical clearance hours.
- Returning Out-of- State Youth to Nevada** - Based on data provided by Nevada Youth Parole and Services, funding is being provided for five children in out of state placements to return to Nevada. Children will receive placement with a high level of community supervision and care.
- Expanding Mental Health Court** - The division is expanding mental health court which is a diversion program for clients in the criminal justice system whose charges are due to their mental illness.

PROGRAM DESCRIPTION

Working in partnership with consumers, families, advocacy groups, agencies, and diverse communities, the Division of Behavioral Health provides responsive services and informed leadership to ensure quality outcomes. The division's mission includes treatment in the least restrictive environment, prevention, education, habilitation and rehabilitation for Nevadans challenged with mental illness or mental retardation. These services are designed to maximize each individual's degree of independence, functioning and satisfaction. Statutory Authority: NRS Chapters 433, 433A, and 433B, specifically NRS 433.254.

BASE

This request continues funding for 35.51 positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-DPBH - ALCOHOL TAX PROGRAM

101-3255

PROGRAM DESCRIPTION

The mission of the Alcohol Tax Program is to treat alcohol addiction in Nevada. Nevada Revised Statute (NRS) 369.174 states that the tax in excess of \$3.45 per wine gallon on liquor containing more than twenty-two percent of alcohol by volume will be transferred to this budget account. NRS 458.097 states that this money will be used to increase services for the prevention of alcohol and drug abuse through detoxification and rehabilitation services.

BASE

This request continues funding for operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-DPBH - FACILITY FOR THE MENTAL OFFENDER

101-3645

PROGRAM DESCRIPTION

The mission of the Lake's Crossing Center facility is to provide statewide forensic mental health services in a secure setting to mentally disordered offenders who have been deemed incompetent to stand trial, referred from the court system, so they can be restored to competency and can be referred back to the court system to stand trial. Lake's Crossing Center also treats very difficult to manage patients from other facilities in the state until they can return to a less restrictive setting, as well as clients acquitted as not guilty by reason of insanity; and dangerous, unrestorable clients. Statutory Authority: NRS 175, 178 and 433.

BASE

This request continues funding for 92.59 positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

DHHS - DIVISION OF CHILD AND FAMILY SERVICES - The Division of Child and Family Services (DCFS), together in genuine partnership with families, communities and county governmental agencies, provides support and services to assist Nevada's children and families in reaching their full human potential. We recognize that Nevada's families are our future and families thrive when they live in safe, permanent settings; experience sustainable emotional and physical well being; and receive support to consistently make positive choices for family and common good.

Division Budget Highlights:

1. **Fund Child Welfare Caseload Growth** - With the continuation of child welfare block grant in Washoe and Clark Counties, adoption caseload growth is included at approximately 11% with rural regions just under 14% and foster care caseload projections for rural child welfare around 7.5%.
2. **Consolidate Juvenile Justice Budgets** - The three juvenile justice correctional centers budgets are combined into a single Correctional Facilities budget to provide the flexibility needed to operate the facilities based on the needs of the youth committed by the courts for correctional care.
3. **Reopen Summit View Correctional Center (SVCC)** - Reopening will occur October 2013. Funding is included for up to fifty state correctional beds and necessary start-up costs for equipment/services to bring the facility to an operational level. Savings from Elko Youth Training Center due to low capacity is being reinvested for the reopening of SVCC.
4. **Enhance Juvenile Justice** - Youth Alternative Placement budget receives \$650,000 in General Funds per year for the China Springs/Aurora Pines Youth Camp. This increase in General Funds will decrease the Youth Camp assessments owed by the sixteen counties (all but Clark County).
5. **Enhance Children's Mental Health** - Healthy Nevada Funds are added to provide parent management training statewide, evidence-based group treatment intervention in northern Nevada and a mobile crisis unit in southern Nevada. Projects were recommended by the Clark and Washoe County Children's Mental Health Consortium.
6. **Expand Children's Mental Health** - The Southern Nevada Child and Adolescent Services budget includes four new positions to provide for the re-opening of an additional unit at Desert Willow Treatment Center to come into compliance with Federal Regulations.

HHS-DCFS - COMMUNITY JUVENILE JUSTICE PROGRAMS

101-1383

PROGRAM DESCRIPTION

The Juvenile Justice Program sub-grants funds to local units of government and private agencies for programs including: removing juveniles from adult jails; de-institutionalizing status offenders; reducing the disproportionate incarceration of minority offenders; specialized programs for Native American youth; enforcing underage drinking laws; and community-based delinquency prevention programs.

This budget account supports the Social Services Chief who performs compliance and monitoring of jails and lockups; provides legislative support on juvenile justice bills; serves as Nevada's Juvenile Justice Specialist; supports the Juvenile Justice Commission; prepares monitoring and performance reports for the various grant programs including Grants Management System reporting on the Office of Juvenile Justice and Delinquency Prevention web site; and implements contracts. Statutory Authority: NRS Chapter 62 and the Federal Juvenile Justice Act.

BASE

This request continues funding for two employees and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-DCFS - WASHOE COUNTY CHILD WELFARE

101-3141

PROGRAM DESCRIPTION

In the 2011 Legislative session, the funding for Washoe County Department of Social Services (WCDSS) by the Division changed. Currently, WCDSS receives an annual capped block grant each year to support child welfare services. This funding de-categorized the general funds appropriated for the purpose of child welfare integration and allows the agency to redirect child welfare funding to services not restricted by traditional definitions and funding limitations, but driven by the needs of children and families in their community. WCDSS has the ability to retain locally all of the savings generated if the services provided by the county cost less than the amount budgeted. This funding is contingent upon the counties meeting a minimum maintenance of effort. Specifically, the counties must maintain the amount of local funds spent for child welfare and child protective services at a level equal to or greater than the amount appropriated for fiscal year 2011. In addition, within this current funding mechanism is a process to support a fiscal incentive program designed to stimulate and support improvement in key areas identified in the agency improvement plan. A second allocation is included that will estimate each biennium the cost attributed to the projected caseload growth for the adoption assistance program to ensure adoptions are continuously reinforced and each Legislative session the funding can be determined based on historical adoption growth. Lastly, the agency which provides child welfare services, must submit annually an agency improvement plan and data demonstrating the progress they have made toward meeting the specific performance targets set forth in the plan. The agency improvement plan is an integral part of the quality Division's oversight role.

BASE

This request continues funding for Washoe County Child Welfare operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-DCFS - UNITY/SACWIS

101-3143

PROGRAM DESCRIPTION

Information Management Services (IMS) is the unit within the Division of Child and Family Services (DCFS) that supports the technology needs of the division and the county child welfare agencies. IMS maintains two major computer applications: Unified Nevada Information Technology for Youth (UNITY) and Avatar.

UNITY is the Nevada-specific acronym for the federally mandated Statewide Automated Child Welfare Information System (SACWIS). The UNITY application became fully operational statewide in September 2003. Child welfare agencies nationwide are required to submit adoption and foster care information electronically to the Administration for Children and Families as per Public Law 103-66 (Omnibus Reconciliation Act). Child protective services intake and case management has been fully automated to ensure timely and accurate communications between state and county entities. In addition UNITY is the system of record for the Youth Parole Bureau.

Avatar is the Health Insurance Portability and Accountability Act (HIPAA) compliant case management and billing system that supports children's mental health. It has been operational since August 2005.

In addition to maintaining these two applications, IMS provides helpdesk support and application training to all three Nevada child welfare agencies (DCFS, Clark County Department of Family Services and Washoe County Department of Social Services); and network, and desktop computer support for DCFS.

HHS-DCFS - CHILDREN, YOUTH & FAMILY ADMINISTRATION

101-3145

PROGRAM DESCRIPTION

The Division of Child and Family Services (DCFS) within the Department of Health and Human Services is responsible for child protective and child welfare service delivery in rural Nevada; oversight of urban county-operated child protective and welfare services, a provider of children's mental/behavioral health treatment and residential services in urban Nevada; and statewide juvenile justice services including state-operated youth training centers and youth parole. The mission of the DCFS is to provide support and services to assist Nevada's children and families in reaching their full human potential.

BASE

This request continues funding for eighty employees and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-DCFS - YOUTH ALTERNATIVE PLACEMENT

101-3147

PROGRAM DESCRIPTION

The Youth Alternative Placement budget account was established to provide financial support to each regional facility for the detention of children who have been adjudicated delinquent by Nevada courts. There are three regional facilities; two are located in Douglas County (China Spring Youth Camp and Aurora Pines Youth Camp), and one is located in Clark County (Spring Mountain Youth Camp).

The China Spring Youth Camp/Aurora Pines Girls Facility is dedicated to helping approximately 40 male and 16 female, mid-level offenders between the ages of 12 and 18, develop skills, knowledge and the experience necessary to promote health and resiliency, stop the progression of problems caused by delinquent behavior, and interpret and avoid high risk behavior patterns in an emotionally safe, comforting, challenging, and nurturing environment. The facility provides structure and programs to assist juvenile offenders to overcome their delinquent behavior, as well as opportunities to correct thinking errors, practice positive new social skills, and facilitate reintegration into the family and community.

The Spring Mountain Youth Camp, and its community-based program, provides residential treatment for approximately 112 youth between the ages of 12 and 18. The programs at Spring Mountain Youth Camp provide for therapeutic, educational, social, medical, and recreational needs. Counseling and therapy are provided to the youth as needed through Clark County's psychological services. Aftercare services are provided by a team which includes probation officers and a mental health therapist who begin contact with youth prior to placement and continues through completion of probation. This program operates in cooperation with, and is supported by, local law enforcement agencies, the Clark County School District, and various state agencies. Statutory Authority: NRS 62B.150

BASE

This request continues funding to support the youth alternative placement camps and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-DCFS - JUVENILE CORRECTIONAL FACILITY

101-3148

PROGRAM DESCRIPTION

Summit View Youth Correctional Center (SVYCC) was a maximum-security youth correctional facility with a maximum capacity of ninety-six beds that provided programming and services to male juvenile offenders located near the Las Vegas urban center. During the 2010 Special Legislative Session, this facility was closed due to budget reductions. Youth were transferred to the Nevada Youth Training Center in Elko, paroled to the Youth Parole Bureau, or transferred to local jurisdictions. This budget requests funding for a full-time Facility Supervisor including associated position costs, service contracts, utilities, and debt service expense required for the maintenance and security of the closed facility until the property is sold or leased. Statutory Authority: NRS Chapter 63

BASE

This request continues funding for one half-time employee and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

ENHANCEMENT

E225 EFFICIENT AND RESPONSIVE STATE GOVERNMENT

This request includes three key initiatives to compliment the recommendations made by the Supreme Court Commission:

*Consolidation of three Juvenile Justice budget accounts: budget account 3179, Caliente Youth Center; budget account 3259, Nevada Youth Training Center; and this budget account 3148, Juvenile Correctional Facility. This provides the flexibility to operate the facilities based on the needs of the Youth committed by the courts for correctional care. Youth will be able to be placed in more appropriate settings than they are now. Three levels of care can be operated in an efficient manner, allowing program managers to determine funding and bed allocation between 250 beds and 3 correctional facilities.

*Reduction in bed capacity of Nevada Youth Training Center (NYTC) from 110 beds to 60 beds.

*Re-opening the Summit View Correctional Center through a private vendor to operate the facility and phasing in a maximum of 50 state purchased beds during the biennium.

HHS-DCFS - CALIENTE YOUTH CENTER

101-3179

PROGRAM DESCRIPTION

The Caliente Youth Center (CYC) is a secure, juvenile residential facility located 150 miles north of Las Vegas on the east side of U.S. Highway 93 in Caliente, Nevada. There are seven housing units situated on thirty-five acres with a maximum capacity of 140 youth. CYC serves male and female clients between 12 to 18 years of age. CYC is authorized and governed by NRS Chapter 63 State Facilities for Detention of Children and those applicable statutes contained within NRS Chapter 62A Juvenile Justice General Provisions. The programming at CYC addresses delinquent youth who also may have been victims of abuse, abandonment, and neglect, working closely with both public and private agencies in accomplishing goals. Staff from CYC coordinate with the Nevada Youth Parole Bureau and the Interstate Compact on Juveniles to ensure the youth receive the best possible aftercare services once they are released from CYC's jurisdiction. Youth who apply themselves to reach their goals in the shortest time possible typically achieve parole release within six to seven months. Statutory Authority: NRS Chapter 63

HHS-DCFS - VICTIMS OF DOMESTIC VIOLENCE

101-3181

PROGRAM DESCRIPTION

The Victims of Domestic Violence program awards grants to non-profit entities statewide to provide direct services to victims of domestic violence and sexual assault. Services include shelter, crisis phone access, emergency assistance, advocacy, hospital accompaniment, and counseling. Viable programs are sustained in all seventeen Nevada counties with trained staff and volunteers. The Division of Child and Family Services has responsibility for monitoring domestic violence programs to ensure compliance with NRS 217.400 through 217.460 for granting funds from the domestic violence account, maintaining financial records, and evaluating services provided. Funding for this program comes from marriage license fees. The Victims of Domestic Violence account was established for the purpose of managing these funds. Statutory Authority: NRS Chapter 217.

BASE

This request continues funding for sub-grants awarded to non-profit agencies statewide and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-DCFS - RURAL CHILD WELFARE

101-3229

PROGRAM DESCRIPTION

The Division of Child and Family Services (DCFS) Rural Region Child Welfare supports child protective services and other related child welfare services to the 15 Rural counties in the state through its Rural Region offices. The DCFS Rural Region is separated into 4 districts, each providing services to multiple counties. Child welfare services include emergency response (child protection) and the continuum of ongoing services to families through a comprehensive case planning process that provides initial assessment and comprehensive case management services that support the child, the parents and the caregivers. The continuum includes emergency shelter care, foster family care (including relative placements), group home care, therapeutic foster care, residential treatment care for both in and out of state placements, Interstate Compact for the Placement of Children (ICPC), Foster Care Licensing, Independent Living (IL) services and adoption. Additional services to support the child and their family include in-home counseling, Intensive Family Services (IFS), early childhood services and designated outpatient services.

BASE

This request continues funding for one-hundred sixteen employees and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

E227 EFFICIENT AND RESPONSIVE STATE GOVERNMENT

This request adds six new vehicles needed for Rural offices. Fernley needs a twelve passenger van for transporting large families as right now they are transporting large sibling groups in two cars which takes two social workers and ties up two vehicles. Carson has thirty-five employees with eleven vehicles and needs to add two compact cars and one four wheel drive. Fallon has the same needs for a twelve passenger van as Fernley and in addition they need another compact car.

HHS-DCFS - CHILD WELFARE TRUST

645-3242

PROGRAM DESCRIPTION

The Child Welfare Trust Fund account was established pursuant to NRS 432.037 to receive benefits for survivors or other awards payable to children receiving child welfare services in a county whose population is less than 100,000, which must be deposited in the State Treasury for credit to the fund including Social Security and Supplemental Security Income. The Division maintains a separate account for each child who receives money and deducts from the account any services to the child provided by public money. Surplus balances are distributed in accordance with guidance from the entity the funds were received. Interest accrued is credited to the budget account by the Treasurer's Office and then credited to each child's separate account maintained in the Trust Fund for Child Welfare at the end of each interest period.

BASE

This request continues funding for cost of care for children eligible for Social Security benefits and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-DCFS - TRANSITION FROM FOSTER CARE

606-3250

PROGRAM DESCRIPTION

The Transition from Foster Care budget account assists persons, who turn eighteen while in foster care in Nevada, to transition from foster care to economic self-sufficiency. Assembly Bill 94 of the 2001 Legislative Session authorized the collection of a \$1 fee for recording a document, instrument, notice, deed or other writing to be used to assist persons formerly in foster care. Funds may be (a) disbursed on behalf of qualifying persons on the basis of need to obtain goods and services, including: job training, housing assistance, and medical insurance; (b) granted to non-profit community organizations; or (c) expended to provide matching money required as a condition of a federal grant. Money in this budget account at the end of any fiscal year remains in the account and does not revert to any other fund, but is balanced forward into the next fiscal year.

BASE

This request continues funding for transition from Foster Care and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

PROGRAM DESCRIPTION

The Child Death Review account supports statewide child death review activities by the mandated Administrative Team and the Executive Committee to Review the Death of Children. The activities of the child death review committees include the development of statewide protocols; training and multidisciplinary teams; the compilation of child death statistics; and an annual report of recommendations on improving the laws, regulations and policies related to child death review. The Committee to Review the Death of Children is comprised of an Executive Committee which consists of eleven representatives and an Administrative Team currently consisting of nine representatives from state and local government agencies throughout Nevada which provide child welfare services and agencies that are responsible for vital statistics, public health, mental health and public safety. Statutory Authority: NRS 432B.403 through NRS 432B.409

BASE

This request continues funding for the review of the death of children and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-DCFS - NEVADA YOUTH TRAINING CENTER

101-3259

PROGRAM DESCRIPTION

The Nevada Youth Training Center (NYTC) is a residential juvenile correctional facility serving male youth between the ages of twelve and eighteen who are committed by the state's district courts for correctional care. Bed space of the facility was reduced to 110 from 160 beds during the 2011 Legislative session. The facility is located in Elko, Nevada and operates a junior/senior high school program offering required and elective academic subjects, remedial programs (reading, math, language), special education, and vocational education. Youth also receive counseling conducted individually or in small and large groups, monthly treatment team meetings, and substance abuse counseling. Youth who apply themselves to reach their goals in the shortest amount of time possible typically achieve parole release within six to seven months. Statutory Authority: NRS Chapter 63

BASE

This request continues funding for one-hundred sixteen employees and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-DCFS - YOUTH PAROLE SERVICES

101-3263

PROGRAM DESCRIPTION

Youth Parole Services provides supervision and case management services to delinquent youth committed to the Division of Child and Family Services (DCFS) Youth Correctional Services. Caseloads consist of: delinquent youth committed to state youth institutions; youth on parole from such institutions; youth referred to Nevada for parole supervision from other states through the Interstate Compact on Juveniles (NRS 62I); youth committed to DCFS who require both correctional and mental health residential treatment; and youth under the age of twelve who are committed to DCFS for correctional care, but who cannot by law be placed in an institutional setting.

Parole aftercare services are provided to youth through a continuum of services starting with client and family assessment, institutional visitation, and pre-release parole planning with youth while the youth are in the state youth correctional facilities. Based on these contacts, youth are provided with a reputable placement and appropriate parole programming. Youth unable to return to parents or guardians are provided residential care through division contracts for foster care, group care, and residential treatment programs. While on parole, each youth is supervised to ensure compliance with conditions of parole and state and local laws. Counseling and guidance is provided to facilitate the youth's successful participation in an educational and/or vocational program. Through day treatment classes and individual and group counseling, Youth Parole counselors assist parolees in the development of competencies in their personal lives. Issues of anger control, substance abuse, gender specific issues, gang membership, impulse control, social skills and decision-making are addressed on an individual basis. Youth Parole Services operates the Interstate Compact on Juveniles which regulates the transfer of juvenile probation and parole supervision across state boundaries and is charged with arranging the return of delinquent runaways on demand. Statutory Authority: NRS Chapters 62, 62I, and 63

HHS-DCFS - NORTHERN NV CHILD & ADOLESCENT SERVICES

101-3281

PROGRAM DESCRIPTION

Northern Nevada Child and Adolescent Services (NNCAS) provides assessment, care coordination, and a comprehensive continuum of mental health care services for emotionally disturbed children and adolescents from birth through eighteen years of age in accordance with NRS 433B. Children served are uninsured, under-insured, or fee-for-service Medicaid recipients. Services are provided in a community-based center. NNCAS center services include early childhood mental health services and outpatient mental health services providing individual, group and family therapies, intensive targeted case management, and early childhood day treatment. Residential services are provided at selected sites and include the Family Learning Homes and the Adolescent Treatment Center. Psychiatric services are provided for children in early childhood mental health, outpatient, and residential services. Services are provided in strengths-based, individualized processes that respect and value the family's decision-making and culture. The goal for every child is to provide services within the least restrictive environment and support remaining in or returning to family care with the support of community-based services. Statutory Authority: NRS 433, 433A and 433B.

BASE

This request continues funding for ninety-five employees and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

HHS-DCFS - SOUTHERN NV CHILD & ADOLESCENT SERVICES

101-3646

PROGRAM DESCRIPTION

Southern Nevada Child and Adolescent Services (SNCAS) provides assessment, care coordination, and a comprehensive continuum of mental health care services for emotionally disturbed children and adolescents from birth through eighteen years of age in accordance with NRS 433B. Children served are uninsured, under-insured, or fee-for-service Medicaid recipients. Services are provided in five Neighborhood Family Service Centers. SNCAS center services are both office and home-based and include early childhood mental health services and outpatient children's clinical services providing individual, group and family therapies, intensive clinical case management, and early childhood day treatment. Intensive clinical case management services through the Wraparound in Nevada Program (WIN), budget account 3278, are also provided from the five centers. Residential services are provided at the West Charleston campus and include the Oasis On-Campus Treatment Homes which provides intensive treatment home services and Desert Willow Treatment Center, which provide inpatient acute psychiatric and residential treatment center services. Psychiatric services are provided for children in early childhood mental health, outpatient, and residential services. Services are provided in strength-based, individualized processes that respect and value the family's decision-making and culture. The goal for every child is to provide services within the least restrictive environment and support remaining in or returning to family care with the support of community-based services. Statutory Authority: NRS Chapters 433, 433A and 433B

BASE

This request continues funding for two-hundred eighty-nine employees and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

DEPARTMENT OF EMPLOYMENT, TRAINING & REHAB - The Department of Employment, Training, and Rehabilitation's mission is to provide Nevada's businesses with access to a qualified workforce and encourage equal employment opportunities.

Department Budget Highlights:

1. **Increase Client Services** - Industry Sector Councils have been tasked to recommend pilot training programs in eight industry sectors by the Governor's Office of Economic Development. These programs will be funded initially with Career Enhancement funds, and as proven successful, integrated into local workforce board funding.
2. **Transfer Workforce Solutions Unit** - Under Administration, this unit will provide support, grant acquisition, and program analysis for eight industry sector councils and serve as liaison between industry sector councils and the department to monitor alignment of department operations with the Governor's Office of Economic Development.
3. **Repay Unemployment Insurance Trust Fund Loan** - A special employer assessment will be adopted to raise funds to pay interest on Unemployment Insurance Trust Fund federal loans, at rates calculated annually using the actual interest amount; which provides needed flexibility and a dedicated funding source to pay the loan interest.
4. **Modernize Unemployment Insurance (UI) System** - Implementation of the UInv system is scheduled for June 2013. UInv is a sophisticated tax and benefit system that greatly enhances functionality for UI staff, employers, and claimants. Expenses in fiscal year 2014 include a 12 month contractual warranty period for all products and services.
5. **Combine Blind Services & Vocational Rehabilitation** - These two bureaus are being combined into one. Combining budgets will save time, expense, and will result in a clearer picture of revenue and expenditures which will better serve Nevadans with disabilities.
6. **Add New Blind Vending Sites** - Anticipated site locations are at the Nevada State Museum at the Springs Preserve in Las Vegas; and Clark County Wet Lands Park Snack Bar, Shooting Park Restaurant and Equestrian Park to expand the successful program that provides self-employment opportunities to persons with visual disabilities.

DETR - DISABILITY ADJUDICATION**101-3269****PROGRAM DESCRIPTION**

The mission of the Bureau of Disability Adjudication (BDA) is to provide quality, timely, and professional disability decisions to individuals in Nevada who claim benefits under the Social Security disability programs. The BDA is 100% federally funded by the Social Security Administration and administered by the Rehabilitation Division of the Department of Employment, Training and Rehabilitation (DETR). The Bureau is responsible for processing all applications for disability benefits under the Social Security Disability Income (SSDI) and Supplemental Security Income (SSI) disability programs, and for conducting evidentiary hearings for those disability beneficiaries who are recommended for benefit termination.

PROGRAM DESCRIPTION

The mission of the Bureau of Vocational Rehabilitation (BVR) is to bring Nevadans together to promote barrier-free communities in which individuals with disabilities have access to opportunities for quality work and self-sufficiency. The program serves individuals who have physical or mental impairments that present barriers to employment and assists them in preparing for obtaining and retaining meaningful competitive employment. Services are delivered through 14 offices throughout the state, including six rural offices. The program is funded with 78.7% federal funds and 21.3% General Funds. BVR also administers the Supported Employment Program (Title VI of the Rehabilitation Act) which expands employment options for individuals with the most significant disabilities who may be able to engage in competitive work through the provision of intensive training, supervision, and other services, which is 100% federally funded.

BASE

This request continues funding for ninety-one positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

DETR - SERVICES TO THE BLIND & VISUALLY IMPAIRED

101-3254

PROGRAM DESCRIPTION

The mission of the Bureau of Services to the Blind and Visually Impaired (BSBVI) is to bring Nevadans together to promote barrier-free communities in which individuals with disabilities have access to opportunities for quality employment and self-sufficiency. The Bureau provides a full range of services to persons who are blind, deaf/blind, or severely visually impaired, including vocational rehabilitation; mobility and living skills training; assistive technology training and purchase of equipment; and low vision programs. The services available under this program are tailored to meet the individual interests, skills, abilities, and informed choice of participants and may include vocational training; secondary and post-secondary education; counseling and guidance; job development, placement, and follow-up services; transportation; and medical treatment and intervention. Services are delivered through 14 offices throughout the state, including six rural offices. The program is funded with 78.7% federal funds and 21.3% non-federal funds. The Bureau also administers the Older Individuals who are Blind (OIB) grant (Title VII of the Rehabilitation Act), which provides services to individuals over age 55 who are blind or visually impaired and is funded with 90% federal funds and 10% state General Funds. OIB services are geared towards assisting participants in gaining skills to live independently, travel safely around the community, and avoid institutionalization.

BASE

This request continues funding for thirty positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

DETR - BLIND BUSINESS ENTERPRISE PROGRAM

101-3253

PROGRAM DESCRIPTION

The mission of the Blind Business Enterprise of Nevada Program, commonly referred to as BEN, is to provide information, assessment, training, and placement of blind individuals in vending and business opportunities in public buildings. The Bureau of Services to the Blind and Visually Impaired (BSBVI) administers the business enterprise account for the blind (a non-reverting fund) under the authority of the Randolph-Sheppard Act amendments of 1974, NRS 426 and NAC 426. The primary source of revenue for this fund consists of a percentage of net profits from blind operators of vending facilities that are licensed by BSBVI. These facilities are located in federal, state, and municipal buildings statewide. Statutory Authority: NRS 426, Randolph-Sheppard Vending Stand Act Amendments of 1974.

BASE

This request continues funding for six positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

DETR - EMPLOYMENT SECURITY DIVISION - The mission of the Employment Security Division (ESD) is to provide a statewide labor exchange, conduct programs that promptly pay unemployment benefits, improve the employment stability of those collecting unemployment insurance, and administer an effective tax system. The division participates as a full partner in the Nevada JobConnect system, which offers training and re-employment services to Nevada employers and workers.

Division Budget Highlights:

- 1. Increase Client Services** - Industry Sector Councils have been tasked to recommend pilot training programs in eight industry sectors by the Governor's Office of Economic Development. These programs will be funded initially with Career Enhancement funds, and as proven successful, integrated into local workforce board funding.
- 2. Transfer Workforce Solutions Unit** - Under Administration, this unit will provide support, grant acquisition, and program analysis for eight industry sector councils and serve as liaison between industry sector councils and the department to monitor alignment of department operations with the Governor's Office of Economic Development.
- 3. Repay Unemployment Insurance Trust Fund Loan** - A special employer assessment will be adopted to raise funds to pay interest on Unemployment Insurance Trust Fund federal loans, at rates calculated annually using the actual interest amount; which provides needed flexibility and a dedicated funding source to pay the loan interest.
- 4. Modernize Unemployment Insurance (UI) System** - Implementation of the UInv system is scheduled for June 2013. UInv is a sophisticated tax and benefit system that greatly enhances functionality for UI staff, employers, and claimants. Expenses in fiscal year 2014 include a 12 month contractual warranty period for all products and services.

Activity: Employment Services (ES)

Employment Services (ES) helps Nevada businesses meet workforce needs, and aids job seekers in securing employment by providing job placement services to unemployed and underemployed Nevadans. Services include hiring events and job screening for employers, job matching, and referrals; and holding resume clinics for workers.

Activity: Unemployment Insurance (UI) Benefits

The Unemployment Insurance (UI) Benefits activity ensures timely and proper payment of benefits to unemployed persons. UI benefits provide support for basic living expenses while working toward re-employment. They also aid employers by helping to stabilize a qualified and ready workforce for when operations recover and re-hiring begins.

DETR - EMPLOYMENT SECURITY

205-4770

PROGRAM DESCRIPTION

The mission of the Employment Security Division (ESD) is to provide a statewide labor exchange, conduct programs that promptly pay unemployment benefits, improve the employment stability of those collecting unemployment insurance, and administer an effective tax system. The division participates as a full partner in the Nevada JobConnect system, which offers training and reemployment services to Nevada employers and workers.

BASE

This request continues funding for 482 positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

DETR - EMPLOYMENT SECURITY - SPECIAL FUND**235-4771****PROGRAM DESCRIPTION**

The Employment Security Fund is created as a special revenue fund to cover expenditures for which federal funds have been requested but not yet received and covers costs to administer employment security laws that may not be charged against federal grants. The revenue sources for this fund are interest and forfeitures collected from employers for non or late payment of unemployment taxes. All monies in the fund are continuously available to the Division Administrator and do not lapse at any time. The division uses the fund to support and maintain agency-owned buildings and pay for technological enhancements to programs for which federal funds are not available. Statutory Authority: NRS 612.615

BASE

This request funds continued maintenance of agency-owned buildings, contract services, and technological enhancements to programs for which federal funds are not available. One-time expenditures have been eliminated and partial year costs have been annualized.

DETR - ADMINISTRATION**101-3272****PROGRAM DESCRIPTION**

The mission of the Department of Employment, Training and Rehabilitation (DETR) is: In collaboration with the Governor's Workforce Investment Board, the Governor's Office of Economic Development, Education, employers, trade and apprenticeship organizations, and other stakeholders, DETR will develop a trained workforce that enhances Nevada's economic stability and growth.

The Department provides information, services, and training for individuals seeking employment or looking for opportunities to enhance their job skills. The Department also ensures that individuals with disabilities have options and choices to assist them in living and working independently.

The Administrative Services Division consists of a director's office and centralized administrative services, which supports four divisions: Employment Security, Rehabilitation, Information Development and Processing, and the Nevada Equal Rights Commission. The department is the lead state agency responsible for the administration of the Workforce Investment Act in Nevada.

Administrative Services provides leadership, direction, and support in planning, implementing, coordinating and evaluating the various services and activities of the Department to meet state and federal program goals and assist in the on-going development of a world-class workforce investment system for Nevada. Statutory Authority: NRS 232.910

PROGRAM DESCRIPTION

The mission of the Research and Analysis Bureau (R&A) is to provide reliable and timely labor market and economic information and analyses. In partnership with the U.S. Department of Labor, R&A is responsible for the collection, development, and dissemination of a variety of information such as labor force, employment, occupational, economic, and demographic data and analyses important to policymakers, the business community, and Nevada citizens. In addition, R&A provides analytical services and products designed to support the programs administered by the department and state and local workforce investment boards. R&A is also responsible for maintaining and marketing the Nevada Career Information System, which provides a comprehensive source of occupational and career information for all Nevadans, as well as a variety of specific user groups, such as the state's school districts and the Nevada JobConnect System.

BASE

This request continues funding for twenty-nine positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

DETR - EQUAL RIGHTS COMMISSION**101-2580****PROGRAM DESCRIPTION**

The mission of the Nevada Equal Rights Commission (NERC) is to foster and protect the rights of all people of the state reasonably to seek, obtain and hold employment and housing, and seek and be granted services in places of public accommodation, without discrimination, distinction or restriction, as prohibited by state and federal discrimination laws. NERC oversees the state's equal employment opportunity program, providing mediation, investigation and resolution of employment discrimination complaints related to race, religion, color, age (over 40), sex, disability, sexual orientation, gender identity or expression, or national origin. NERC partners with the federal Equal Employment Opportunity Commission (EEOC) in resolving these complaints. NERC also has jurisdiction in Nevada over discrimination in housing and places of public accommodation. Statutory Authority: NRS 233.

DEPARTMENT OF CORRECTIONS - To protect the public by confining convicted felons according to the law, while keeping staff and inmates safe.

Department Budget Highlights:

1. **Adjustments to Caseload** - The department budget includes caseload adjustments based on JFA Associates October 2012 projections, resulting in an increase of 330 additional inmates over the biennium. The budget is based on serving an average inmate population of 12,746 in fiscal year 2014 and 12,774 in fiscal year 2015.
2. **Transfer of Parole Services** - The department budget includes the realignment of parole services to provide continuum of care of convicted felons returning to the community. This includes the transfer of 105 existing positions from the Division of Parole and Probation and two new positions.
3. **Upgrade and Enhance Information Technology** - The department budget places a high priority on updating information technology infrastructure. This includes a one-shot appropriation for the Nevada Offender Tracking Information System (NOTIS) upgrade and end-user training, and 3.51 new information technology positions.
4. **Capital Improvement Projects (CIPs)** - The Governor's Executive Budget includes approximately thirty million in department CIPs. Noteworthy projects include the Ely State Prison execution chamber and various facility replacements of HVAC systems, door control panels, electrical, lighting, flooring, bathrooms, chillers and boilers.

Activity: Minimum Security

Felons are classified upon entry into prison as minimum, medium, or maximum security and are reclassified as necessary during confinement. Minimum security inmates are confined in a far less secure/restrictive environment as they pose a reduced risk to society. Inmate health and welfare includes culinary systems, clothing and hygiene items.

NDOC - DIRECTOR'S OFFICE

101-3710

PROGRAM DESCRIPTION

The Nevada Department of Corrections' (NDOC) mission is to protect the public by confining convicted felons according to the law, while keeping staff and inmates safe. The NDOC philosophy is to pursue this mission with integrity, act in a professional and ethical manner, be responsible for its actions, and raise the department to the highest standards. The NDOC provides professional staff to protect the community and provides opportunities for offenders to successfully re-enter the community through education, training, treatment, work, and spiritual development; and at the same time is sensitive to the rights and needs of victims. Major tasks of the Director's Office include long-range planning, classification of inmates, inmate records, transportation of inmates, investigations, information services, food services, plant operations, safety and health assurance, accounting, fiscal and personnel services, training, contract services, and procurement. Statutory Authority: NRS 209 and the Nevada Constitution Article 5, Section 21.

BASE

This request continues funding for 180 positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

NDOC - PRISON MEDICAL CARE

101-3706

PROGRAM DESCRIPTION

The mission of the Medical Division of the Nevada Department of Corrections (NDOC) is to provide quality, constitutionally mandated health care using an efficient system of managed care that is professional, humane, and appropriate. Inmate health care is comprised of medical, dental, and clinical mental health care. To fulfill its mission, the Medical Division operates infirmaries or clinics at all NDOC institutions. The major medical facility for the department is the Regional Medical Facility, integrated into the operation and perimeter of the Northern Nevada Correctional Center. This provides inpatient medical care for serious medical ailments, surgical aftercare, inpatient mental health care, structured living unit for mental health patients after discharge from inpatient services, and long term care for fragile, aging, and disabled inmates. Mental health extended care is also provided at High Desert State Prison. The camps, Restitution Center and Transitional Housing Center obtain medical services from institutions specifically assigned to support them. In fiscal year 2003, the Medical Division resumed the provision of health care services for Ely State Prison and in fiscal year 2005, resumed the provision of health care services for Florence McClure Women's Correctional Facility from two different private health care contractors. In fiscal year 2004, inmate programming moved from the Medical Division and organized into a separate Programs Division, budget account 3711, which was funded by the Legislature. The Medical Division is not National Commission on Correctional Health Care (NCCHC) accredited; however, NCCHC standards are used as a guideline for policy and procedure development.

BASE

This request continues funding for 283.62 positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

ENHANCEMENT

E225 EFFICIENT AND RESPONSIVE STATE GOVERNMENT

This request provides funding to require that the circumstances of all inmate deaths be investigated by autopsy if the next of kin consents to the autopsy or does not object within a certain period. This would impact all deaths which occur by natural causes. A Bill Draft Request has been submitted to support this request.

NDOC - CORRECTIONAL PROGRAMS

101-3711

PROGRAM DESCRIPTION

In 2003, the Nevada Legislature approved a reorganization of existing staff positions to form the Nevada Department of Corrections' (NDOC) Programs Division. The division provides psycho-educational programs, substance abuse treatment, religious services, vocational training, counseling and therapy for the general population (i.e., outpatient mental health), educational liaison, re-entry and transitional services, special "needs" programs (for youth, aging, etc.), and intake assessments. The Correctional Programs Division professional staff includes counselors, psychologists, social workers, chaplains, program officers, caseworkers, and support staff. The division's inmate programs are funded in part by grants obtained by the NDOC or by partnerships with community organizations that obtain the grants and bring services to Nevada's inmates. Statutory Authority: NRS 209.4887.

BASE

The base budget continues funding for 96.51 positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

NDOC - ELY STATE PRISON
101-3751

PROGRAM DESCRIPTION

Ely State Prison (ESP) is located approximately nine miles north of Ely and is a maximum security institution. The site for ESP was acquired in 1987. Phase I construction was completed in July 1989 with Phase II construction being completed in November 1990. ESP was converted to a maximum security custody housing upon the opening of Phase I of the medium security Lovelock Correctional Center. ESP is equipped to house and care for the most unmanageable inmates, and provide protective custody and segregation to its population. ESP has a prison textile industry that manufactures drapes, bedspreads, etc. Religious, substance-abuse, and educational programs are offered to the inmates. Recreational and other work experience programs are also available.

BASE

PROGRAM DESCRIPTION

The Northern Nevada Correctional Center (NNCC) opened in 1964 as a medium custody facility with three housing units. From 1964 until 2008, seven additional housing units were added. NNCC provides intake for the Northern region and houses the Regional Medical Facility (RMF) for the Department of Corrections. The RMF provides inpatient medical and mental health services. In addition, there is a Medical Intermediate Care Unit and Structured Care Unit for inmates for which medical and mental health situations are stable, but require additional staff monitoring. NNCC also houses the Regional Warehouse which is the distribution center for the facilities located in Carson City and Reno. Educational services are conducted by Carson School District staff and include high school diploma, General Education Diploma, literacy programs, and English as a Second Language. College courses are available and are provided through Western Nevada College. A wide range of self-help and treatment programs are available and administered by medical, mental health, and program staff. Programs include Offender Acting in Solitariness to Insure Sobriety (OASIS), a nine to twelve month drug and alcohol rehabilitation program; Senior Structured Living Program for inmates sixty years of age and older; and a New Beginnings Program to prepare inmates for reintegration into society. Current vocational programs being offered are: auto mechanics/auto shop, computer science, and dry cleaning. Silver State Industries manufactures a variety of products for governmental agencies and private entities through programs including a wood shop, a metal shop, a paint shop, and an upholstery shop. Prison Industries has also partnered a private company operating inside the facility to manufacture a variety of vinyl materials including mattresses.

BASE

This request continues funding for 281 positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

NDOC - NEVADA STATE PRISON

101-3718

PROGRAM DESCRIPTION

The Nevada State Prison (NSP) is located in Carson City. NSP was established in 1862, when the Nevada Legislature purchased the Warm Springs Hotel and twenty acres of land for \$80,000. NSP was one of the oldest operating prisons in the United States, until the facility was officially decommissioned May 18, 2012. Offenders under sentence of death are incarcerated at the Ely State Prison; but executions, as mandated by the state constitution, will continue to be conducted at NSP. The Department of Motor Vehicles continues to operate a license plate plant at the facility.

BASE

This request continues funding at the current level. One-time expenditures have been eliminated and partial year costs have been annualized.

PROGRAM DESCRIPTION

The Southern Desert Correctional Center (SDCC) is a male medium security institution with a housing capacity of 2,100 inmates. It is located approximately forty miles north of Las Vegas. The institution opened in 1982 with six housing units and a capacity of six hundred inmates. Subsequently, additional housing units were constructed in 1984, 1988, and 2007, bringing the total at this facility to ten housing units. SDCC houses general population, disciplinary, and administrative segregation inmates. SDCC provides educational and vocational programs through Clark County School District, College of Southern Nevada, and Prison Industries. Prison Industry programs include auto maintenance, auto restoration, furniture manufacturing, stained glass fixtures, and other various industries. A therapeutic substance abuse community, Offenders Acting in Solidarity to Insure Sobriety (OASIS), was added in fiscal year 2002. The program is designed as a four-phase system of intensive substance abuse treatment and a community based aftercare program is currently being developed. The Level Excellence and Programming (LEAP) Unit is a high-intensity programming unit for those offenders who have made the decision to take control of their lives. The program is designed to provide education and programming opportunities that will enable participants to improve their lives within the system and upon release.

BASE

This request continues funding for 255 positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

PROGRAM DESCRIPTION

The Lovelock Correctional Center (LCC) is primarily a medium security institution but has a large population of close custody protective segregation inmates requiring special handling and security. LCC was approved by the 1989 Legislature with Phase I becoming operational in October 1995 and Phase II in November 1997. LCC has an active, broad based religious program available to all inmates. Coal Canyon High School, sponsored by the Pershing County School District, runs literacy programs, General Education Diploma and high school diploma courses, a variety of college level classes and several vocational programs. Vocational programs include an auto shop and dry cleaning certification. In addition, LCC has a sex offender treatment, drug and alcohol counseling, the Structured Living Program, and mental health programs. Prison Industries has two programs in Lovelock, one manufactures prison clothing for all NDOC institutions and the other manufactures mattresses for NDOC facilities and the general public.

PROGRAM DESCRIPTION

The Southern Nevada Correctional Center (SNCC) is a medium security facility located approximately thirty miles south of Las Vegas in Jean. The institution opened in January 1978, and closed in September 2000 when the High Desert State Prison opened in Indian Springs. SNCC was reopened in August 2006 as a Youthful Offender Correctional Center and was closed again in June 2008, with all inmates and staff (except one maintenance worker) being transferred to other facilities in Southern Nevada.

NDOC - WARM SPRINGS CORRECTIONAL CENTER

PROGRAM DESCRIPTION

The Warm Springs Correctional Center (WSCC) was authorized by and constructed through appropriations from the 1961 Legislature and was known as the Nevada Women's Correctional Center until September of 1997. It was converted to a medium security men's prison in 1998 and to a minimum custody facility in July 2003. The institution has been remodeled and expanded four times over the past forty-seven years. A second housing unit was added in 1979 and a third in 1987. The core services building, which houses food services, health care services, education facilities, and the gymnasium was added in 1981. The 1995 and 1997 Legislatures authorized a fourth housing unit, two new towers, a new security fence, additional classrooms, and a complete remodeling of the kitchen, dining room, and entrance building. The completion of this project in July 1998 (funded in part with federal monies) brought the budgeted capacity of WSCC from 260 to 547 inmates. In July 2008, WSCC was converted back to a men's medium custody institution. WSCC provides program opportunities including literacy training, high school, adult basic education, vocational training, community college, addiction recovery, and a variety of socialization programs offered by the out-patient psychology division. WSCC also accommodates a variety of religious services through an active chapel, which includes music and choir. The Carson City School District offers high school diplomas and adult basic education General Education Diplomas, literacy and English as a Second Language. Vocational training includes culinary arts, computer science, and a Prison Industry Card Program.

PROGRAM DESCRIPTION

This facility was created in 1996 to house women incarcerated in the Nevada Department of Corrections (NDOC). The Corrections Corporation of America (CCA) owned and operated the facility until its purchase by the State of Nevada in October 2001. Effective October 1, 2004, NDOC took possession of the facility, eliminating the need to contract with the CCA. Formerly known as the Southern Nevada Womens' Correctional Center, the facility was renamed in 2007 as the Florence McClure Womens' Correctional Center (FMWCC) in honor of Florence McClure and her contributions to improving conditions for incarcerated women. FMWCC houses all custody levels of female inmates in Nevada. Capacity was increased in 2008 with the addition of a 240-bed dorm and in 2009 with a 300-bed addition to the main facility.

NDOC - NORTHERN NEVADA RESTITUTION CENTER

101-3724

PROGRAM DESCRIPTION

The Northern Nevada Restitution Center (NNRC) is located in Reno and functions as a community assignment facility housing inmates who are employed in the community. From earned income, inmates make restitution payments to victims and to criminal justice agencies, and may accumulate funds above restitution payments to facilitate their release in the community. The center moved to its current site in April 1993. Pursuant to AB299 of the 2005 Nevada Legislature, State Public Works Division has entered into a contract with Reno Sparks Indian Colony as the primary project manager for a land exchange wherein a new Restitution Center would be constructed for the NDOC.

BASE

This request continues funding for eleven positions and associated operating costs. One-time expenditures have been eliminated and partial year costs have been annualized.

NDOC - STEWART CONSERVATION CAMP

101-3722

PROGRAM DESCRIPTION

The Stewart Conservation Camp (SCC) is adjacent to the Northern Nevada Correctional Center and originally opened in 1978. In 1995, SCC was rebuilt and more than doubled the size of the original camp. SCC houses minimum custody and community trustee inmates in five dormitory type units. Inmates at SCC can earn their General Education Diploma. In addition, inmates can participate in several self-help and treatment programs conducted by medical and mental health staff in the evenings. The majority of the inmates at SCC work for the Nevada Division of Forestry and are assigned to twelve-man fire crews. Inmates also work for Prison Industries which runs the ranch, dairy, and the Wild Horse Training Program. Under the supervision of Prison Industries, the ranch operates a commercial dairy, grows alfalfa, breeds and raises cattle, and cares for horses in coordination with the Department of Agriculture and the Bureau of Land Management. The Wild Horse Training Program involves inmates training horses for adoption by the public. Some of the inmates are classified as community trustees who provide support services for several state agencies in Carson City, Nevada.

PROGRAM DESCRIPTION

The Pioche Conservation Camp (PCC) located approximately three miles northeast of Pioche, was opened in May of 1980 and then rebuilt in 1995. PCC houses an all male minimum custody population in an open facility. Inmates can obtain credit by attending General Education Diploma or high school classes. Self help programs such as anger management and substance abuse are also available. The inmate crews support the Nevada Division of Forestry program by working on conservation projects and fire suppression activities.
